**COMMONWEALTH OF MASSACHUSETTS
WARRANT FOR ANNUAL TOWN MEETING**

MONDAY, MARCH, 7, 1938, 7:45 P. M.

Norfolk, ss.

To any of the Constables of the Town of Weymouth in said County,

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in Town affairs to meet in the hall of the Weymouth High School on

MONDAY, THE SEVENTH DAY OF MARCH, 1938

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

BUDGET

ARTICLE 1. To see what sums of money the Town will vote to raise or borrow and appropriate for the salaries, operation and expenses during the current fiscal year of each of the following Town Departments and activities, necessary charges, and for unpaid bills of prior years:

GENERAL GOVERNMENT

1. Appropriation Committee
2. Selectmen's Department
3. Town Accountant's Department

- 46. Bonds and Notes due in 1938

INSURANCE

- 47. Municipal Buildings Insurance Fund
- 48. Fire and other insurance

RESERVE FUND

- 49. For reserve fund.

and to determine in each case how and under whose direction the money shall be expended, to impose any conditions and restrictions thereon which the Town may see fit; to determine how much money so appropriated shall be available for expenditures under General Laws, (Ter. Ed.) Chapter 10, Section 5, Clause 34; to determine what, if any, sums so appropriated shall remain available after December 31, 1938; to fix the terms and conditions of any loan or loans authorized to procure any of such funds and to authorize the issue of bonds or notes for the same, and fix the term and rate of interest of any such bonds or notes; to fix such salaries as require to be fixed by the Town Meeting; and to impose such conditions upon the drawing of compensation from the Town as the Town may see fit; or take any other action in relation to any of the foregoing subjects.

ARTICLE 2. (At the request of the W. P. A. Committee) To see what sum of money the Town will vote to raise or borrow and appropriate for providing co-operation with the Federal Government in unemployment relief and other projects of direct or indirect benefit to the Town or its inhabitants or take any other action in relation thereto.

ARTICLE 3. (At the request of the W. P. A. Committee) To see if the Town will vote that of the sum appropriated under Article 2 of this Warrant a definite amount be set apart for the purpose of resurfacing, constructing, altering or repairing sidewalks and curbings throughout the Town or take any other action in relation thereto.

COMMITTEE REPORTS

ARTICLE 4. (By Direction of the Selectmen) To take any action that the Town may desire upon the reports of the several Town Boards and Committees and appoint or change any committee that the Town may think proper.

TOWN FINANCES

ARTICLE 5. (By Direction of the Selectmen) To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1938, and to insure a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year, in accordance with General Laws (Ter. Ed.) Chapter 44, Section 17.

ARTICLE 6. To see if the Town will vote to authorize its Treasurer, with the approval of its Selectmen, on and after January 1, 1939 to borrow in anticipation of the revenue of the year 1939.

ARTICLE 7. To see what sum of money the Town will vote from surplus for the use of the Assessors in determining the tax rate for the year 1938.

ARTICLE 8. To see if the Town will vote to authorize the Selectmen to sell or otherwise dispose of any real or personal property of which the Town may be possessed or seized and for which it has no further use,

including all real estate of which the Town has possession or title for non-payment of taxes; to see if the Town will vote to authorize any other department to sell or otherwise dispose of any personal property in its possession and to determine the manner or conditions of such sales, or take any other action in relation thereto.

ARTICLE 9. To see if the Town will vote to authorize its Board of Selectmen to accept conveyances or mortgages of any real or personal property belonging to persons receiving relief from the Town and to dispose of said property in the manner they may adjudge for the Town's best interest and to authorize them to discharge any encumbrances on said property if they consider it for the best interest of the Town so to do, and to see what sum of money the Town will vote to raise and appropriate for the discharging of such encumbrances.

STREETS AND SIDEWALKS

ARTICLE 10. (By Direction of the Selectmen and on Petition of Abutters on the Several Streets hereinafter named) To see if the Town will accept the several reports of the Selectmen laying out as Town ways the following designated private ways and parts of ways or any of them, to wit:

Newbert Avenue from its intersection with Main Street in an easterly direction a distance of about 900 feet to land of Alice H. Nelson.

Newbert Circle from a point where it intersects Newbert Avenue in a southerly direction about 165 feet thence turning sharply and running in an easterly direction about 300 feet thence turning abruptly and running in a northerly direction about 165 feet to a point where it again intersects Newbert Avenue.

Gibbens Street from its intersection with Summit Street at Webb Park to Commercial Street.

or any portion of said ways and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street and highway in and over each of said streets as so laid out and accepted, and to see what sum of money the Town will vote to raise and appropriate for the working of each of the above named streets including the acquisition of the fee above referred to and for the building of any bridges, drains and conduits or securing easements which may be necessary in connection therewith and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets, or to take any other action in relation thereto.

ARTICLE 11. (By Direction of the Selectmen) To see what sum of money the Town will vote to raise and appropriate to reconstruct, resurface, widen, straighten, relocate or work the following streets, provided the State or County or both will appropriate a sum of money to help defray the expenses of said work, to wit:

Commercial Street, North Street, Norton Street

or any portion of said ways and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street and highway in and over each of said streets, and to see what sum of money the Town will vote to raise and appropriate for the working of each of the above named streets including the acquisition of the fee above referred to and for the building of any bridges, drains and conduits or securing easements which may be necessary in connection therewith and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservations strips existing in connection with any of said streets, or to take any other action in relation thereto.

ARTICLE 12. (By Direction of the Selectmen) To see if the Town will authorize the Board of Selectmen to acquire by gift, purchase or take by right of eminent domain in fee a piece of property containing about 1321 square feet forming the junction of the westerly side line of Pine Street with the southeasterly side line of Pleasant Street and to see what sum of money the Town will vote to raise and appropriate for this purpose, or take any other action in relation thereto.

ARTICLE 13. (At the request of the Planning Board) To see if the Town will take any action upon the report of the committee on the widening of Broad Street made in the Town Report of the year 1931, and to see what sum of money the town will vote to raise and appropriate for the purpose of widening Broad Street or any portion thereof, or take any other action in relation thereto.

ARTICLE 14. (At the request of the Planning Board and on Petition as hereinafter may appear) To see what sum of money the Town will vote to raise and appropriate to reconstruct, resurface, widen straighten, relocate or work the following streets:

West Street

Winter Street

Federal Street

Forest Street

Pearl and Norton Streets

Sea Street from Thomas' Corner to Bicknell Square

Summer Street from Front Street to Federal Street

Essex Street from Broad Street to Commercial Street

North Street near the corner of Neck and Pearl Streets

Front Street from the vicinity of Elliot Street to Federal Street

Pond Street from the N. Y. N. H. & H. R. R. to Abington Town Line

Whitman Street from Broad Street to the Humphrey School Grounds

Pleasant Street from Police Station to junction of Pleasant and Water Streets

(On Petition)

(On petition of John Daniele and others) Broad Street Place

(On petition of Alfred K. Martin and others) Park Avenue from Main Street to Ralph Talbot Street.

or any portion of said ways and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain in fee for all purposes of a public street and highway in and over each of said streets, and to see what sum of money the Town will vote to raise and appropriate for the working of each of the above named streets including the acquisition of the fee above referred to and for the building of any bridges, drains and conduits or securing easements which may be necessary in connection therewith and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets, or to take any other action in relation thereto.

ARTICLE 15. (By Direction of the Selectmen and on Petitions as hereinafter may appear). To see what sum or sums of money the Town will vote to raise and appropriate for the resurfacing, construction or repair of sidewalks and curbing on the streets of the Town as herinafter set forth or take any other action in relation thereto:

(On petition of Henry A. Nash and others) On northerly side of Commercial Street from North Street to Church Street.

(On petition of Helen Sybertz and others) On south side of Leonard Road.

(On petition of Ida R. Banck and others) On Commercial Street from Town Barn to Hingham Line.

(On petition of James A. Munroe and others) On Washington Street from number 1215 to Pleasant Street.

(On petition of Arthur E. Heinstrom and others) On easterly side of Pleasant Street from Pratt School to Lovell's Corner.

(On petition of Charles N. Turner and others) On easterly side of Pleasant Street from property of John Hanley to Canterbury Street.

(On petition of Arthur E. Heinstrom and others) On either side of Lakehurst Avenue from Pleasant Street to Washington Street.

(On petition of Harry W. Tabb and others) On Pine Street from number 114 to Elm Street.

(On petition of Arthur E. Heinstrom and others) On the west side of Middle Street from Circuit Avenue to Washington Street.

DRAINAGE

ARTICLE 16. (By Direction of the Selectmen and on Petitions as hereinafter may appear). To see what sum of money the Town will vote to raise and appropriate for the purpose of constructing or reconstructing drains and culverts in the locations hereinafter set forth or take any other action in relation thereto.

Columbian Square and the following named streets at or near Columbian Square:

Chauncey Street

Central Street

Pleasant Street

Union Street

Columbian Street

Fogg Road

Tower Avenue

(On Petition)

(On petition of John Daniele and others) Broad Street Place

GOVERNMENTAL AND ADMINISTRATION CHANGES

ARTICLE 17. (At the request of the Planning Board) To see if the Town will vote to adopt Chapter 211 of the Acts of 1936 now General Laws (Ter. Ed.) Chapter 41, Sections 70 to 81J inclusive which is entitled "An Act providing an improved method of Municipal Planning" and which re-establishes the Planning Board, or take any other action in relation thereto.

ARTICLE 18. (At the request of the Planning Board) To see if the Town will adopt the following regulation as an amendment to the Town By-Laws; "When the Town has accepted a street and immediately enters thereon for the purpose of constructing said street, then the Town shall not be responsible for nor install any wall or other method of holding the land of the abutters in place where the proposed construction will result in a cut not exceeding 4 ft. in mean average height above the center grade of the proposed street," or take any other action in relation thereto.

ARTICLE 19. (At the request of the Planning Board) To see if the Town will adopt the following regulations as an amendment to the Town By-Laws or take any other action in relation thereto.

Section 607A. No new license of any building, structure or land for the keeping, storage, manufacture or sale for public distribution of any of the articles named in General Laws, (Ter. Ed.) Chapter 148, Section 13, as amended, except fireworks, fire crackers and torpedoes, shall be granted by the Board of Selectmen, as local licensing authority of the Town of Weymouth, until the population of said Town of Weymouth shall have reached 25,000 persons as determined by the last State or Federal census.

"Section 607B. At the time when the population of said Town of Weymouth as determined by the last State or Federal census, has reached 25,000 persons. then one new license for the keeping, storage, manufacture or sale for public use or public distribution of any of the articles named in General Laws (Ter. Ed.) Chapter 148, Section 13, as amended, except fireworks, firecrackers or torpedoes, may be issued and thereafter, one new license for each additional 3,000 persons in excess of said 25,000 persons.

ARTICLE 20. (At the request of the Zoning Committee) To see what action the Town will take on the report of the Zoning Committee appointed to study the needs and advantages of zoning in the Town of Weymouth, and to see what sum of money the Town will vote to raise and appropriate to continue the work of said Committee.

ARTICLE 21. To see if the Town will vote to instruct its Selectmen to make regulations governing the taking of eels, all kinds of shellfish and sea worms and for issuing permits therefor conformably to the provisions of the Acts of 1933, Chapter 329 as amended, or take any other action in relation thereto.

ARTICLE 22. (On petition of Everett E. Callahan) To see what action the Town will take relative to the establishment of a Purchasing Department.

ARTICLE 23. (At the request of the Planning Board) To see if the Town will vote to instruct its Representative and Senator in the Legislature to file a petition requesting legislation sufficient to establish a Licensing Board or Commission, said Board or Commission to consist of the Chief of Police, Chairman of the Board of Selectmen and Chairman of the Planning Board or take any other action in relation thereto.

ARTICLE 24. (By Direction of the Selectmen) To see whether the Town will vote to accept the provisions of Chapter 7 of the Acts of 1938 being "An Act authorizing the Board of Public Welfare of Weymouth to appoint a Welfare Agent, and establishing the powers and duties of said Agent;" or take any other action in relation thereto.

SCHOOLS

ARTICLE 25. (On petition of Arthur E. Heinstrom and others) To see what sum of money the Town will vote to raise or borrow and appropriate to erect an eight grade school at the site of the present Center School, corner of Washington and Middle Streets and to see if the Town will vote to authorize the Board of Selectmen to take by purchase, gift or eminent domain in fee whatever land may be necessary for this purpose or take any other action in relation thereto.

ARTICLE 26. (On petition of the Committee to whom was referred the question of addition to the Nevin School) To see what sum of money the Town will vote to raise by loan or otherwise, and to appropriate for the purpose of building and equipping an addition to the Nevin School, the same to be used primarily as an assembly hall and gymnasium or take any other action in relation thereto.

ARTICLE 27. (At the request of the Planning Board) To see if the Town will vote to authorize the Selectmen to acquire by purchase or take by right of eminent domain in fee or otherwise for the benefit of and development of the Athens School property and Athens Street Fire Station the whole or any portion of the land situated on Athens Street between the two above named Town properties, and to see what sum of money the Town will vote to raise or borrow and appropriate for the acquisition of said land and building or take any other action in relation thereto.

MISCELLANEOUS

ARTICLE 28. (By Direction of the Selectmen) To see if the Town will vote to raise and appropriate the sum of \$600 for the purpose of maintaining during the ensuing year the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931, or take any other action in relation thereto.

ARTICLE 29. (By Direction of the Selectmen) To see what sum of money the Town will vote to raise and appropriate to be expended by the Tree Warden for the removal of dead trees, their replacement with new trees and aerating of the soil in the vicinity of Sea and Athens Streets, North Weymouth, such money to be expended only for the purpose specified or take any other action in relation thereto.

ARTICLE 30. (On petition of Weymouth Post No. 79 of the American Legion) To see what sum of money the Town will vote to raise and appropriate for the observance of Armistice Day, or take any other action in relation thereto.

ARTICLE 31. (On petition of the Lovell's Corner Men's Social Club) To see if the Town will vote to raise and appropriate the sum of two hundred dollars for the purpose of celebrating the 4th of July 1938 at the Bradford Hawes Playground or take any other action in relation thereto.

ARTICLE 32. (On petition of the Veterans of Foreign Wars) To see if the Town will vote to instruct its Board of Selectmen to contract with Wessagusset Post No. 1399 of the Veterans of Foreign Wars of the United States for the care and maintenance of certain cemeteries in the Town: namely, Old Cemetery off Park Avenue; Old Cemetery opposite Fairmount Cemetery on Pleasant Street; Old Cemetery on Pleasant Street at Pine Street and one located off Randolph Street, and that the sum of \$400 be raised and appropriated to be paid to Wessagusset Post, V. F. W. No. 1399 for said care of these cemeteries, or take any other action in relation thereto.

ARTICLE 33. (On petition of the North Weymouth Cemetery Association) To see what sum of money the Town will vote to raise and appropriate for resurfacing with asphalt concrete the driveway from North Street to and surrounding the Soldier's Monument located in the North Weymouth Cemetery or take any other action in relation thereto.

You are further required to notify and warn the inhabitants of Weymouth qualified to vote in Town affairs, in case all the articles in the foregoing Warrant shall not have been acted upon at the meeting called for the seventh day of March, to meet in adjourned session at the hall of the Weymouth High School on

WEDNESDAY, THE NINTH DAY OF MARCH, 1938

**RETURN OF SERVICE
COMMONWEALTH OF MASSACHUSETTS
Weymouth, Mass., February 28, 1938**

Norfolk, ss.

Pursuant to the within warrant I have this day notified and warned the inhabitants of Weymouth aforesaid to meet at the respective places and times as set forth in said warrant, by posting true and attested copies of the same in two public places in each voting precinct in said town seven days before the time of holding said meeting.

GAROLD E. KELSO,
Constable of Weymouth.

ANNUAL TOWN MEETING

March 7, 1938

Pursuant to the within warrant the annual meeting of the inhabitants of the town of Weymouth represented by its duly elected and qualified town meeting members, was held at the hall of the Weymouth High School, East Weymouth, on Monday evening, March 7, 1938. 259 town meeting members names being checked by police stationed at the doors for that purpose, out of 322 town meeting members eligible.

The meeting was called to order at 7:48 o'clock in the evening by Daniel L. O'Donnell, annual moderator, who requested the town clerk to read the warrant for the meeting, after reading the call for the meeting, on motion of Burgess H. Spinney, it was voted that the further reading of the articles in the warrant be dispensed with. The town clerk then read the paragraph relating to the time of adjournment, and the last three paragraphs of the warrant and the attestation of the constable who served the warrant.

The Moderator then called upon Rev. Ralph F. Sawyer, Jr., pastor of the Porter Methodist Church of Lovell's Corner, East Weymouth, to invoke the Blessing of the Ruler of the Universe upon the deliberations of this meeting.

Before proceeding to the business of the meeting the following were sworn as Town Meeting Member. Arthur C. Anderson, Roy A. Cass, Harold A. Desmond, Charles A. Dobson, Francis N. Dodge, Forrester Eisenhauer, Ferdinand A. Gosselin, George B. Marden, Leo McCarthy, William P. Morganstern, Vernon O. Neslon, Hebert B. Shaftoe, Willis M. Wight, Toivo E. Matson.

Mr. Frederick J. Coyle, town meeting member from precinct 3 offered the following petition:

We the representatives of the town people of Weymouth in town meeting assembled do hereby petition the United States Government through our duly elected representative, the grant of a Federal Building that would suitably house the Postal facilities of this town. We feel that the construction of such a building would not only provide work, be a measure of sound economy, but due to the centralization of the postal business of this town a building on adequate proportions is necessary in order to efficiently serve the people of this community. Having in mind the interests of the people as a whole, we feel that the question of the location of such a building should be left in the hands of the postal authorities. Their experts have made a study of the conditions and are therefore better qualified to choose the proper site for such a building. We strongly urge your support of this petition and trust that you will see that this town gets proper recognition.

In the event of the adoption of this petition by the meeting, I move that the Town Moderator be authorized to appoint a committee to further action on said petition.

No action was taken on this petition.

ARTICLE 1

Budget

Mr. John W. Field. Secretary of the Appropriation Committee moved: To provide for the salaries, operation and expenses during the fiscal year of the several Town's departments and activities; for certain improvements, and to meet certain requirements of the law, the several sums hereinafter set forth are hereby appropriated for the several purposes and subject

to the conditions hereinafter set forth, all such sums to be raised by taxation in the levy of the current year unless some other source of revenue is specified.

This motion was unanimously tentatively adopted.

- Item 1 Mr. Field moved: For all expenses of the Appropriation Committee. \$ 600.00
Of this sum \$100. is reserved and is not to be used except in case of a special Town Meeting.
This motion was unanimously tentatively adopted.
- Item 2 Mr. Field moved: For salaries and expenses of the Selectmen's Department. \$5,300.00
Of this sum \$4,600. shall be for the salaries of the Selectmen to be divided as follows: \$900. for the Chairman, \$1,600. for the Clerk, and \$700. each for the three remaining members of the Board; \$200. shall be for miscellaneous expenses; \$500. shall be for printing and advertising.
This motion was unanimously tentatively adopted.
- Item 3 Mr. Field moved: For the salary and all expenses of the Town Accountant's Department. \$6,290.00
This motion was unanimously tentatively adopted.
- Item 4 Mr. Field moved: For the salary of the Town Treasurer and all expenses of the Treasurer's Department. \$4,865.00
Mr. George E. Curtin moved as an amendment the following: That the sum of \$125. be added to the Treasurer's Budget for the purchase of a Check Signer. Not a vote.
The motion of the Appropriation Committee was unanimously tentatively adopted.
- Item 5 Mr. Field moved: For the compensation of the Tax Collector and all expenses of the Tax Collector's Department. \$9,577.00
The compensation of the Tax Collector shall be five and one-half mills on each dollar of taxes collected and the Selectmen shall be authorized to insure the Tax Collector in the sum of \$15,000. for Robbery Insurance.
This motion was unanimously tentatively adopted.
- Item 6 Mr. Field moved: For the salaries and all expenses of the Assessors' Department. \$10,719.00
This motion was unanimously tentatively adopted.
- Item 7 Mr. Field moved: For the salaries and all expenses of the Legal Department. \$3,000.00
Of this sum \$100. shall be paid to the Town Counsel for preparing the Annual Town Warrant.
This motion was unanimously tentatively adopted.
- Item 8 Mr. Field moved: For the payment of Damages. \$6,000.00
Of this sum \$3,000. in addition to \$2,000. already set up on the books of the Town shall be paid to the owners of the real estate taken for school purposes in completing the Hunt School grounds.
This motion was unanimously tentatively adopted.

- Item 9 Mr. Field moved: For the salary of the Town Clerk and all expenses of the Town Clerk's Department. \$4,023.00
This motion was unanimously tentatively adopted.
- Item 10 Mr. Field moved: For elections and registrations of voters. \$4,280.00
This motion was unanimously tentatively adopted.
- Item 11 Mr. Field moved: For all expenses of the Engineering Department. \$5,500.00
This sum includes the Town Survey and placing of bound stones on existing Town Ways, the making of street surveys, and such engineering work as may be authorized by the Selectmen.
This motion was unanimously tentatively adopted.
- Item 12 For all expenses of the Planning Board. \$300.00
This motion was unanimously tentatively adopted.
- Item 13 Mr. Field moved: For the maintenance and upkeep of the Town Hall and War Memorials at the Civic Center including the grounds to be expended under the direction of the Selectmen. \$7,828.00
Of this sum \$7,578, shall be raised by taxation in the levy of the current year and the remaining \$250. is hereby appropriated from the balance remaining unexpended under Article 29 of the Annual Town Warrant of 1937; provided that all toll calls of the Water Department and for the agencies set up under Article 2 shall be paid out of their respective appropriations.
Mr. William M. Hughes moved the following two motions:
1st The sum of \$1,500. shall be appropriated for improving the heating system of the Town Hall. This sum shall be taken from the reserve Fund.
2nd. That a committee be appointed to consider plans, costs and specifications for improving the system in the Town Hall, consisting of the Appropriation Committee, the Custodian of the Town Hall, the Janitor of the Town Hall, Mr. Leslie Clough and Mr. Edward C. Pottle.
This committee shall cause to be placed an article in the town warrant and report at the next town meeting.
This committee shall also file the Engineer's report of cost and specifications in the annual town warrant.
The moderator declared the first motion out of order.
The second motion of Mr. Hughes was voted.
The motion as offered by the Appropriation Committee as thus amended was unanimously tentatively adopted.
- Item 14 Mr. Field moved: For the maintenance of the Civil War Soldiers' Monument and the King Phillips War Memorial including the grounds; to be expended under the direction of the Selectmen. \$100.00
This motion was unanimously tentatively adopted.

- Item 15 For the salaries and all other expenses of the Police Department. \$73,471.00
 From this sum provision is made for the disposition of one automobile and the purchase of another.
 This motion was unanimously tentatively adopted.
- Item 16 Mr. Field moved: For the salaries and all other expenses of the Fire Department. \$81,559.00
 The rate of wages and personnel of the permanent men of the Department shall remain as in 1937; \$2,400 shall be for the services of call men at the rate of \$1.00 per hour; \$300. shall be for the rental of church bells as heretofore; \$550. for the renewal of old fire alarm boxes; and \$1,578. for the maintenance of buildings and grounds. In this aggregate amount \$1,300. is provided for the disposition of one automobile and one truck for the fire alarm system and their replacement.
 Mr. Melville F. Cate moved as an amendment: That a committee of five (5) of which the Representative and Senator shall be members shall be appointed by the Moderator instructed to petition the Legislature at this session for legislation creating the position of Commissioner of Public Safety and making such position subject to the Civil Service laws and regulations and providing that the present Chief of the Police Department may be appointed said Commissioner of Public Safety without taking a civil service examination and the Board of Selectmen are hereby instructed not to make any permanent appointments in the position of either Chief of the Fire Department or Chief of the Police Department in the case of any vacancy occurring in either of aforesaid offices until after the enabling legislation to be petitioned for herewith has been finally determined.
 The amendment of Mr. Cate was declared not a vote.
 Mr. William T. Wyman moved to amend: By making the sum for the maintenance of buildings and grounds \$900. instead of \$1,578. This amendment was declared not a vote.
 The motion as offered by Mr. Field of the Appropriation Committee was unanimously tentatively adopted.
- Item 17 Mr. Field moved: For the salary and all other expenses of the Building Inspector's Department. \$1,575.00
 Of this sum \$45. shall be for the Board of Appeal.
 This motion was unanimously tentatively adopted.
- Item 18 Mr. Field moved: For the salary of the Sealer of Weights and Measures and all other expenses of the Department..
 This motion was unanimously tentatively adopted.
- Item 19 Mr. Field moved: For Gypsy Moth and all other insect pest extermination to be expended under the Of this sum \$1,500. shall be used for work on pri-
 direction of the Gypsy Moth Superintendent. \$4,500.00
 vate property for which the Town shall be reimbursed.
 This motion was unanimously tentatively adopted.

- Item 20 Mr. Field moved: For the salary of the Tree Warden and the care of shade trees. \$1,750.00
Of this sum \$250. is allocated for special emergency work.
This motion was unanimously tentatively adopted.
- Item 21 Mr. Field moved: For Street Lighting. 35,673.00
The Electric Lighting Committee is hereby instructed to contract with the Weymouth Light and Power Company for street lighting.
This motion was unanimously tentatively adopted.
- Item 22 Mr. Field moved: For the salary and all other expenses of the Harbor Master. 800.00
This motion was unanimously tentatively adopted.
- Item 23 Mr. Field moved: For the salaries and all other expenses of the Health Department. 15,000.00
Of this sum the following specific appropriations are made: \$1,000. shall be for the supplies and services of dentists; \$450. for the salaries of the elected members of the Board; \$5,600. for the payments as required to the Norfolk County Tuberculosis Hospital; \$1,040. for services of a dental hygienist; \$1,700. shall be for maintenance of the Town Dumps and from this amount \$1,560 shall be for the dump attendant paid at the rate of 62½ cents per hour; and the services and expenses of the Plumbing Inspector and for all plumbing inspections shall not exceed \$1,500.
This motion was unanimously tentatively adopted.
- Item 24 Mr. Field moved: For the employment of Nurses. 2,000.00
The Board of Selectmen are hereby authorized to contract with the Weymouth Visiting Nurse Association the services of one or more nurses in case such services are a proper charge against the Town.
This motion was unanimously tentatively adopted.
- Item 25 Mr. Field moved: For the maintenance of the Norfolk County Tuberculosis Hospital. 16,243.65
This motion was unanimously tentatively adopted.
- Item 26 Mr. Field moved: For Garbage Removal. 4,500.00
The Selectmen are authorized to contract for the disposal of garbage from April 1, 1938 to April 1, 1939; of this total amount \$3,500. shall be raised by taxes in the current year and in addition to this sum the Selectmen may use whatever unexpended balance remains in the existing appropriation from prior years for the same purpose.
This motion was unanimously tentatively adopted.

Motion was offered by the Appropriation Committee that the meeting now take up Article 24 of the warrant. As the By-Laws require all articles relating to the Budget be finished before any other article can be acted upon the Moderator asked unanimous consent of the meeting to take up Article 24 before Item 27 of the warrant, unanimous consent not being given the Moderator appointed as tellers Carlton Chambers, Edward A. Hunt and Olindo Garofalo and they were sworn to the faithful performance of that duty.

The vote being retaken the tellers reported 215 voting in the affirmative and 2 in the negative.

ARTICLE 24 Mr. Field moved: That the Town accept the provisions of Chapter 7 of the Acts of 1938 being "An Act authorizing the Board of Public Welfare of Weymouth to appoint a Welfare Agent, and establishing the powers and duties of said Agent".

At this time Mr. Sandy Roulston for the committee appointed under Item 6, of Article 1 of the warrant for the special meeting held on September 15, 1937, read their report, as follows:

REPORT OF COMMITTEE ON MANAGEMENT OF ALL FORMS
OF PUBLIC RELIEF IN WEYMOUTH, MARCH 7, 1938.

Pursuant to the vote of the Town Meeting Members on Article 1, Item 6 of the Special Town Meeting held September 15, 1937, the Moderator appointed a Committee to study the management of all forms of public relief in the Town of Weymouth.

In conformity with the provisions of the vote cited above, the Committee submits a report of its findings and recommendations, similar to those presented to the Appropriation Committee in December.

That the problem referred to the Committee is one of first magnitude can best be illustrated by pointing out that the cost of public relief in Weymouth for 1937, exclusive of the W. P. A. payroll, was over \$410,000.

The Committee has from the outset been fully cognizant of the responsibility and not unmindful of the public duty developing upon it, and, with due regard for human frailty, has given the question the consideration and forethought commensurate with its importance.

The Committee has incorporated in this report a number of recommendations, which, if carried into effect, will result in a complete reorganization of the Department of Public Welfare.

The Committee entertains the opinion that the existing arrangement of appointing executives each year to conduct the business of the Department of Public Welfare and its related agencies is far from practical, and operates to prevent the shaping of a permanent policy of efficient business administration.

The Committee recommends that all public activities and the activity in connection with the office of the W. P. A. Certifying Agent be under the supervision of one person. It further recommends that the Chief Executive of all branches of relief have the title of Welfare Agent and hold office for a term of three years, ending December 31, excepting however, that the first appointee shall take office not later than April 1, 1938 and serve until December 31, 1940.

The Committee has procured, thru the aid of Sen. Holmes and Rep. Merchant an Enabling Act by the Legislature Chapter 7, Acts of Nineteen Thirty-Eight, which, accepted by the Town, will authorize the Board of Public Welfare to appoint a Welfare Agent for a term of three years.

The Committee finds that the practice of successive Boards of Public Welfare in appointing the heads of the various relief agencies out of their own number has not reacted to the best interest of the Town. The general impression is that appointments, so made, are based on political expediency without regard to the qualifications of the appointees. Believing that the Department of Public Welfare should be removed as far as possible from political influence, this Committee recommends that any person receiving compensation for services to the Town of Weymouth as an elected Town Official be disqualified from holding the office of Welfare Agent or any other office or position within the Department of Public Welfare.

The Committee recommends that the office of W. P. A. Co-ordinator be abolished and that the Welfare Agent, when appointed, shall become by virtue of his office, Secretary of the W. P. A. Committee, and, as such, Certifying Agent of the W. P. A.

This Committee recommends that in the event the person selected to head welfare activities is not, at the time of appointment, a Weymouth resident, the said appointee shall, within ninety days after such appointment become a resident of the Town.

The Committee determined that the calibre of person required for Welfare Agent would be difficult to obtain and hold a salary of less than \$3,000. per year and it recommends a sum be voted for this purpose.

The Committee suggested to the Appropriation Committee that the recommendations herein set forth be incorporated in a motion and presented, by the Appropriation Committee, to this Annual Town Meeting.

Respectively submitted

TIMOTHY G. OSBORN
PAUL A. NEWSOME
DAVID N. CRAWFORD
FREDERICK L. ALDEN
SANDY ROULSTON

Mr. George S. Peterson moved: That if the motion to accept the provisions of the Act, Chapter 7 of 1938, be adopted, that one man and one woman be appointed as investigators.

After quite a long discussion on this question Mr. Robert L. Buchan moved that the main question be now put. So voted.

The question of the acceptance of the provisions of Chapter 7 of the Acts of 1938 was put before the meeting and it was unanimously voted to accept.

Item 27 Mr. Field moved: For Public Welfare. \$180,000.00

Provided that \$2,000. of this sum and \$1,000. of the appropriation under Item 28 aggregating \$3,000. shall be for the salary and all expenses of the Welfare Agent provided the Town votes to accept the provisions of Chapter 7 of the Acts of 1938 establishing the Welfare Agent as the executive Agent of the Board of Public Welfare in all matters of public relief; it is further provided that no member of the Board of Selectmen elected in the current year shall be eligible for appointment as aforesaid Welfare Agent; but that the Board of Public Welfare shall appoint to this position a male citizen qualified by training and experience; provided further that of this aggregate amount \$5,518. shall be for administration divided as follows: \$4,404. shall be for the welfare administration and \$1,114. shall be for administration of aid to dependent children. \$33,000. shall be for aid to dependent children; \$7,070. shall be for all expenses of the Town Infirmary; \$4,000. as compensation to doctors and other medical services rendered; the balance of this appropriation shall be for relief of persons having a legal settlement in the Town or the relief of persons not having a legal settlement in the Town or the reimbursement to other cities and towns for relief provided by them to persons having

a legal settlement in this Town; provided that any portion of the total appropriation for Public Welfare under this Item may be expended for miscellaneous Welfare Items after the Appropriation Committee has approved such expenditure.

Mr. William M. Hughes moved: That the Welfare Agent to be appointed be a citizen of the Town of Weymouth as of March 1, 1938. Not a vote.

Mr. Ernest A. Smith moved: That a committee of 5 be appointed by the Moderator to study the advisability of discontinuing the Town Infirmary.. Not a vote.

The motion of the Appropriation Committee was unanimously tentatively adopted.

- Item 28 Mr. Field moved: For Old Age Assistance under General Laws, (Ter. Ed.) Chapter 118A as amended. \$102,000.00

Of this sum \$1,000. is allocated to and appropriated under Item 27 for salary and expenses of the Welfare Agent set up under Chapter 7 of the Acts of 1938 and who shall be the executive Agent of the Board of Public Welfare in all matters of public relief provided the Town accepts this Act; \$3,529. shall be for administrative expenses; provision is hereby made for two investigators one of whom shall receive \$25. a week and the other \$20. a week; two clerks, one of whom shall receive \$18.50 per week and the other \$14. per week and \$999. shall be for automobile and miscellaneous expenses.

Mr. Everett E. Callahan moved to amend: To strike out that part of the motion as follows: "one of whom shall receive \$25. a week and the other \$20. a week". Not a vote.

The motion of the Appropriation Committee was unanimously tentatively adopted.

- Item 29 Mr. Field moved: For Pensions. 3,000.00

This motion was unanimously tentatively adopted.

- Item 30 Mr. Field moved: For Soldiers benefits, including State and Military Aid, Soldiers' Relief and the burying of Indigent Soldiers and Sailors. 24,000.00

Of this sum not exceeding \$100. is for administrative expenses

This motion was unanimously tentatively adopted.

- Item 31 Mr. Field moved: For the Highway Department. 115,000.00

This sum is to be used for salaries, general maintenance, removal of snow, highway and sidewalk construction and repair, and the purchase and maintenance of equipment. Of this aggregate amount \$4,750. shall be for the purchase of new equipment and \$5,700. for the collection of rubbish; provided further that a Committee of three (3) one of whom shall be the Superintendent of Streets shall be appointed by the Moderator for the purpose of purchasing supplies, materials and equipment and the disposal of old equipment.

This motion was unanimously tentatively adopted.

- Item 32 Mr. Field moved: For the support of the Public Schools. \$426,300.00
 Of this sum \$423,570. shall be raised by taxation in the levy of the current year and \$2,729.39 being the sum received from the County by way of Statutory Distribution of the Dog Tax. is hereby appropriated for the support of the public schools.
 This motion was unanimously tentatively adopted.
- Item 33 Mr. Field moved: For the maintenance of Tufts Library and its branches and other Library purposes. 23,148.00
 Of this sum \$1,941. is appropriated for the Reading Room at the Fogg Library. In this amount the sum of \$250. is appropriated for the supervision of the painting of the Tufts Library as a W. P. A. Project. The income from the several trusts funds of the Town are hereby made available for Library purposes. Not more than \$50. of this appropriation may be expended for the expense of any employee incurred in travel outside the Commonwealth securing information that may tend to improve the service of the Library.
 Mr. John Griffin moved as an amendment: That the sum of \$25,648. be raised and appropriated for the maintenance of the Tufts Library and its branches and that \$1,950. be designated for the Fogg Reading Room from the aforementioned appropriation. This amendment was so voted.
 The motion of the Appropriation Committee as thus amended was unanimously tentatively adopted.
 The amount is \$25,648.
- As Mr. George S. Peterson under Item 27 made a motion and the Moderator never entertained his motion, the Moderator asked unanimous consent of the meeting to retake up Item 27. no objection being heard the Moderator entertained his motion, as follows: I hereby move that the investigators assisting the administrator consist of the following: one woman single, one man married. This motion was declared not a vote.
- Item 34 Mr. Field moved: For the observance of Memorial Day. 800.00
 To be expended under the direction of a Committee of nine (9) to be appointed by the Moderator, who shall designate the Chairman, from the several veteran and hereditary organizations in accordance with the provisions of General Laws (Ter. Ed.) Chapter 40, Section 5, Clause 12 as amended; said amount to be available only in case evidence shall be filed with the Town Accountant that the known graves of the deceased veterans of all wars have been decorated without discrimination.
 Mr. Everett E. Callahan moved as an amendment: That the number of the Committee be 11 instead of 9 as recommended by the Appropriation Committee. This amendment was so voted.
 The motion of the Appropriation as amended was unanimously tentatively adopted.
- Item 35 Mr. Field moved: For Parks and Playgrounds. 6,500.00
 Of this sum \$1,400. is for the salaries of Instructors. This motion was unanimously tentatively adopted.

- Item 36 Mr. Field moved: For Miscellaneous Expenses . \$2,862.79
This motion was unanimously tentatively adopted.
- Item 37 Mr. Field moved: For unpaid bills. 2,519.74
Mr. Everett E. Callahan moved as an amendment that the sum of \$685. be added to the above sum for unpaid bills of the Fire Department making a total of \$3,204.74.
This amendment was so voted.
The motion of the Appropriation Committee as amended was unanimously tentatively adopted.
- Item 38 Mr. Field moved: For Overdrafts under General Laws (Ter. Ed.) Chapter 44, Section 31. 28,708.26
This motion was unanimously tentatively adopted.
- Item 39 Mr. Field moved: For necessary charges and the administration of the contributory retirement system. 23,065.43
Of this sum \$22,765.43 is appropriated to the "Pension Accumulation" and \$300. to the "Expense Fund", of which \$200. shall be for clerical assistance.
This motion was unanimously tentatively adopted.
- Item 40 Mr. Field moved: For the salaries and all expenses of the Water Department. 94,761.00
This sum is to be provided from the revenue of the Water Department; and there is further appropriated from the General Fund of the Water Department \$10,000. for carrying on work for private parties payment for such work to revert to the General Fund of the Water Department.
This motion was unanimously tentatively adopted.
- Item 41 Mr. Field moved: That no action be taken under this item.
This motion was unanimously tentatively adopted.
- Item 42 Mr. Field moved: For the operation of the Alewife Fishery. 350.00
This motion was unanimously tentatively adopted.
- Item 43 Mr. Field moved: For the care of Soldiers' Graves under General Laws (Ter. Ed.) Chapter 115, Section 22, including the placing of new markers and replacing old ones. 1,555.00
The care of the grave markers is hereby given to the Custodian of Soldiers' Graves.
This motion was unanimously tentatively adopted.
- Item 44 Mr. Field moved: For the care of Old Cemeteries under General Laws (Ter. Ed.) Chapter 114, Sections 16 and 18. 200.00
Provided that the Town instruct the Board of Selectmen to contract with Wessagusset Post No. 1399 of the Veterans of Foreign Wars of the United States for the care and maintenance of Old Cemetery off Park Avenue; Old Cemetery opposite Fairmount Cemetery and Pleasant Street, and the one located off Randolph Street, and Old Cemetery off Pleasant Street, opposite Pine Street.
This motion was unanimously tentatively adopted.

- Item 45 Mr. Field moved: For Interest and Discount. \$22,500.00
This motion was unanimously tentatively adopted.
- Item 46 Mr. Field moved: For the Retirement of Bonds and Notes due in 1938. 90,000.00
This motion was unanimously tentatively adopted.
- Item 47 Mr. Field moved: For the Municipal Buildings Insurance Fund. 1.00
This motion was unanimously tentatively adopted.
- Item 48 Mr. Field moved: For Fire and other Insurance 125.00
This motion was unanimously tentatively adopted.
- Item 49 Mr. Field moved: For a Reserve Fund. 35,000.00
This motion was unanimously tentatively adopted.

RIDER

Under Article 1 Mr. Field moved: Provided that all salaries of elected officials shall remain at the same figure as last year except as hereinbefore otherwise set forth and no individual in the employ of the Town shall receive as wages, salary or compensation any greater amount or any increased rate of pay, nor shall any department spend a sum in excess of that expended in the last fiscal year for salaries or clerical hire unless as otherwise set forth herein, nor shall any of the money appropriated under this Article be expended for telephone service in private houses of any town official or employee except in the houses of the Chiefs of the Police and Fire Departments, nor shall any motor vehicles be purchased unless herein specified; nor shall the Board of Selectmen appoint anyone currently elected to the Board of Selectmen to any other position except there is a mandatory statutory authority therefor; nor shall any member currently elected a member of the Board of Selectmen during the year for which he was elected receive any other remuneration, compensation, salary, wages or expense money directly or indirectly for services rendered the Town in any capacity except the amounts provided for him under Article 1, Item 2 of this warrant; provided further that in the event Chapter 7 of the Acts of 1938 providing for the establishment of a Welfare Agent as the executive head of the Board of Public Welfare in all matters of public relief shall be submitted to the voters of the Town at large under the provisions of Section 8 of Chapter 61 of the Acts of 1921 and said voters shall reject said Chapter 7 of the Acts of 1938; in that case and not otherwise; the sum of \$2,000. under Item 27 of Article 1 of this warrant and \$1,000. of the appropriation under Item 28 of Article 1 of this warrant aggregating \$3,000. shall be for the salary and all expenses of the executive head of the Board of Public Welfare in all matters of public relief and all other provisions of the riders of said Items 27 and 28 of Article 1 of this warrant not inconsistent herewith are reaffirmed.

Under Item 31 of Article 1 it was moved: To strike out the appointment of a committee of three be appointed by the Moderator, one of whom shall be the Superintendent of Streets for the purpose of purchasing supplies, materials and equipment and the disposal of old equipment. This motion was declared not a vote.

The motion of the Appropriation Committee (Rider to Article 1) was unanimously tentatively adopted.

Motion: That all motions unanimously tentatively adopted be regularly adopted, and it was unanimously so voted.

Mr. Everett E. Callahan moved: To adjourn until Wednesday evening, March 9, 1938.

The Moderator declared it not a vote. The vote being doubted by seven members, a recount was ordered. On the recount 125 voted in favor of adjournment and 56 voting against adjournment, the motion to adjourn prevailed, adjournment was made at 11:00 P. M.

CLAYTON B. MERCHANT,

Town Clerk

WEDNESDAY, MARCH 9, 1938

The time to which the Annual Town Meeting adjourned having arrived the Moderator called the meeting to order at 8:53 o'clock P.M. and requested Rev. Ralph E. Seaver, Pastor of the Porter Methodist Episcopal Church at Lovell's Corner to invoke Divine Blessing.

Mr. John Griffin moved: To reconsider Article 1 for the purpose of offering a motion under Item 33. So voted. This vote was doubted by more than seven members and a recount was ordered, as two of the tellers appointed at the first meeting were not present the Moderator appointed Timothy G. Osborn and William M. Chance as such and they were sworn to the faithful performance of that duty.

On a recount 113 voted in favor of reconsidering Article 1 and 40 opposed. The motion prevailed.

Mr. Harry Dowd moved: To take up Item 33. .

Prince H. Tirrell moved: To take up the rider at the end of Article 1. These motions were waived.

Kenneth L. Nash moved: That the additional \$2,500. voted the Tufts Library be exempted from provisions of the rider attached to Article 1.

This motion was unanimously voted.

Mr. William D. Parker moved: To amend the rider for Item 33 by exempting step-raise increases adopted prior to this date.

This motion was declared not a vote.

Mr. Field moved: The adoption of Article 1 as amended. It was unanimously voted.

ARTICLE 2. Mr. Field moved: The sum of \$45,000. shall be raised and appropriated for providing co-operation with the Federal Government or other agencies in unemployment relief and other projects of direct or indirect benefit to the Town or its inhabitants which sum together with the unexpended balance of the appropriation made for similar purposes last year, shall be expended under the direction of a Committee consisting of the executive head of the Welfare Department, the Chairman of the Appropriation Committee, the Chairman of the Planning Board, the Chairman of the Park Commissioners, and the Superintendents of School and Street Departments and a representative of the Water Department to be appointed by the Water Board, and provided that not exceeding \$10,000. of this sum shall be used for permanent sidewalk construction and not more than the total sum of \$25. per month may be used as personal expenses of the members of this Committee; and of this sum a sufficient definite amount is allotted for the payment of all outstanding accounts against similar appropriations for last year; and provided further that the executive head of the Welfare Department shall be the certifying officer of the W. P. A. or its successors.

This motion was unanimously voted.

ARTICLE 3. Mr. Field moved: That the Town take no action as the subject matter of this Article is provided for under Article 2.

This motion was unanimously voted.

ARTICLE 4. Under this Article the committee appointed at the Annual Town Meeting of 1937 reported in the Annual Report of 1937 page 109 and offered a supplementary report as follows:

Mr. Moderator:

We the committee appointed by you respectfully submit our report to this town meeting: Re—the purchase of land by the town for widening of Bradford Hawes Playground. Land owned by Mr. Westcott bordering on the southerly side of Bradford Hawes Playground. 77,800 square feet assessed by the Town for \$800. can be purchased by the Town for \$800. and three years taxes at \$20.40 per year or \$861.20.

We recommend purchase by the Town.

Respectfully yours,

JOHN W. THORP, Chairman

RALPH COBB

JOHN W. FRENCH

Voted: That the Committee appointed in 1937 on Bradford Hawes Playground be continued in office 1 year and they insert in the warrant for 1939 for this purchase.

Mr. Roy H. Rosewell for the Committee appointed at the Annual Town Meeting in 1937, in regard to the building a new Fire Station at South Weymouth, made their final report, as follows:

Report of South Weymouth Fire Station Building Committee

Town Meeting Members of Weymouth:

The Building Committee authorized to construct a fire station in South Weymouth by virtue of the motion passed at the Annual Town Meeting held on March 1, 1937, under Article 36 of the warrant of that year herein presents its final report.

The first problem that confronted the Committee was the choice of a site, and after long deliberation the site of the old fire station was chosen, because the Committee felt if it were to recommend and purchase a new piece of property, the additional expense to the Town would be somewhat over \$2,000. and the only advantage that the Committee could see by choosing a new site would be for the purpose of beautification. It did not feel that the efficiency of the department or the protection of the property would be materially increased by a change in location. At the outset, we had an offer of \$50. for the old building, but by shopping around we were able to sell the property for \$110. which sum was turned over to the Town Treasury and is not included in the balance turned over to the Town from the original appropriation.

During the period of construction which started immediately after the contract was awarded, the Committee hired temporary headquarters for the firemen and apparatus at a rental of \$12.50 per week. We had estimated \$400. for temporary headquarters, but we are now pleased to report that the cost was \$287.50. The architect who drew up the plans for the building was C. Francis N. Roberts. and the contractor was W. R. Jacobucci, Inc. of Quincy. The manner in which he did the work justifies the investigation that the Committee made of his qualifications and ability, and at this point the Committee is pleased to commend the co-operation and advice that both the architect and contractor rendered to it.

The contract called for the completion of the building in four months, but due to delays and strikes at the factories where materials were being fabricated, the four months period was somewhat extended. Every member of the Committee took a personal interest in the fulfillment of the contract, and not a day passed but what some member was there to see how the operations were progressing. The Committee specified that the architect was to visit the job at least once a day, and to our knowledge, he lived up to his part of the agreement. The contract did not cover one or two unforeseen difficulties, and hence because of the water conditions of which we were aware, but of which severity we did not understand, we made one or two changes in which the original agreement, namely, increasing the thickness of the basement floor and adding more water-proofing compound to additional concrete construction. During the period that the building has been in use by the Fire Department, we may say that they have a completely dry basement.

Whereafter it was practical and feasible, the Committee saw to it that the sub-contractors were Weymouth business men and that the materials came from Weymouth firms. All the equipment and furnishings that went into the building were purchased in accordance with the statutory provisions governing the same.

During the two years which the Committee has been on this work, 29 meetings were held, and during those meetings changes in the proposed construction were made with the thought uppermost in the minds of the Committee that the building should be erected as inexpensive as possible consistent with the maximum return in efficiency and construction. Thus the Committee made a saving on the disposal of the old building, renting of temporary quarters, the awarding of the contract, the choice of the alternates and the equipment and furnishings. The Committee is more than pleased to state that although they had \$40,000. to spend for a fully completed fire station, that actually \$37,101.39 was expended.

The following as an itemized statement of those expenses.

Appropriation March 1, 1937		\$40,000.00
Contract to R. R. Jacobucci	\$33,380.00	
Commission to C. Francis N. Robert, Architect	2,080.80	
Furniture and Equipment	1,300.39	
Rent of Temporary quarters	387.50	
Furnishings for Temporary quarters	31.56	
Advertising, postage, miscellaneous	21.14	37,101.39
		<hr/>
Balance turned back to the Town on appropriation		\$2,898.61
Proceeds from the sale of old station		110.00
		<hr/>
Total amount to the Town Treasury		\$3,008.61

The building was completed, accepted and dedicated on October 7, 1937.

In conclusion the members of the Committee wish to extend its grateful appreciation to the efficient manner in which the Contractor and architect did their work. The chairman at this time wishes to thank all the members of the Committee for their co-operation that they extended to him during this period and is especially mindful of the excellent piece of work done by the Secretary of the Committee, John E. Horace.

The Committee feels that the opportunity granted to them to serve the Town of Weymouth in this capacity was a pleasing one, and it is their wish that they now be discharged.

Respectfully submitted,

ROY H. ROSEWELL, Chairman
JOHN E. HORACE, Secretary
J. RALPH BACON
DANIEL P. CUMMINGS
JOSEPH A. FERN
CHARLES GRIFFIN
FRANCIS A. GUNN
JULIAN R. MERCHANT
MARSHALL F. SPEAR

On motion of John W. Field, Secretary of the Appropriation Committee, it was voted: That the report of the Committee on the Fire Station at South Weymouth, be accepted with the thanks of the Town, and the Committee discharged.

This was a unanimous vote.

The Committee appointed at the special town meeting held on September 15, 1937, made a report in writing and the Town Clerk requested Mr. Emerson R. Dizer to read the same.

Report of the Traffic Committee appointed by the Town Moderator

1. We recommend the establishment of a permanent Safety Council organized for the purpose of conducting and maintaining a specific program of safety activities designed to prevent automobile accidents in the Town of Weymouth. Members of this committee to be appointed by the Town Moderator for a term of three years, each precinct represented by at least one member, together with the Superintendent of Schools and the Chief of Police.

The automobile accident problem is a serious one which confronts our community along with all others throughout the state and nation, and apart from the terrific toll of life and limb, represents a source of financial loss of our community in that automobile insurance rates are based on the loss experience for each of the various territories throughout the state. With well planned educational programs and consistent effort to improve the accident experience record of our town should have an effect on securing a more favorable rate for our community.

While this monetary value is important, even greater is the necessity for preventing the killing and maiming of our children and citizens through careless and reckless driving of automobiles on the highways of our town.

With the increase of automobile accidents and fatalities throughout the Commonwealth of Massachusetts, the trend clearly indicates the need for attention and concerted action on the part of our entire citizenry in the prevention of such accidents.

2. We recommend that any and all traffic regulations, installation of signs, marking of highways, streets, etc., pertaining the traffic to be supervised and under the direction of the Chief of Police.

3. We recommend as a safety measure and to insure and promote safety in our Town, annual appropriation should be made to improve the lighting of the highways in order that this purpose may be accomplished.

Randolph Street, South Weymouth

4. The Committee recommends that two reflector type of signs be erected on Randolph Street, near Forest Street and Weymouth Great Pond, to show existing dangerous curve.

Independence Square, South Weymouth

5. The Committee recommends that the Town adopt and complete the plan submitted by the Department of Public Works of the Commonwealth of Massachusetts.

Central Street at Pleasant Street, South Weymouth

6. The Committee recommends that a stop sign be placed on Central Street, before entering Pleasant Street.

Forest Street at Columbian Street, South Weymouth

7. The Committee recommends that a stop sign be erected on Forest Street, before entering Columbian Street.

Federal Street at Front Street, Weymouth

8. The Committee recommends that a stop sign be placed on each side of Federal Street before entering Front Street.

Winter Street at Main Street, Weymouth

9. The Committee recommends that a stop sign be placed on each side of Winter Street before entering Main Street.

Broad Street at Front Street, Weymouth

10. The Committee recommends that a stop sign be placed on Broad Street before entering Front Street.

Sterling Street at Front Street, Weymouth

11. The Committee recommends that a stop sign be placed on Sterling Street before entering Front Street.

Hunt Street and Washington Street, Weymouth

13. The Committee recommends that a stop sign be erected on Hunt Street, before entering Washington Street.

Idlewell Blvd. and Wilson Avenue at Commercial Street, East Weymouth

13. The Committee recommends that stop signs be placed on Idlewell Blvd. and Wilson Avenue, before entering Commercial Street.

Academy Avenue and Essex Street at Broad Street, East Weymouth

14. The Committee recommends that stop signs be erected on Academy Avenue and on both sides of Essex Street, before entering Broad Street.

Essex and Lake Streets at Middle Street, East Weymouth

15. The Committee recommends that stop signs be erected on Essex and Lake Streets before entering Middle Street.

Church Street at North Street, East Weymouth

16. The Committee recommends that a stop sign be erected on Church Street, before entering North Street.

Evans Street at Pearl Street, North Weymouth

17. The Committee recommends that a stop sign be placed on Evans Street, before entering Pearl Street.

Columbian Street Main Street to Route 128, South Weymouth

18. The Committee recommends that a sign "NO LEFT TURN" be placed at the intersection of Main and Columbian Streets preventing a left turn by through traffic traveling North on Main Street into Columbian Street.

The Committee also recommends that a sign be placed on Columbian Street at the intersection of Route 128 reading "THROUGH TRAFFIC DO NOT ENTER".

This recommendation is made by the Committee as a safety measure for the children at the Nevin School. This stretch of road is used by through traffic as a short cut and to avoid traffic signals. Traffic should be diverted from this street to the highway (Route 128) which was constructed for the purpose of handling this traffic.

Ralph Talbot Street and Park Avenue, South Weymouth

19. The Committee recommends that a sign "NO LEFT TURN" be placed at Park Avenue at the intersection of Ralph Talbot Street to prevent making a left turn across on-coming traffic.

Church Street at North Street, Weymouth Heights

20. The Committee recommends that a stop sign be placed on Church Street stopping traffic entering North Street.

Washington School, East Weymouth

21. The Committee recommends that this school yard be fenced this year, and other schools on or near heavy traveled ways be fenced as soon as possible.

Broad Street at Masonic Temple, East Weymouth

22. The Committee recommends that NO PARKING should be allowed on the southerly side of Broad Street, between Kaufman's Garage and the Hoffman Residence.

Committee

CHIEF BUTLER
JOSEPH KELLEY
EVERETT T. GARDNER
FRED H. OLIVER

The Committee appointed by the Moderator at the Annual Town Meeting of March 1, 1937, under Article 20 of the warrant, reported as follows:

To the Annual Town Meeting of the Town of Weymouth, March, 1938.

The Committee appointed by the Moderator under authority of the vote upon Article 20 of the warrant at the Annual Town Meeting, March 1, 1937, and as directed by said vote, report as follows:

Nearly one thousand children, in grades one to eight, inclusive, attend school in South Weymouth.

Of these, approximately 350 children, attending the Edward B. Nevin school, are provided with nothing in the way of assembly hall or gymnasium, such as has been provided during the past ten years in other parts of the town.

The same situation also applies to the children attending the Shaw school, which is situated only a few minutes walking distance from the Nevin school, and where more than 170 are in attendance.

The other schools in South Weymouth, the Pratt and Pond schools, with a total attendance of over 450, have excellent assembly halls, but such halls are not suitable for basket ball games.

We recommend that construction as an addition to the Nevin School of an assembly gymnasium, similar in type to those already in use at the High school, the Hunt school and the Bicknell school, of such arrangement that the same may be used for all kinds of meetings and assemblies, for gymnastic and physical training work by the children, and for proper indoor sports and games.

This Committee has had no appropriation with which to pay for professional assistance in making concrete studies of the architectural problems involved, but we have been able to secure without cost to the Town carefully and accurately drawn plans for a gymnasium assembly designed to be erected as an addition to the Nevin school, similar in type and size to the gymnasium at the Bicknell school. We are informed by the School Department that this type of gymnasium best meets the needs for an all round use.

The construction of such proposed addition to the Nevin school has been formally advocated by the Planning Board and by the Parent-Teachers Association of the Nevin school, as well as by the School Department. Such construction should be carried on in the Summer time, when school is not in session. The heating capacity of the boilers at the Nevin school is not sufficient to carry the proposed added load, and a new boiler of sufficient capacity should be installed, preferably before, but in no event after, construction of the addition.

We recommend that the Town Meeting of the current year take proper action looking to the construction of a suitable gymnasium assembly hall at the Nevin school.

Respectfully submitted,

J. WARREN CAMPBELL, Chairman

ALICE E. MOXON, Secretary

PRINCE H. TIRRELL

Under this article Mr. Everett E. Callahan moved: The establishment of a permanent safety council organized for the purpose of conducting and maintaining a specific program of safety activities designed to prevent automobile accidents in the Town of Weymouth, members of this council to be appointed by the Moderator for a term of three years, each precinct represented by at least one member, together with the Superintendent of Schools and the Chief of Police.

This motion was so voted.

Mr. Field moved: That all Committees who have not rendered a final report be continued until the work under their charge is completed.

This motion was so voted.

ARTICLE 5. Mr. Field moved: That the Town Treasurer with the approval of the Selectmen be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning January 1, 1938, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with General Laws, (Ter. Ed.) Chapter 44, Section 17; any debts incurred under this vote to be paid from the revenue of the fiscal year beginning January 1, 1938.

This motion was unanimously voted.

ARTICLE 6. Mr. Field moved: That the Town Treasurer with the approval of the Selectmen be and hereby is authorized on and after January 1, 1939, to borrow such money from time to time in anticipation of the revenue of the fiscal year beginning January 1, 1939 and to issue a note

or notes therefor payable within one year from the date of issue and that any debt or debts incurred under this vote to be paid from the revenue of the fiscal year in which they were contracted.

This motion was unanimously voted.

ARTICLE 7. Mr. Field moved: That there be appropriated from surplus the sum of \$65,000. for the use of the Assessors in determining the tax rate for the year 1938.

This motion was unanimously voted.

ARTICLE 8. Mr. Field moved: That the Selectmen be authorized to sell or otherwise dispose of personal property and any real estate of which the Town has possession or title including all property taken for non-payment of taxes, all such cases of sale to be made by public auction or private sale as the Selectmen may deem for the best interest of the Town and that the Board or Officer in charge of any other Town Department may, with the approval of the Board of Selectmen, sell at public auction or private sale as the Board of Selectmen may approve, any personal property belonging to said Department which in the opinion of said officer or Board in charge of the Department is no longer needed by the Town and which in the opinion of the Selectmen is not needed by any other Town Department.

This motion was unanimously voted.

ARTICLE 9. Mr. Field moved: That the Board of Selectmen be authorized to accept conveyances or mortgages of any real or personal property belonging to persons receiving relief from the Town and to dispose of said property under the provisions of Article 8 of this warrant in such manner as they may judge for the best interest of the Town and where said property is subject to any encumbrances if they consider it for the best interest of the Town to discharge said encumbrances, they are hereby authorized to do so, and the sum of one dollar (\$1.00) be raised and appropriated for the purpose of discharging any encumbrances.

This motion was unanimously voted.

ARTICLE 10. Mr. Field moved: That the Town accept the report of the Selectmen laying out Newbert Avenue and Newbert Circle and that the sum of \$1,450. is hereby appropriated for the purpose of working of said Streets such work to be performed by the Street Department who are authorized to build any bridges, drains or conduits, and the Board of Selectmen is authorized to secure any easements which may be necessary, and may accept deeds of any reservation strips existing in connection with any of said Streets.

Mr. Francis A. Gunn moved: That the naming of these Streets be referred to the Planning Board. This motion was so voted.

The motion of the Appropriation Committee as amended was so voted.

Under this article Mr. Everett E. Callahan moved: That the subject matter of this article insofar as it refers to Gibbens Street, be referred to the agency set up under Article 2 of this warrant and that this agency be requested to complete this project in the current year.

This motion was so voted.

ARTICLE 11. Mr. Field moved: That the sum of \$16,000. is hereby raised and appropriated for work on Commercial, North and/or Norton Streets and proceeding in a general northerly direction provided that the State or County under General Laws (Ter. Ed.) Chapter 90 will pay a sum of money proportionate to the cost of construction under the provisions of said Chapter; provided that this work shall be performed by the

Street Department; and provided that the Board of Selectmen is authorized to acquire by gift or purchase or take by right of eminent domain in fee or otherwise for all purposes of a public street or highway in and over said streets and that authority is hereby given for building any bridges, drains or conduits, or securing any easements which may be necessary and that the Board of Selectmen is authorized to accept deeds of any reservation strips existing in connection with said Streets; and provided further that all damages resulting or occasioned by the construction shall be a charge against the sum appropriated.

This motion was unanimously voted.

ARTICLE 12. Mr. Field moved: That the sum of \$475. is hereby appropriated for the purchase of a piece of property at the corner of Pine and Pleasant Streets described as follows:

"Beginning at a point on the southeasterly side line of Pleasant Street distant 229.98 feet northeasterly from a point of curvature in said side line thence running in a general southeasterly direction by a tangent curve to the right with a radius of 15. feet a distance of 94.29 feet to the westerly side line of Pine Street; thence turning and running northerly by said side line of Pine Street a distance of 60.69 feet to a point of curvature of the corner curve forming the junction of said westerly side line of Pine Street with said southeasterly side line of Pleasant Street; thence running in a general northwesterly direction by a tangent curve to the left with a radius of 10.00 feet a distance of 20.95 feet to said side line of Pleasant Street; thence turning and running southwesterly by said side line of Pleasant Street a distance of 60.69 feet to the point of beginning, containing 1,321 square feet more or less, and all shown on a "Plan showing proposed widening of Pleasant and Pine Streets, Weymouth, Mass." made by Russell H. Whiting, Town Engineer, dated December 13, 1937, recorded herewith and made a part of this record." And the Board of Selectmen are hereby authorized to take a deed of the above described property in the name and behalf of the Town.

This motion was unanimously voted.

ARTICLE 13. Mr. Field moved: That the Committee be continued.

This motion was so voted.

ARTICLE 14. Mr. Field moved: That the subject matter of this Article be referred to the Agency set up under Article 2 of this warrant.

Mr. Melville F. Cate moved as an amendment: That the Board of Selectmen be instructed to take the necessary action to complete and secure reconstruction of Forest Street in accordance with the Provisions of General Laws (Ter. Ed.) Chapter 90 Section 34.

This amendment was so voted.

The motion of the Appropriation Committee as amended was so voted.

Under this article Mr. William R. Dasha moved: That part of the article relating to North Street near the corner of Neck and Pearl Streets be carried through this year. This motion was unanimously voted.

ARTICLE 15. Mr. Field moved: That the subject matter of this Article be referred to the Agency set up under Article 2 of this warrant.

Mr. William A. Ferguson moved: To complete the sidewalk on the easterly side of Pleasant Street from Pratt School to Lovell's Corner. Not a vote.

Mr. William T. Wyman moved: To complete a sidewalk on the west side of Middle Street from Circuit Avenue to Washington Street. Not a vote.

Mr. Everett E. Callahan moved: That all sidewalks be continued under a program submitted by the School Committee. Not a vote.

Mr. Karle Lovell moved: That all sidewalk construction work be done evenly in each ward as near as possible. This motion was so voted.

The motion of the Appropriation Committee as amended by Mr. Lovell's motion was so voted.

ARTICLE 16: Mr. Field moved: That the subject matter of this Article be referred to the agency set up under Article 2 of this warrant.

Mr. James F. Towle moved as an amendment: That the construction or reconstruction of drains on Union Street from near the "Old School to the Rockland line" be completed this Spring. This amendment was so voted.

The motion of the Appropriation Committee as amended was so voted.

ARTICLE 17. Mr. Field moved: That the Town take no action upon this article. This motion was so voted.

ARTICLE 18. Mr. Field moved: That the By-Laws as set forth in this article be adopted as follows:

"When the Town has accepted a street and immediately enters thereon for the purpose of constructing said street, then the Town shall not be responsible for nor install any wall or other method of holding the land of the abuttes in place the proposed construction will result in a cut not exceeding 4 ft. in mean average height above the center grade of the proposed street."

Mr. Everett E. Callahan moved: That no action be taken under this article. This motion was so voted.

Mr. Field moved reconsideration of this vote. Not a vote.

The motion as carried on Mr. Callahan's motion nulls the motion as offered by the Appropriation Committee.

ARTICLE 19. Mr. Field moved: That a Committee of three (3) be appointed by the Moderator to study the subject matter of this article and report to the Board of Selectmen on or before the first day of January 1939 and that this report be published in the 1938 Annual Town Report.

This motion was so voted.

ARTICLE 20. Mr. Field moved: That the Committee (Zoning) be continued for further study of this subject and that a sum of money not exceeding \$50. be provided for this purpose.

Mr. William D. Parker moved: To add the sum of \$950. for this Article making a total of \$1,000. So voted.

The motion of the Appropriation Committee as amended was so voted.

ARTICLE 21. Mr. Field moved: That the Town instruct the Board of Selectmen to make regulations governing the taking of eels, all kinds of shellfish and sea worms and for issuing permits therefor conformably to the provisions of the Acts of 1933, Chapter 329 as amended.

This motion was so voted.

ARTICLE 22. Mr. Field moved: That the Town take no action on this article.

Mr. Everett E. Callahan moved as a substitution motion: That there be and is hereby established in the Town of Weymouth a department of purchases and, further, that the sum of \$2,300. is hereby raised and appropriated for the salary and all expenses of said department for the remainder of the fiscal year, the salary to be at the rate of \$2,500. per year. The

Board of Selectmen are hereby authorized to appoint a purchasing agent for a period of three years commencing April 1, 1938. They are hereby instructed, with the advice of the committee of three appointed by the Moderator at the last special town meeting, to formulate rules and regulations for the proper and efficient maintenance of said department.

This substitute motion was declared not a vote.

The motion of Appropriation Committee was so voted.

Under this article the Committee appointed by the Moderator to study the cost and maintenance of a purchasing department in the town of Weymouth, read their report, as follows:

To the Annual Town Meeting and to the Citizens of Weymouth.

Your committee appointed by the Moderator to study the cost of the maintenance of a purchasing department in the Town of Weymouth reports as follows:

First, it was found that no Town comparable in size in the Commonwealth had a bona fide purchasing agent, i.e., a man paid a sufficient salary to be of a status other than a clerk. It was therefore not possible to get figures from the experience of another town.

It was learned, however, from a State Auditor that from experience with cities, the minimum cost of operation of a purchasing department was approximately \$5,000. and that above a purchase volume of \$500,000. the cost was approximately 1% of the purchases.

We feel that such a department in the Town of Weymouth would consist of the purchasing agent and a clerk. We believe that the salary of purchasing agent would be between \$2,500. and \$3,500. per year. For the purpose of our figuring we will therefore take the figure halfway between the high and the low \$3,000. We believe the salary of the clerk would be \$1,000. stationery and supplies, \$125. We are not setting any figure for additional equipment of desks, files, or a charge for office space inasmuch as the former is not a recurring expense, and the latter would be a book-keeping entry and probably not an additional expense to the Town.

We therefore estimate the cost of maintenance of a purchasing department for the Town of Weymouth at the present time to be \$4,125.

Respectively submitted,

ALBERT VINAL
CARLTON CHAMBERS
WILLIAM A. HODGES

Committee.

January 31, 1938.

Your Committee has given the question of the advisability of hiring a purchasing agent for our Town careful consideration, and has done much investigation outside of its meetings, contacting individuals in State Departments as well as others not acting in an official capacity but who have had long experience in dealing with Towns and Cities both with and without purchasing agents. It has tried to get its information from all sources so that it might consider the question fairly from all angles.

In analysing the expenditure of the Town for materials which the purchasing agent could purchase, we find that the total amount expended for the year 1936, including W. P. A. is approximately \$171,000. This is broken down among the six major departments as follows:

		Total spent for materials
Police Department		\$6,500.00
Of this total, the items below account for:		
New equipment	\$3,400.00	
Gas and Oil	700.00	
Fuel	325.00	\$4,425.00
	<hr/>	
Fire Department		\$12,500.00
Of this total, the items below account for		
Hose	\$2,000.00	
Major repairs	3,400.00	
Fuel	1,500.00	\$6,900.00
	<hr/>	
Street Department		\$49,000.00
Of this total, the items below account for:		
Asphalt	\$14,000.00	
Pipe	1,000.00	
Gas and Oil	4,000.00	
Fuel	400.00	
New Equipment	4,000.00	
Road Oil	14,000.00	\$37,400.00
	<hr/>	
W. P. A.		\$20,000.00
Of this total, the items below account for:		
Road Oil		\$7,500.00
Schools		\$49,000.00
Of this total, the items below account for:		
Fuel	\$12,800.00	
Books and Supplies	16,000.00	\$28,800.00
	<hr/>	
Water Department		\$26,250.00
Of this total, the items below account for:		
Pipe and Meters	\$7,950.00	
Chemicals	2,250.00	
Fuel	900.00	
Gas and Oil	2,000.00	
New Equipment	2,100.00	\$15,200.00
	<hr/>	

This makes a total expenditure by these six departments of \$163,250. leaving but \$7,750. spent for all other departments in the Town.

Of this \$163,250. spent by these six departments, the twenty classifications above specified account for \$100,225. leaving a balance to be spent for miscellaneous items in these six departments of \$63,025. This added to the \$7,750. spent by all of the other departments, makes a total of \$70,755. worth of miscellaneous material to be purchased.

Inasmuch as the total spent by the Town for purchased materials is only approximately \$171,000. per year, and even of this \$171,000. \$100,225. is classified above, and in view of the fact that the minimum yearly cost of maintaining a purchasing department would be \$4,000. we do not feel that a purchasing agent could save enough for the Town to even offset the cost of his department.

ARTICLE 23. Mr. Field moved: That the Town take no action on this article.

This motion was so voted.

ARTICLE 24. acted upon on March 7, 1938..

ARTICLE 25. Mr. Field moved: That the Town take no action on this article.

This motion was so voted.

ARTICLE 26. Mr. Field moved: That the sum of \$1,000. is hereby raised and appropriated for the purpose of preparing plans and securing bids for the building and equipping of an assembly hall and gymnasium to the Nevin School, said sum to be expended under the direction of a Committee to be composed of the present Committee (J. Warren Campbell, Alice E. Moxon, Prince H. Tirrell) the Superintendent of Schools and the School Committee who shall report back to the Board of Selectmen by the fifteenth day of December, 1938.

This motion was so voted.

ARTICLE 27. Mr. Field moved: That the Town take no action under this article.

This motion was so voted.

ARTICLE 28. Mr. Field moved: That the Town raise and appropriate the sum of \$600. for the purpose of maintaining, during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

This motion was so voted.

ARTICLE 29. Mr. Field moved: That the Town raise and appropriate the sum of \$1,000. to be expended by the Tree Warden for the purpose specified in this article.

This motion was so voted.

ARTICLE 30. Mr. Field moved: That the sum of \$200. be raised and appropriated for the observance of Armistice Day to be expended under the direction of a Committee of three (3) to be appointed by the Moderator.

This motion was so voted.

ARTICLE 31. Mr. Field moved: That the Town take no action on this article.

Mr. Everett E. Callahan moved to amend: That the sum of \$200. be raised and appropriated for the purpose of celebrating the Fourth of July at the Bradford Hawes Playground and, further that the Lovell's Corner Men's Social Club is hereby authorized to contract bills not to exceed \$200. for the purpose specified.

This amendment was declared not a vote.

The motion of the Appropriation Committee was so voted.

ARTICLE 32. Mr. Field moved: That the Town take no action on this article its subject matter having already been provided for. (Item 44 of Article 1).

This motion was so voted.

ARTICLE 33. Mr. Field moved: That the subject matter of this article be referred to the Agency set up under Article 2 of this warrant.

This motion was so voted.

Mr. John W. Field, Secretary of the Appropriation Committee thanked Mr. Francis E. Whipple Jr., for the installation of the two loud speakers, so that the persons in the rear of the hall could hear the motions as stated by him.

The meeting was declared adjourned without date at 10:40 p.m.

CLAYTON B. MERCHANT,
Town Clerk

ANNUAL TOWN MEETING

Summary of Expenditures

March 7 - 9, 1938

EDWARD P. MURPHY,
JOHN F. REARDON,
LAWRENCE CORRIDAN,
CLAYTON B. MERCHANT,
Registrars of Voters.

PETITION FOR RECOUNT

Weymouth, Mass., March 15, 1938.

To the Registrars of Voters of the Town of Weymouth

We, the undersigned voters of the Town of Weymouth, have reason to believe and do believe that the records, or copies of records, made by the election officers of all the precincts in said town are erroneous in this respect:

That votes cast for Joseph A. Fern to the office of Selectmen were not properly tabulated for him by the election officers and believe that a recount of all votes cast for Selectmen in said town will effect his election as a member of said Board of Selectmen.

We, therefore, pray that a recount of all the votes cast for the office of Selectmen be made by the Board of Registrars of Voters.

Burgess H. Spinney, 134 Hawthorne St.
 Benjamin B. Sylvester, 1267 Commercial St.
 Augustine J. Curtin, 37 Riley Ave.
 James A. Knox, 412 Broad St.
 Robert G. Banta, 119 Iron Hill St.
 John H. Moran, 306 Middle St.
 Daniel Reidy, 1200 Pleasant St.
 George S. Madigan, 118 High St.
 Harold W. Sullivan, 493 Pleasant St.
 John M. Welsh, 576 Broad St.

Weymouth, Mass., March 15, 1938.

Then personally appeared John H. Moran, one of the above subscribers and made oath that the above statement subscribed by him to be true to the best of his knowledge and belief.

CLAYTON B. MERCHANT,
 Justice of the Peace.
 My Commission expires August 9, 1940.

Recount for Selectmen

**COMMONWEALTH OF MASSACHUSETTS
WARRANT FOR SPECIAL TOWN MEETING**

Norfolk, ss.

To The Constables of the Town of Weymouth in said county.
GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in town affairs to meet in the hall of the Weymouth High School on

FRIDAY, the NINTH DAY OF SEPTEMBER, 1938

at seven o'clock and forty-five minutes in the evening, then and there to act on the following article, namely:

ARTICLE 1. BY DIRECTION OF THE SELECTMEN: To see what sum of money the Town will vote to raise by Federal grant or loan or both and appropriate for the purpose of constructing a system of mains, drains and common sewers for the disposal of sewage and to enable the Town to issue notes, bonds or script for the purpose of defraying the expense thereof and to determine how and under whose direction the money shall be expended, or take any other action in relation thereto.

You are directed to serve this warrant by posting a true copy thereof, attested by you in writing, in each of two public places in each voting precinct in said town, seven days at least before the date of holding said meeting.

Hereof fail not, make due return of this warrant with your doings thereon to the Town Clerk of said town on or before the thirty-first day of August, 1938.

Given under our hands at Weymouth this twenty-ninth day of August in the year of our Lord, One Thousand Nineteen Hundred and Thirty-eight.

SANDY ROULSTON, Chairman
EVERETT E. CALLAHAN, Clerk
JOSEPH CREHAN
GEORGE E. LANE
RALPH P. BURRELL

A true copy, Attest:

GAROLD E. KELSO,
Constable of Weymouth.

**RETURN OF SERVICE
COMMONWEALTH OF MASSACHUSETTS**

Weymouth, August 30, 1938

Norfolk, ss.

I have this day served the within warrant by posting a true copy attested by me in writing in each of two public places in each precinct in said town of Weymouth seven days before the time of holding said meeting.

GAROLD E. KELSO,
Constable of Weymouth.

SPECIAL TOWN MEETING

September 9, 1938.

Pursuant to the within warrant a special meeting of the inhabitants of the Town of Weymouth, represented by its duly elected Town Meeting Members, was held at the hall of the Weymouth High School, this ninth day of September 1938. 219 Town Meeting Members names being checked at the doors out of 343 Town Meeting Members eligible.

The meeting was called to order at 7:50 o'clock by Daniel L. O'Donnell, annual moderator, who requested the Town Clerk to read the warrant for the meeting, after reading the warrant the Town Clerk read the attestation of the Constable who served the warrant.

The Moderator requested Mr. Benjamin B. Sylvester, a Town Meeting member to invoke divine blessing upon the deliberations of this meeting.

Before proceeding to the article in the warrant the following were sworn as Town Meeting Members by the Moderator: Percival A. Ames, Nils E. Anderson, Gertrude C. Andrews, Charles F. Butler, Arthur G. Burkett, Melville F. Cate, Francis R. Cashman, Everett E. Callahan, Frank M. Chubbuck, George C. Cleaves, Jr., Carlton Chambers, Harold A. Condrick, John H. Coffey, John F. Condon, Charles A. Coyle, Daniel P. Cummings, Alice J. Daley, Richard Dorey, Laughton S. Dasha, Sidney DeBoer, Wallace H. Drake, William A. Ferguson, Everett E. Frost, John L. Gallant, Henry F. Godin, Lyman C. Goodrich, Francis A. Gunn, Frank W. Holbrook, William M. Hughes, Walter B. Heffernan, Donald D. Hunt, Edward A. Hunt, George J. Husband, John W. Hedden, Frank G. Hale, Jr., Ralph H. Haskins, Leslie W. Hebert, Arthur H. Hewson, Frank H. Holmes, Elizabeth M. Houghton, Winstead A. Howe, Irving E. Johnson, Francis X. Kelly, Ralph A. Klingman, Joseph W. Kohler, George E. Lane, Carl B. Lindquist, Archibald McLelland, William H. Mills, Kenneth A. Martin, Timothy McCarthy, John E. McDonald, Andrew T. Moore, James R. Mitchell, Bradford Mathewson, Frederick V. Nolan, Arthur I. Negus, Kenneth L. Nash, Marion L. Nash, Joseph Nosiglia, Timothy G. Osborne, Robert B. Palmer, Murray G. Parker, Charles H. Putnam, Elizabeth M. Pruden, George E. Pruden, William M. Reamy, Daniel Reidy, Charles J. Rogers, Sandy Roulston, George Reed, William Ralph, John Salzgeber, Alston A. Shaw, Roland M. Smith, Raymond E. Stein, Winifred L. Stowell, Jr., Arthur R. Taylor, Reginald P. Tirrell, Russell D. Tufts, Cedric D. Watson, Fred W. Webb, Egbert V. Warren, Thomas Wallace, Clarence Wickerson, Walter L. Wilson, George M. Winters.

ARTICLE 1. Mr. John W. Field, Secretary of the Appropriation Committee moved: No Action be taken under this article.

Mr. Everett E. Callahan moved as a substitute motion:

"For the purpose of constructing a system or systems of mains, drains and common sewers in accordance with the provisions of the Acts of 1934, Chapter 47 and to enable the Town to secure the benefits of funds granted by the Federal Government under the Public Works Administration Act of 1938, there be raised and appropriated the sum of \$500,000. and the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of \$275,000. and to issue bonds or notes of the Town therefor, under authority of and in accordance with the provisions of Chapter 50 of the Acts of 1938, said bonds or notes to be payable in not more than 30 years at such term and maximum rate of interest as may be fixed by the Emergency Finance Board. All moneys received by way of grant from the Federal Government on account of this project shall be applied first to meet the cost of construction hereof and any balance shall be applied to the payment of the loan herein authorized. The Selectmen or Sewer Commissions are hereby authorized and directed to accept on behalf of the Town, for use in carrying out such a project, a Federal grant of money, pursuant to the Public Works Administration Appropriation Act of 1938; and the Sewer Commissioners are authorized

to proceed with the construction of said project and to enter into all necessary and proper contracts and agreements in respect thereto, all subjects to applicable Federal regulations; and the Selectmen and Sewer Commissioners are authorized to do all other acts and things necessary or convenient for obtaining said grant, working said loan, and constructing said project and the sewer Commissioners shall allow and approve the payment of such sums of money as the Town Counsel may find necessary for legal services performed by him or by his assistants on this project and upon such approval payments shall be made by the Town Treasurer of the sums so approved from the fund set up by the Town for the payment of damages and in accordance with the provisions of Section 5 of Chapter 47 of the Acts of 1934 the Town shall pay not less than two-thirds of the whole cost of said system, and it is further voted that in determining that proportion of the cost to the abutting land owners for said system the Sewer Commissioners shall use a method according to the frontage of such land on any way in which a sewer is constructed and according to the area of such land within eighty feet of such way provided the Town is not empowered by appropriate legislation at any time to pay the entire cost of said system: Provided further that the Moderator shall appoint a Committee consisting of the Senator to the General Court, the Representative to the General Court, the Town Counsel and two other citizens to petition the Legislature of 1939 for legislation permitting the Town to pay the entire cost of the system or systems of sewerage and sewerage disposal to be constructed now or hereinafter.

After 2 hours of debate on the question of sewerage pro and con Mr. Francis A. Gunn moved the previous question, So Voted:

The question of Mr. Callahan's substitute motion was then put before the meeting, as a two-thirds vote was necessary, the Moderator appointed Carlton Chambers, William A. Hodges and Frank G. Hale, Jr. as tellers, they were sworn as such by the Moderator.

The result of the count showed:

47 voted in favor — 149 voted against the motion.

Voted at 9:55 to adjourn.

CLAYTON B. MERCHANT,
Town Clerk.

WARRANT FOR PARTY PRIMARY

The Commonwealth of Massachusetts

Norfolk County, ss.

To either of the Constables of the Town of Weymouth

Greeting:

In the name of the Commonwealth you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in Primaries to meet in the polling places of their respective Precincts, to wit:

In Precinct 1 in the Bicknell School Hall;

In precinct 2 in the G. A. R. Hall on Commercial Street;

In precinct 3 in the Hunt School Gymnasium Hall, Broad Street;

In precinct 4 in the building of the Citizen's Association Inc. on Front Street.

In precinct 5 in the building of the Pond School, Pond Street;

In precinct 6 in the new Ward 2 Fire Engine House, on the northerly side of Broad Street, which place has been duly designated as the polling place of precinct 6 in accordance with chapter 54 of the general laws;

In precinct 7 in the Lovells Corner Improvement Association Building on Washington Street;

In precinct 8 in the Weymouth Heights Club Building on North Street;

In precinct 9 in the Fire House located in that precinct on Pleasant Street;

Tuesday, the Twentieth day of September, 1938
at 12 o'clock M., for the following purposes:

To bring in their votes to the Primary Officers for the nomination of Candidates of Political Parties for the following offices:

Governor for this Commonwealth.

Lieutenant Governor for this Commonwealth.

Secretary of the Commonwealth for this Commonwealth.

Treasurer and Receiver General for this Commonwealth.

Auditor of the Commonwealth for this Commonwealth.

Attorney General for this Commonwealth.

Representative in Congress for the thirteenth congressional district.

Councillor for second Councillor District.

Senator for Norfolk and Plymouth Senatorial District.

Representative in The General Court for Fifth Norfolk Representative District.

District Attorney for the Southeastern District.

County Commissioner (1) for Norfolk County.

Sheriff for Norfolk County.

Two Delegates to the State Convention of the Democrat Party.

Twenty Delegates to the State Convention of the Republican Party.

One Delegate to the Union Party.

All the above candidates are to be voted for upon one ballot.

The polls will be open from 12 noon to 8 P. M.

And you are directed to serve this warrant by posting attested copies thereof 7 days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk on or before the 13th day of September 1938.

Given under our hands this 12th day of September A. D., 1938.

RALPH P. BURRELL
EVERETT E. CALLAHAN
JOSEPH CREHAN
SANDY ROULSTON
GEORGE E. LANE

Selectmen of Weymouth.

A true copy, Attest:

GAROLD E. KELSO, Constable.

September 13, 1938.

RETURN OF SERVICE
COMMONWEALTH OF MASSACHUSETTS
Weymouth, September 13, 1938

Norfolk, ss.

I have this day served the within warrant by posting a true copy thereof attested by me in writing in each of two public places in each voting precinct in said town of Weymouth seven days at least before the time of holding said meeting.

GAROLD E. KELSO, Constable of Weymouth.

CLAYTON B. MERCHANT,
Town Clerk.

WARRANT FOR SPECIAL TOWN MEETING
COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To the Constables of the Town of Weymouth in said County,
GREETING:

In the name of the Commonwealth of Massachusetts you are hereby
required to notify and warn the inhabitants of Weymouth aforesaid

qualified to vote in town affairs to meet in the hall of the Weymouth High School on

FRIDAY, THE FOURTEENTH DAY OF OCTOBER, 1938

at seven o'clock and forty-five minutes in the evening then and there to act upon the following articles, namely:

BUDGET

ARTICLE 1. To see what sums of money the Town will vote to borrow or transfer and appropriate for the salaries, operation and expenses during the remainder of the current fiscal year of each of the following Town Departments and activities, to wit:

RELIEF ACTIVITIES

1. For the Payment of Damages.
2. For Public Welfare
3. For Old Age Assistance
4. For Aid to Dependent Children.

and to determine in each case how and under whose direction the money shall be expended, to impose any conditions and restrictions thereon which the Town may see fit; to determine what, if any, sums so appropriated shall remain available after December 31, 1938; to fix the terms and conditions of any loan or loans authorized to procure any of such funds and to authorize the issue of bonds or notes for the same, and fix the term and rate of interest of any such bonds or notes; and to impose such conditions upon the drawing of compensation from the Town as the Town may see fit; or take any other action in reference to any of the foregoing subjects.

ARTICLE 2. To see what further sum of money the Town will vote to borrow or transfer and appropriate for providing co-operation with the Federal Government in unemployment relief and other projects of direct or indirect benefit to the Town or its inhabitants or take any other action in relation thereto.

You are hereby required to notify and warn said inhabitants of Weymouth qualified to vote in town affairs, in case all the articles in the foregoing warrant shall not be acted upon at the meeting called for the fourteenth day of October, to meet in adjourned session at the hall of the Weymouth High School on

MONDAY, THE SEVENTEENTH DAY OF OCTOBER, 1938

at seven o'clock and forty-five minutes in the evening then and there to act upon such of the foregoing articles as shall not have been acted upon on October fourteenth or action upon which may at said meeting of October fourteenth have been deferred until said adjourned session.

You are directed to serve this Warrant by posting a copy thereof, attested by you in writing, in each of two public places in each voting precinct in said Town, seven days at least before the time for holding the first meeting called for in this warrant.

Hereof fail not, make due return of this warrant with your doings thereon to the Town Clerk of said Town on or before the sixth day of October, 1938.

Given under our hands at Weymouth this third day of October in the year of our Lord Nineteen hundred and Thirty-eight.

SANDY ROULSTON
EVERETT E. CALLAHAN
JOSEPH CREHAN
GEORGE E. LANE
RALPH P. BURRELL

Selectmen of Weymouth.

A true copy, Attest:

GEORGE J. BUTLER, Constable

SPECIAL TOWN MEETING

October 14, 1938

Pursuant to the within warrant a special meeting of the inhabitants of Weymouth, represented by its duly elected and qualified Town Meeting Members was held in the hall of the Weymouth High School, this fourteenth day of October, 1938. 116 Town Meeting Members names being checked by police stationed at the doors for that purpose out of 343 members eligible.

The meeting was called to order at 7:50 o'clock in the evening by Daniel L. O'Donnell, Annual Moderator, who requested the Town Clerk to read the warrant for the meeting, he also read the attestation of the constable who served the warrant.

The Moderator requested Rev. Joseph R. Newton, pastor of the Congregational Church of East Weymouth to invoke the blessing of the Ruler of the Universe upon the deliberations of this meeting.

One Town Meeting Member was sworn as such.

BUDGET

ARTICLE 1. Mr. John W. Field, secretary of the Appropriation Committee moved: To provide for the salaries, operation and expenses during the balance of the fiscal year of the several Town Departments and activities, for certain improvements and to meet certain requirements of the law, the several sums hereinafter set forth are hereby appropriated for the several purposes and subject to the conditions hereinafter specified, all such sums to be transferred from surplus, unless some other source of revenue is indicated. So Voted.

Item 1 Mr. Field moved: No action. So voted.

RELIEF ACTIVITIES

Item 2 Mr. Field moved: For public welfare \$14,000.00

Of this sum \$9,000. is to be used for the reimbursement to other cities and towns for relief provided by them to persons having a legal settlement in this town and \$5,000. shall be for relief of persons having a legal settlement in the Town or the relief of persons living in the town not having a legal settlement here and no part of this entire appropriation shall be used for administrative or miscellaneous expenses. Mr. Everett E. Callahan moved as an amendment: That a committee of three (3) be appointed by the Moderator, none of whom shall hold an official or semi-official town position, said committee to make a study of all types of relief and report to the next annual town meeting. For the defraying of necessary expenses, the sum of \$50. shall be set aside in the Welfare Fund. Mr. Harry J. Dowd moved an amendment by appropriating from the surplus revenue the sum of \$500. for this purpose. Mr. Callahan accepted the amendment of Mr. Dowd and thus became a part of his motion. This amendment was put before the meeting and it was so voted.

The motion of the Appropriation Committee as thus amended was so voted.

- Item 3 Mr. Field moved: For Old Age Assistance \$15,000.00
 Of this entire sum no portion shall be used for administrative purposes or miscellaneous expenses.
 Mr. Everett E. Callahan moved as an amendment:
 That the sum be \$20,000. instead of \$15,000.00.
 Not a vote.
 The motion of the Appropriation Committee was so voted.
- Item 4 Mr. Field moved: For Aid to Dependent Children \$4,000.00
 Of this entire sum no portion shall be used for administrative or miscellaneous expenses.
 Mr. Everett E. Callahan moved as an amendment:
 That the sum be \$6,000. instead of \$4,000. Not a vote.
 The motion of the Appropriation Committee was so voted.
 Mr. Field further moved: And provided further that the Town go on record with a recommendation to the Board of Public Welfare that they take such action as may be necessary to further reduce the costs to the Town for its Public Relief Activities. So voted.

ARTICLE 2. Mr. Field moved: No action.

Mr. Everett E. Callahan moved: For the purpose of carrying on W.P.A. Activities until April 1, 1939 that one person be appointed by the present W.P.A. Committee at a salary of fifty (\$50.00) dollars per week said appointee shall replace the present W.P.A. Committee on October 15, 1938 and shall be given full authority to act in behalf of the Town regarding all activities connected with W.P.A. Not a vote.

The motion of the Appropriation Committee was so voted.

Voted: On motion of Melville F. Cate at 9:35 to adjourn.

CLAYTON B. MERCHANT,
 Town Clerk.

SUMMARY OF APPROPRIATIONS

	Appropriate from surplus revenue
Item 2 For Public Welfare	\$14,000.00
Item 2 For Study of all types of relief	500.00

Item 4 For Dependent Children	4,000.00
	<hr/>
	\$33,500.00

CLAYTON B. MERCHANT,
 Town Clerk.

Committee appointed under Item 2, Article 1, by Moderator, Harry J. Dowd, Beatrice W. Bicknell and Edward I. Loud.

WARRANT FOR A STATE ELECTION THE COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To either of the Constables of the Town of Weymouth,
 GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid,

qualified to vote in elections, to meet at the polling places, in their precincts, to wit:

- In precinct 1, in the Bicknell School Hall;
- In precinct 2, in the G. A. R. Hall on Commercial Street;
- In precinct 3, in the Hunt School Gymnasium on Broad Street;
- In precinct 4, in the building of the Citizen's Association, Inc., on Front Street;
- In precinct 5, in the building of the Pond School, Pond Street;
- In precinct 6, in the Ward 2 Fire Engine House on the northerly side of Broad Street, which place has been duly designated as the polling place of precinct 6 in accordance with Chapter 54 of the General Laws;
- In precinct 7, in the Lovell's Corner Improvement Association building on Washington Street;
- In precinct 8, in the Weymouth Heights Club building on North Street;
- In precinct 9, in the Fire Engine House located in that precinct on Pleasant Street; on

Tuesday, the eighth day of November, 1938, at 6:00 a.m.

then and there to bring in to the election officers their votes on one ballot for the following named public offices, to wit:

- Governor;
 - Lieutenant Governor;
 - Secretary;
 - Treasurer;
 - Auditor;
 - Attorney General;
 - Representative in Congress; 13th District,
 - Councillor; 2nd District;
 - Senator; Norfolk-Plymouth District,
 - Representative in General Court; 5th Norfolk District,
 - District Attorney;
 - County Commissioner;
 - Sheriff;
- and also to vote "yes" or "no" on the following questions:

QUESTIONS

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Shall an amendment to the Constitution providing for biennial sessions of the General Court and for a biennial budget which is further described as follows:—

This amendment annuls all existing provisions of the Constitution and its prior amendments which require annual sessions of the General Court, commonly known as the Legislature, and provides for biennial sessions in their place. It also provides that the budget of all proposed expenditures of the Commonwealth shall be so prepared as to cover two fiscal years instead of only one at the present required,—which proposed amendment was approved by the General Court and in a joint session of the two branches held May 27, 1936, received 141 votes in the affirmative and 117 in the negative, and in a joint session of the two branches held May 19, 1937, received 158 votes in the affirmative and 112 in the negative,—be approved?

QUESTION NO. 2

LAW PROPOSED BY INITIATIVE PETITION

Shall the proposed measure which provides that in any city or town which accepts its terms, the licensing authorities shall establish free public taxicab stands for the use of all taxicabs and motor vehicles for hire whose owners are licensed within such city or town, and shall abolish all other forms of taxicab stands on any public highway within such city or town,—which was disapproved in the House of Representatives by a vote of 96 in the affirmative and 109 in the negative and in the Senate by a vote of 4 in the affirmative and 35 in the negative,—be approved?

PERMITTING SALE OF ALCOHOLIC BEVERAGES

To obtain a full expression of opinion, voters should vote on all three of the following questions:—

(a) If a voter desires to permit the sale in this town of any and all alcoholic beverages to be drunk on and off the premises where sold, he will vote "Yes" on all three questions.

(b) If he desires to permit the sale herein of wines and malt beverages only to be drunk on and off the premises where sold, he will vote "No" on question one, "Yes" on question two and "No" on question three.

(c) If he desires to permit the sale herein of all alcoholic beverages but only in packages, so called, not to be drunk on the premises where sold, he will vote "No" on questions one and two and "Yes" on question three.

(d) If he desires to permit the sale herein of wines and malt beverages to be drunk on and off the premises where sold in addition other alcoholic beverages but only in packages, so called, not to be drunk on the premises where sold, he will vote "No" on question one and "Yes" on question two and three.

(e) If he desires to prohibit the sale herein of any and all alcoholic beverages whether to be drunk on or off the premises where sold, he will vote "No" on all three questions.

1. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whiskey, rum, gin, malt beverages, wines and all other alcoholic beverages)?

2. Shall licenses be granted in this town, for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)

3. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises?

PERMITTING PARI-MUTUEL BETTING

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

QUESTIONS OF PUBLIC POLICY UNDER GENERAL LAWS

"Shall the Representative of this District be instructed to urge and support all efforts to relieve this Commonwealth by urging through every lawful means upon Congress the adoption of legislations designed to provide for ALL United States Citizens the privilege of retiring after the age of sixty years from gainful occupation upon a federal annuity that shall maintain them EQUALLY upon living standards equal to what-

ever general contemporary standards of living at any time prevail; said system of security to be provided by appropriate national taxation designed to effect an increase thereby of purchasing power throughout the Nation?"

The polls will be open at 6:00 o'clock A. M. until 8:00 o'clock P. M. in the evening.

And you are hereby directed to serve this warrant by posting attested copies thereof seven days at least before the time of holding said meeting as directed by vote of the town.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk of said town on or before the seventh day of November in the year of our Lord nineteen hundred and thirty-eight.

Given under our hands this 24th day of October A.D. 1938.

SANDY ROULSTON
RALPH P. BURRELL
GEORGE E. LANE
EVERETT E. CALLAHAN
JOSEPH CREHAN

Selectmen of Weymouth

A true copy attest

GAROLD E. KELSO, Constable

October 25, 1938.

RETURN OF SERVICE COMMONWEALTH OF MASSACHUSETTS

Weymouth, October 29, 1938

Norfolk, ss.

Pursuant to the within warrant I have this day notified the inhabitants of Weymouth aforesaid to meet at the respective places and times for the purpose set forth in said warrant by posting true and attested copies of the same in each precinct as therein directed.

GAROLD E. KELSO,
Constable of Weymouth

CLAYTON B. MERCHANT,

Town Clerk

JURY LIST

The following is a List of Proposed Jurors prepared by the undersigned for use during the year commencing August 1, 1938.

Ahern, Cornelius, 480 Summer	Laborer
Allen, Harold M., 1071 Front	Salesman
Auger, Leon J., 292 Broad	Oil Station
Austin, James H., 38 Holbrook Road	Salesman
Badger, Russell W., 883 Front	Chauffeur
Bailey, John A., 134 Washington	Clerk
Baker, Winfield B., 27 Tower	Janitor
Barnes, Fred T., 38 Tower	Banker
Bates, Henry L., 39 Central	Janitor
Bates, Quincy B., 298 Washington	Gardener
Beedy, Wilfred F., 52 Wachusett Road	Carpenter
Belcher, Ernest E., 164 Randolph	Carpenter
Belcher, Harold F., 46 Emerson	Manager
Belcher, Norman E., 66 High	Farmer
Belcher, Roland E., 60 Pine	Machinist
Bell, Charles R. Jr., 779 Main	Clerk
Bell, Elmer W., 698 Front	Carpenter
Bender, Joseph D., 307 North	Insurance
Blackwell, Lester M., 15 High	Salesman
Blackwell, S. Raymond, 9 High	Electrician
Blair, Wm. P., 76 Mill	Meat Cutter
Blenis, Herbert E., 110 Mill	Carpenter
Blenis, Stanley E., 110 Mill	Carpenter
Bowker, Sumner P., 19 Bates Avenue	Shoeworker
Brady, George F., 22 Drew Avenue	Truckman
Breach, Harold, 30 Central	Foreman
Brennan, John J., 50 Lee	Woodworker

Brissenden, Edwin A., 87 Mill	Chauffeur
Burrell, Malcolm, 94 High	Truckman
Burrough, William F., 20 Shore Drive	Retired
Cann, Malcolm, 11 Fairmount Avenue	Bank Clerk
Carven, Joseph F., 74 Evans	Clerk
Cazeault, Jordan, 605 Bridge	Metal Roofer
Cazeault, Pearson F., 605 Bridge	Metal Worker
Chambers, Carlton, 35 Bayview Avenue	Comptroller
Churchill, Charles L., 42 Bates	Coal Yard
Cipullo, John, 104 Lake	Musician
Cicchese, Uranio M., 659 Broad	Shoeworker
Clifford, Paul W., 1103 Front	Salesman
Condrick, Harold A., 606 Main	Shoeworker
Condrick, Robert E., 49 Summit	Chauffeur
Coe, Albert J., 222 West	Mechanic
Colby, Alfred A., 57 Norfolk	Builder
Coleran, Joseph H., 36 Norton	Shoeworker
Connor, Timothy J., 71 Pond	Plumber
Corbo, Frederick E., 87 Lake	Shoeworker
Corridan, Lawrence P., 19 Phillips	Clerk
Coyle, William F., 381-2 Phillips	Farmer
Crawford, Allan F., 188 Central	Printer
Crawford, Robert D., 58 Kirkland Road	Mechanic
Daly, John J., 20 Richmond	Laborer
Dalto, Angelo, 15 Washburn	Restaurant
Daniele, John, 29 Broad Street Place	Clerk
Davidson, John H., 33 Humphrey	Shoeworker
Delahunt, Thomas P., 949 Main	Investigator
Delorey, Theodore J., 25 Delorey Avenue	Shoeworker
De Lucca, Michael, 28 Lake	Shoeworker
Descalzo, Charles J., 418 Pond	Bookkeeper
Desmond, Leo P., 1134 Middle	Laborer
DeRusha, Joseph L., 1126 Middle	Moth Dep't.
Dorey, Richard, 619 Bridge	Foreman
Ducca, James V., 49 Grove	Wool Sorter
Ducker, August J., 262 Main	Chauffeur
Dunham, George C., 82 West	State Road
Dunn, J. Wilfred, 56 Thicket	Shoeworker
Duplin, Harold W., 12 off Park Avenue	Shoeworker
Dwyer, George H., 32 Garfield Avenue	Investigator
Eaton, Roy, 546 Broad	Salesman
Ecker, George W., 11 Fern Road	Chauffeur
Edelstein, David M., 307 North	Auto Dealer
Edelstein, Meyer, 307 North	Auto Dealer
Ernst, Lester F., 231 Bridge	Fore River
Evans, David S., 51 Massasoit Road	Shoeworker
Ewell, Raymond L., 50 Glendale	Engineer
Ewing, Archibald, 27 Saunders	Plasterer

Farrar, Charles S., 1285 Pleasant	Shoeworker
Faul, Otto P., 18 Clinton Road	Metal Worker
Field, Walter R., 73 Union	Salesman
Fitzgerald, Arthur L., 48 Elinor Road	Clerk
Fitzgerald, John J., 1238 Washington	Fore River
Ferguson, William A., 1065 Washington	Draftsman
Gallant, John L., 78 Putnam	Carpenter
Galvin, John G., 237 Front	Clerk
Gannon, Timothy L., 110 Prospect	Gate Tender
Gilligan, Charles F., 20 Elinor Road	Painter
Grasso, Vincent, 21 Washburn	Barber
Harrington, Thomas G., 1144 Pleasant	Salesman
Harrington, William F., 1144 Pleasant	Investigator
Hedden, John W., 529 Middle	Carpenter
Heffernan, John W., 1024 Front	Shoeworker
Heffernan, Leo A., 551 Washington	Chemist
Hersey, Roger W., 738 Main	Salesman
Hodgdon, George R., 171 White	Shoeworker
Holden, Wm. F., Jr., 68 Gilmore	Tel. Insp.
Holis, Charles J., 143 Washington	Garage Prop.
Hollis, J. Otis, 73 Webb	Garage Prop.
Hollis, Minot E., 30 Lakewood Road	Real Estate
Howe, James R., 5 Pine Point Avenue	Carpenter
Hynes, Richard M., 50 Chauncy	Butcher
Hutchinson, Eugene M., Jr., 113 Grant	Machinist
Iliffe, Thomas H., 56 White	Laborer
Jessop, Robert, 48 Idlewell Blvd.	Gardener
Johnson, John A., 8 Loud Avenue	Welder
Jorgenson, William, 181 Pearl	Bookkeeper
Kalaghan, Joseph H., 249 Evans	Welder
Kearns, David F., 94 Hawthorne	Car. Oper.
Keefe, William E., 215 Front	Laborer
Keefe, Dennis, 11 Linden Place	Shoeworker
Kendrick, Peter F., 162 Middle	Buyer
Kelley, Norwell C., 99 Hibiscus Avenue	Shipper
Keohan, John J., 51 Norfolk	Salesman
King, Alvin K., 16 Laurel	Clerk
Knight, Edward W., 88 Pearl	Salesman
Larner, Francis L., 267 North	Card Writer
Leary, Paul E., 1152 Pleasant	Laborer
Leary, W. Edward, 209 Park Avenue	Salesman
Leland, George H., 108 Biscayne Avenue	Electrician
Litchfield, Henry S., 21 Linden Place	Woolen Mill
Litchfield, Richmond, 102 White	Plumber

Longeran, Thomas P., 38 Laurel	Salesman
Lopaus, R. Chester, 73 Sea	Clerk
Lukeman, William H., 391 Summer	Farmer
Lynch, William E., 30 Essex	Storekeeper
Lyons, Flurance I., 85 Front	Appraiser

OF THE GENERAL ACCOUNTS OF
THE TOWN OF WEYMOUTH**

For the Period from June 24, 1936, to April 30 1938

AND

OF THE ACCOUNTS OF THE TREASURER

For the Period from December 20, 1936 to April 30, 1938

Made in Accordance with the Provisions of Chapter 44, General Laws

July 14, 1938

**REPORT OF AN AUDIT OF THE ACCOUNTS OF THE TREASURER
OF THE TOWN OF WEYMOUTH**

For the Period from December 20, 1936 to April 30, 1938

July 14, 1938

To the Board of Selectmen

Mr. Sandy Roulston, Chairman
Weymouth Massachusetts.

Gentlemen:

I submit herewith my report of an audit of the general accounts of the town of Weymouth for the period from June 24, 1936 to April 30, 1938; and of the accounts of the treasurer for the period from December 20, 1936 to April 30, 1938, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,

THEODORE N. WADDELL,

Director of Accounts

Mr. Theodore N. Waddell,
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

As directed by you, I have made an audit of the general accounts of the town of Weymouth for the period from June 24, 1936, and of the treasurer's accounts for the period from December 20, 1936, the dates of the previous examinations, to April 30, 1938, and report thereon as follows:

The records of the financial transactions of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined, checked, and verified by a comparison with the reports and the records of the town accountant.

The town accountant's ledger was examined, the appropriations, loan orders, and transfers being checked with the town clerk's records of town meetings and with the appropriation committee's record of transfers from the reserve fund. A balance sheet, showing the financial condition of the town on April 30, 1938, was prepared and is appended to this report. This balance sheet indicates that the town is in good financial condition.

The books and accounts in the treasurer's department were examined and checked. The recorded receipts were analyzed and compared with the town accountant's ledger and with the records of the departments making payments to the treasurer, while the payments by the treasurer were checked with the selectmen's warrants authorizing the disbursement of town funds.

The cash balance as of April 30, 1938, was proved by a reconciliation of the bank balances with statements furnished by the banks of deposit, by an inspection of savings bank deposits, and by actual count of cash in the office.

The recorded payments of maturing debt and interest were checked with the amounts falling due and with the cancelled securities and coupons on file, and the outstanding bonds and coupons were listed and reconciled with a statement furnished by the bank of deposit.

The savings bank books and securities representing the trust and retirement fund investments in the custody of the town treasurer were examined and listed, the income, additions, withdrawals, and balance being found to be as reported.

The records of tax titles held by the town were examined and checked. The amounts added to the tax title account were compared with the collectors' records. The reported redemptions were checked with the receipts as recorded on the treasurer's cash book, the foreclosures were verified, and the tax titles on hand were listed, proved, and checked with the records in the Registry of Deeds.

It was found, as was the case during a previous examination, that salary payments due employees of several departments are turned over by the town treasurer to the heads of the departments for delivery to those entitled to the payments. Such a regular practice should be discontinued and all payments should be made directly by the treasurer, sending by mail the checks of those who cannot call for them.

The books and accounts in the tax collector's department were examined and checked. The taxes outstanding at the time of the previous examination were audited, and all subsequent commitments were reconciled with the assessors' warrants for their collection. The payments to the treasurer

er were checked to the treasurer's cash book, the recorded abatements were compared with the assessors' record of abatements granted, and the outstanding accounts were listed and reconciled with the accountant's ledger accounts.

The records of departmental and water accounts receivable were examined and checked in detail. The recorded payments to the treasurer were compared with the treasurer's cash book, the abatements were verified, and the outstanding accounts were listed and proved.

The outstanding tax, departmental, and water accounts receivable were verified by sending notices to a number of persons whose names appeared on the books as owing money to the town, and from the replies received it appears that the accounts, as listed, are correct.

The financial accounts of the town clerk were examined. The records of dog and sporting licenses were checked, the payments to the State being verified with the receipts on file and the payments to the town treasurer being compared with the treasurer's cash book.

The surety bonds of the various town officials required to file them were examined and found to be in proper form.

The records of licenses and permits issued by the selectmen, by the building and plumbing inspectors, and by the board of health were examined and checked, and the payments to the town treasurer were verified.

The accounts of the sealer of weights and measures and of the school department, as well as of all other departments collecting money for the town or committing bills for collection, were examined, checked, and reconciled with the treasurer's and the town accountant's books.

The records of the town treasurer, tax collector, and town accountant have been neatly and accurately kept, the work of the audit being facilitated thereby.

In addition to the balance Sheet referred to, there are appended to this report tables showing a reconciliation of the treasurer's and the collector's cash, summaries of the tax, tax title, departmental, and water accounts, as well as tables showing the condition and transactions of the trust and retirement funds.

While engaged in making the audit, co-operation was received from the officials of the town, for which, on behalf of my assistants and for myself, I wish to express appreciation.

Respectfully submitted,

HERMAN B. DINE,
Assistant Director of Accounts.

SUMMARY OF TOWN CLERK'S STATISTICAL REPORT

BIRTHS

The total number of births received and recorded during the year (at time of going to press) were 690; of this number 262 were males and 328 were females; of this total 568 were born in Weymouth, 120 were born in other cities and towns in Massachusetts and 2 were born in other states. Of this total number 318 whose parents resided in other cities and towns of Massachusetts. Either parent born in Weymouth 142; either parent born in other cities and towns in Massachusetts 1,049; either parent born in foreign countries were 178 and either parent born in unknown places were 11.

Of this total number 318 whose parents resided in other cities and towns of Massachusetts. Either parent born in Weymouth 142, either parent born in other cities and towns in the United States 1038; either parent born in foreign countries were 175 and either parent born in unknown places were 11.

The total number of births in each quarter of the year were 157-177-195 and 161.

MARRIAGES

The total number of marriage certificates received and recorded during the year were 265 (at time of going to press); of this number 173 marriages were performed in Weymouth, 79 were performed in other cities and towns in Massachusetts and 13 performed in other states.

Either party to the marriage born in Weymouth were 110; either party born in other cities and towns in Massachusetts were 366 and 52 were born in foreign countries.

The number of marriages performed in each quarter of the year were 37-65-64 and 79.

DEATHS

The total number of death certificates received and recorded during the year (at time of going to press) were 361; of this number 198 were males and 163 were females; of the total number 291 died in Weymouth and 70 died in other cities and towns in Massachusetts; of the total number 81 were residents of other cities and towns in Massachusetts.

Of the total number of deaths 98 were born in Weymouth; 175 were born in other cities and towns in Massachusetts and elsewhere and 88 were born in foreign countries.

102 of the decedents were single; 144 were married; 104 were widowed and 2 were divorced.

The ages of the decedents were as follows: Stillborn 21; under 1 year of age 24; from 1 to 5 years of age 8; from 5 to 20 years of age 9; from 20 to 50 years of age 41; from 50 to 80 years of age 187; from 80 to 90 years of age 64 and over 90 years of age 6.

The number of deaths in each quarter of the year were 83-88-84 and 106. Note: The object of printing the registration of births, marriages and deaths is to afford an opportunity for the correction of errors and omissions. If any correction or omission is noted, notice should at once be given to the Town Clerk in writing giving the correct facts so that the record may be perfected and a correct copy prepared for the State Archives.

CLAYTON B. MERCHANT

Town Clerk.

Town Clerk

REPORT OF THE REGISTRARS OF VOTERS

To the Honorable Board of Selectmen of Weymouth:

We respectfully submit the annual report of the Board of Registrars of Voters for the year of 1938:

The Board during the year 1938 has held 27 evening sessions for the registration of voters and the same number of afternoon sessions.

During their sessions 1,413 persons appeared to register as voters.

The total number of voters at the close of registration as of October 19, 1938 were as follows:

	Male	Female	Total
Precinct 1	1,079	980	2,059
2	716	642	1,358
3	1,001	1,000	2,001
4	440	384	824
5	489	510	999
6	896	768	1,664
7	436	390	826
8	415	407	822
9	619	631	1,250
	6,091	5,712	11,803

Respectfully submitted

EDWARD P. MURPHY

JOHN F. REARDON

LAWRENCE F. CORRIDAN

Attest:

CLAYTON B. MERCHANT, Town Clerk.

REPORT OF THE MOTH SUPERINTENDENT

January, 7, 1939

To the Honorable Board of Selectmen:

The moth season was a busy one as usual. There was a sharp decrease in tent caterpillars throughout the Town due to the strenuous campaign of the school children for the third successive year.

We got a good start in our gypsy moth spraying and while we had more stripped wood area, the residential sections were not as seriously affected as in previous years.

In North Weymouth, on Neck Street, there was an outbreak of the ugly nest caterpillar. These insects spin a series of webs covering hundreds of square feet, and tie up grasses and weeds together at the tops in bunches with their peculiar webs..

According to the specialists engaged in forestry and entomology we are to be faced with greater quantities of wood boring insects and bark beetles, due to the quantities of fallen timber. The attraction of birds by everyone would give us much protection from insects and give us the added enjoyment of our feathered friends.

Respectfully submitted,

V. LESLIE HEBERT,

Moth Superintendent

REPORT OF THE TREE WARDEN

January 7, 1939

To the Honorable Board of Selectmen:

This year was a busy one for the Tree Department.

Besides our regular tree work, we removed nine large elm trees at Sea and Athens Streets.

Next came the Hurricane of September 21, causing a half-million dollars damage to our shade, forest, and fruit trees and fruit crops. Many hundreds of trees, while not uprooted, were seriously damaged by splitting or loss of branches.

This means a tremendously big job for years to come, in restoring our trees to a near-healthy condition. Pruning, bracing, fertilizing, cavity work and spraying will all have to be done on a large scale, in the same manner in which the trees on State roads are being cared for. The future of our trees depends on the care which we give them during the next couple of years.

I hope that in the very near future, our tree appropriation can be increased so that we can plan to do one-third of our Town trees completely each year. In this way, in three years' time, every street tree would be carefully gone over, and in years to come, the upkeep would be considerably less.

At present, I am working on a plan to solve the tree trimming problems of the Telephone and Electric Power Companies, which will enable them to keep their wires cleared at less cost to them, cut down on the destruction of our trees and enable us to accomplish more tree trimming. Line clearing is as necessary to the Electric Light and Telephone Companies as their services are to us. It must be done for the good of their service as well as for our trees' sake. In the future, line clearing can be almost eliminated by proper tree planting. But where trees and wires occupy the same space, we must consider them both.

In closing, I wish to thank all who have helped to make 1938 a most successful year.

Respectfully submitted,

V. LESLIE HEBERT,

Tree Warden

REPORT OF THE HARBORMASTER

December 31, 1938

Honorable Board of Selectmen:

Weymouth, Massachusetts.

Gentlemen:

I herewith submit my 11th Annual Report of the Harbor Master Department of Weymouth:

Mooring permits granted	52
Boats reported lost	17
Boats reported recovered	16

Boats assisted	57
Persons rescued	16
Children taken from unsafe boats	38
Oil polution complaints reported	20
Stolen boats reported	2
Stolen boats recovered	1
Investigations made	22
Ship launchings policed	4
Value of Loss and Stolen boats recovered	\$3,125.00

Census of August 31st, 1938 of Yachts and Boats of all descriptions located and owned by our citizens in Weymouth waters.

168 Power and sail boats—estimated value	\$200,000.00
312 Row boats, Skiffs, Canoes	7,340.00
Total Value	\$207,340.00

Service rendered—Policed water front 164 days, average eight hours per day—1312 hours, plus 32 night calls averaging two hours each—64 hours Total 1376 hours. Cost of maintenance of boat \$361.35.

Appropriation	\$800.00
Operation Cost	361.25
Compensation	\$439.75

I wish to thank the Weymouth Police Department for its co-operation and the assistance rendered by Officers George and Norman Butler.

Respectfully submitted,
 ANTHONY S. VEADER,
 Harbormaster

REPORT OF THE SUPERINTENDENT OF FIRE ALARMS

December 31, 1938

To Chief Timothy G. McCarthy,
 Weymouth Fire Department.

I respectively submit the annual report of the Fire Alarm System of the Weymouth Fire Department.

During the year Alarms have been Transmitted over the System.

Alarms for Fires	141
Second Alarms	2
Third Alarms	1
False Alarms	16
Lost Child Calls	2
Boy Scout Calls	2
Chief Calls (3) Blows	12
Deputy Chief Calls (5) Blows ,	1
Supt. of Fire Alarm (4) Blows	2

The outside wire is in very good condition very little trouble being encountered from this source. We have used (2) two miles of wire this year.

We have changed over approximately 300 new poles which has added much to the upkeep of the system. It is also necessary to renew approximately 200 crossarms each year to keep the system in efficient operation.

We have added (2) two new Fire Alarm Boxes to the System.

We have a number of absolute alarm boxes spread over the circuits, which are over 45 years old, and I sincerely recommend renewing at least (5) five of these each year to reduce this condition.

On September 21, 1938 during the hurricane the Fire Alarm Wires suffered considerably from falling limbs and poles, part of the night the complete system was not in operation and (2) two miles of wire was used in repairing approximately (45) forty-five breaks and in temporary lines.

The damage suffered has been permanently repaired.

In concluding I wish to extend my sincere thanks to all for the services and co-operation rendered at all times.

Respectfully submitted,

FRANK S. BLANCHARD,

Acting Supt. of Fire Alarms

POLICE DEPARTMENT

January 8, 1939.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit the annual report of the services rendered by the Police Department for the year ending December 31, 1938.

CAUSES FOR ARREST

Crimes against the person	27
Crimes against property	85
Crimes against public order	977
Total arrests for the year	1089

MISCELLANEOUS REPORT

Search for gaming	3
Complaints investigated	849
Doors and buildings found open and secured	1665
Street lights reported out	296
Wagon calls	441
Ambulance calls	74
Animals killed	75
Messages delivered	460
Fires reported	7
Defective streets	75
Missing persons found	10
Property recovered	\$5,145.00

Respectfully submitted,

EDWARD F. BUTLER,

Chief of Police

CUSTODIAN OF VETERANS' GRAVES

January 5, 1939

To the Honorable Board of Selectmen:

A report of the Custodian of Veteran Graves for 1938.

The appropriation for the care of the 376 graves entitled to care under the provisions of the law governing it has been expended in the same manner as in previous years. The 376 are in 323 different lots, 290 are cared for by agreement with the superintendents of the larger cemeteries. 9 are cared for by the Veterans of Foreign Wars under the appropriation for the care of Old Cemeteries; and 24 are cared for under the supervision of the custodian with help taken from the Soldiers Relief Rolls.

It was possible under this years appropriation to clean 324 marble headstones that are provided by the government. Many of them in place from 30 to 40 years, were so incrusted and weathered as to be illegible until cleaned. This work was done by an incapacitated man from the Soldiers Relief Rolls. Upon request of relatives these government headstones are applied for and transported by the custodian and through the co-operation of the cemetery superintendents properly placed in position without cost to either the relatives or the town.

The proposed removal of the remains of five veterans to a more suitable location, the Legion Lot in the same cemetery was not accomplished because of the difficulty of locating surviving relatives in order that they might sign releases authorizing the agent of the town to remove and reinterr the bodies. The money appropriated for this purpose remains unexpended.

The courtesy, help and co-operation from the superintendents of cemeteries is again worthy of note in an annual report.

Graves of veterans entitled to care: Highland, 41; Mt. Hope, 29; Elmwood, 21; Fairmount, 38; Lakeview, 32; St. Francis, 39; Old North, 47; Reed, 15; Village, 42; Ashwood, 9; Old, 9.

Total number:

F. & I.	Rev.	1812	Civil	Indian	Mexican	Spanish	World War	Mex. Border
7	111	46	666	1	1	25	90	1

Number under care:

F. & I.	Rev.	1812	Civil	Indian	Mexican	Spanish	World War	Mex. Border
7	99	30	223	0	0	4	12	1

Respectfully submitted,

KARL O'NEIL,
Custodian of Veteran Graves.

BURIAL AGENT

January 5, 1939.

To the Honorable Board of Selectmen:

A report of the Burial Agent for 1938.

During the year several requests for applications were made under the belief that this law committed the state to provide a gift or gratuity of \$100. toward the burial expenses of any honorably discharged veteran of any war. The intent of the statute is to prevent the pauper burial of

such a veteran or his wife, widow or dependents by providing that one hundred dollars of a burial expense not in excess of \$250. will be paid by the state if no other funds are available for payment of these expenses.

One burial, the widow of a Civil War veteran, was made under this statute the past year. A claim for the burial of a World War veteran is now pending with the Commissioner of State Aid and Pensions. A settlement will probably be made early in 1939.

Respectfully submitted,

KARL O'NEIL,
Burial Agent

REPORT OF THE TOWN INFIRMARY

January 7, 1939

To the Honorable Board of Selectmen:

Gentlemen:

Following is a report for the year ending December 31, 1938.

January 1, Males	17
January 1, Females	1
Deaths during year	none
Other removals	8
New Inmates	1
December 31, Males	10
December 31, Females	1

Many improvements are being made with a decreased budget.

Respectfully submitted,

FRED P. TOLMAN,
Superintendent of Town Infirmary

REPORT OF INSPECTOR OF MILK AND DAIRIES

67 Myrtle Street, East Weymouth, Mass.

January 1, 1939

Weymouth Board of Health
Middle Street, East Weymouth, Mass.

Gentlemen:

I hereby submit the following account of inspections of milk and dairies for 1938:

67 Store Licenses	21 Dealers Licenses
24 Oleomargarine	

Samples of milk and cream have been taken monthly and tested at the Laboratory for Fats, Solids, Bacteria and Garget.

Mr. Harold Stowell of the Dept. of Agriculture and myself have made regular inspections of the dairies.

Very truly yours,

HENRY F. GODIN,
Inspector of Milk.

REPORT OF THE INSPECTOR OF ANIMALS

East Weymouth, Mass.
January 6. 1939

To the Honorable Board of Selectmen:

Following is the report of the Inspector of Animals for the year ending December 31, 1938

Number of places inspected	61
Number of cows inspected	318
Number of young stock inspected	35
Number of bulls inspected	10
Number of dogs quarantined	47
Number of dog bites investigated	6

Respectfully submitted,
JOHN H. REIDY,
Inspector of Animals

REPORT OF THE BUILDING INSPECTOR

December 27, 1938

Honorable Board of Selectmen,
Town Hall, Weymouth, Mass.

Gentlemen:

I herewith submit the 1938 report of this office, as follows:

Building Permits in 1938 were one hundred and sixty-two with a value of \$384,635.00 and were composed of the following: 56 dwellings with garages attached; 26 single dwellings; 40 garages; 5 service stations; 19 poultry houses; 3 shops; 1 theatre with stores and apartments; 1 barn; 7 overnight camps; 1 roadstand; 1 dining car.

Compared with 1937—one hundred and seventy-six permits with a value of \$321,172; an increase in 1938 of \$66,463.00.

Alteration permits in 1938—one hundred and ninety-two with a value of \$208,025. Compared with 1937—two hundred and twenty-four with a value of \$125,124.00; an increase of \$72,901.00.

Total building operations in 1938—\$592,660.00.
Total building operations in 1937—\$446,298.00.
Increase in 1938—\$146,362.00 over 1937.
Receipts for permits in 1938 were 684.

I have inspected 16 elevators in December, all of which were found to be in good condition.

Respectfully submitted,
ANDREW T. MOORE,
Building Inspector
December 31, 1938

REPORT OF THE TOWN COUNSEL

To the Honorable Board of Selectmen:

Gentlemen:

I hereby submit my report as Town Counsel for the year ending December 31, 1938.

Since my last report as Town Counsel there has been little change in the small number of cases then in litigation in which the Town is a party. Actually at the time of the last report there were but three really important matters pending.

The first of these were the cases of Sumner and Agnes Eddy against the Town of Weymouth. They went to trial finally and resulted in verdicts for the Town in each case.

There are pending, however, two cases of major importance, each of which have been outlined in the last two reports. The first of these has to do with the erection of a Water Filtration Plant at Weymouth Great Pond. This case was entered in the Superior Court and was referred to an Auditor and has been partially heard. The ad damnum of the writ is in the sum of \$30,000 but the total present claim is between eighteen and nineteen thousand dollars. The Town admits substantial liability but feels the amount set forth is excessive. The matter will doubtless come to a verdict sometime in the Spring.

The second pending case of great importance is the question of the Laban Pratt Trust Fund so-called. I have referred to this matter in some detail in the reports for 1936 and 1937 so I will not set forth the particulars at length in this report. It may suffice to say that the Attorney-General has now filed in the Probate Court for Suffolk County a petition in equity setting forth in substance that the Town has refused and still refuses to carry out the terms of the bequest and praying that the Court instruct the Town as to whether the terms of the bequest must be carried out at the present time. Issue has been joined on the part of the Town and the matter is on the list ready for hearing though it has not as yet been marked up. It may be useless to predict what the Court's decision may be but it is my opinion that it will either order the Town to go forward under the will immediately or in the alternative may set a reasonable time limit within which they must do so. In any event instructions from the Court would clear up the present uncertainty and inform us with definiteness our responsibility under the will.

There has been the usual amount of minor litigation much of which has its source in accidents on the highways of the Town. It seems that no matter how great the degree of care used by the various Town departments that we have an unceasing number of such injuries. This may be due largely to the fact that a greater number of citizens have been engaged either directly in Town work or on some authorized project that the Town has voted to undertake. Some few of these have gone to trial but much the greater number have been amicably adjusted or our liability has been successfully denied. We are most fortunate that all of these claims have not totalled any considerable amount of money having regard to all elements involved.

It has been a source of satisfaction to me to have received the sympathetic understanding of your Board in the conduct of our mutual problems and the co-operative and intelligent aid of the many Town officers and townspeople that has been given me, has made the work easier and more pleasant.

Respectfully submitted,

KENNETH L. NASH,

Town Counsel

REPORT OF SUPERINTENDENT OF ALEWIVE FISHERIES

To the Honorable Board of Selectmen of the Town of Weymouth:

Gentlemen:

I hereby submit my annual report as superintendent of Alewive Fisheries for the year ending December 31, 1938.

Approximately eighty thousand (80,000) alewives were deposited in Whitman's Pond for spawning. The first catch was made on April 15th and the last on May 24th.

The Welfare Department received four thousand (4,000) as your Board so voted.

The State Department took three thousand (3,000) fish and in return brought fish from Middleboro pond here.

In closing my report, I wish to thank the members of your Board, the Weymouth Light and Power Co., the Weymouth Wool Scouring Co., Mr. Kelley, Superintendent of Streets, and the boys who worked with me for the help and cooperation which was so willingly given at all times.

Respectfully submitted,

THOMAS M. O'TOOLE,

Supt. of Alewive Fisheries

January 5, 1939

REPORT OF THE BOARD OF APPEAL

To the Honorable Board of Selectmen:

Gentlemen:

The Board of Appeal held three formal meetings during the year 1938 and considered seven different applications which were referred to them.

One application came before the Board at two different meetings and was each time rejected but was later granted by the Board of Selectmen.

The other six applications were each considered by the different members of the Board of Appeal at dates ranging from April 26, 1938, to October 26, 1938, inclusive, five being approved when submitted and one rejected and the action of the individual members of the Board was ratified and confirmed at a formal meeting of the Board on December 12, 1938.

Summarizing, we find seven applications considered, of which five were granted by the Board of Appeal and two were rejected, one of which was later granted by the Board of Selectmen.

Respectfully submitted,

RUSSELL H. WHITING

Secretary

REPORT OF THE W. P. A. COMMITTEE

Weymouth Board of Selectmen,
Town Hall,
Weymouth, Mass.

Gentlemen:

The WPA Committee for the year 1938 respectfully submits its annual report to the Town.

At the outset, the members of the Committee wish to express their thanks and appreciation for the co-operation received from various department heads in the Town, and sincerely hope that as a result of their activities the citizens will enjoy more completely the advantages of living in Weymouth.

Up to December 1, 1938 the Committee spent \$58,950.47, and it estimates that by December 31, it will have spent approximately \$66,000.00. The expenditures of the appropriation for our department went for materials and supplies to maintain the projects approved at Washington. Up to December 1, the Park Department had spent \$10,958.27, the School Department—\$9,165.60, the Street Department—\$25,047.78, the Tree Department—\$637.60, the White Collar Projects—\$499.60, Women's Projects—\$4,704.36, Water Department—\$269.96, miscellaneous—\$6,657.76 (which included general administration expenses) and for projects outside of Weymouth—\$1,009.54. A perusal of these expenditures indicates that they are in proportion to those of former years.

At the beginning of 1938, the Committee estimated that for the year there would be approximately 275 men employed, but subsequent events have proved that that estimate was far too low because the records indicate that we have averaged well over 400. The significance of these figures may be indicated by merely stating that while we spent in 1937 the sum of \$56,848.20 for an average number of 235 men, this year we will have spent approximately \$66,000.00 for an average of 425 men. It should be further noted that we had increased expenditures which were unforeseen at the beginning of the year, such as a charge levied on us by the Government of 1c a pound for processing butter. Over a year this increases our expenditures by approximately \$2,400.00. We were also subjected to an expense item of \$18.00 a month as our proportionate share of a central distributing warehouse in Quincy. Finally, because of the increased number, kind and amount of commodities that were allotted and distributed throughout the Town, our distribution costs more than doubled those of the past year.

A complaint that existed at the time we assumed office was that the Administrative Expenses were excessive. The Committee has reduced that item to approximately \$4,000.00, which is 2/3 of what was spent last year. The figures also show that we shall spend about 20% less for trucks and equipment than we spent a year ago. With all these reduced expenditures, it would seem that the efficiency of the department might be impaired, but such was not the case.

Despite the increased number of workers and the rather limited funds with which the Committee has had to work, the Town has received definite advantages, although they might have been far more wide spread had a more generous allotment been granted. A brief resume of the specific activity this year is as follows: painting has been completed on the Shaw, Adams, Athens, Nevins and Portable Schools, as well as on the Tufts Library; improvements were started and completed on Beals, Weston, Webb and Great Hill Parks; sidewalks were installed on a section of Pleasant

Street, Front Street and Commercial Street and were installed on the full length of Center Street, Walnut Avenue, Webb Street, Bennett Road, Canterbury Street, Torrey Street, Putnam Street, Chard Street, Broad Street, Academy Avenue, Sherwood Road and Gibbons Street; beautification work was done on Forest Street and the North Weymouth Cemetery; paving was done at the Filter Plant and certain Town records were brought up to date. At the present time, we have sidewalks being installed on Main Street, Hawthorne Street, Granite Street, Rosalind Road, Lakehurst Avenue, Pleasant Street and Pierce Road; painting is being done on the Pumping Station and certain school buildings; bookbinding is being done for the Library and School Departments; records are being brought up to date in the Assessor's Office; housekeepers are being assisted by visitors and general improvement work is being done on Great Hill and Stella Tirrell Parks, as well as on Legion Field. For the coming year, we recommend a continuation of all projects now being completed and the inauguration and completion of projects now in the files and approved in Washington.

There is an apparent misunderstanding as to what the actual expense to the Town of Weymouth is and has been on certain large projects, specifically, Legion Field and Stella Tirrell Playground. Your Committee herewith states that up to December 1, 1938, only \$9,409.80 has been contributed by the Town to the development of Stella Tirrell Playground, whereas the Government has contributed during the same period \$42,246.09. As far as Legion Field is concerned, for the years 1937 and 1938 the Town's contributions have been \$9,029.36 and the Federal contribution has been \$25,521.98.

Insofar as sidewalk and curbing construction is concerned, the Committee unequivocally states that there is no better avenue of municipal development for the Town than this effort. During the past 2 years curbing and sidewalk construction throughout the Town has amounted to 30,000 linear feet or almost 6 miles of sidewalk. The obvious advantage to such projects is not necessarily that the lives and safety of pedestrians are protected, but that the maintenance and care of the traveled part of the highways is materially reduced and facilitated.

In view of the fact that the Board of Selectmen will function as the local authority over Federal projects, your Committee respectfully informs them that there are now approved and ready to operate projects for 34 sidewalks and curbings, clearance of the water shed, control of gypsy moths, bringing up to date old records, painting on certain public buildings, continuation of park improvements and the installation of walls on certain school properties and highways.

Respectfully submitted,

CHARLES GRIFFIN, Chairman

REPORT OF THE BOARD OF HEALTH

To the Citizens of the Town of Weymouth:

The Board of Health met March 11, 1938, and elected Thomas MacDonald chairman and Frederick L. Doucett clerk.

Jeremiah Donovan, who has been custodian of the dumps for a number of years, having reached the retirement age, was pensioned off and Edward Keefe was appointed as his successor.

Henry Godin was reappointed Milk Inspector and George Marshall reappointed Plumbing Inspector.

The Dental Clinic conducted in the Hunt School is doing good work caring for the children's teeth. This clinic is in charge of Miss Virginia Loring, Dental Hygienist, who with the co-operation of the dentists of the town have made this one of the most successful clinics in this part of the state.

There has been no case of diphtheria reported in Weymouth for the last three years. The Board of Health, in conjunction with the school physicians, have immunized the children of the lower grades against diphtheria. The Board hopes to do this every other year.

During the year the following cases were reported:

Chicken Pox	10	Scarlet Fever	41
Dog Bite	54	Tuberculosis (Pulmonary)	11
Influenza	1	Tuberculosis (Other Forms)	1
Lobar Pneumonia	6	Whooping Cough	6
Measles	23	Cat Bites	2
Mumps	2	Discharge from Eyes	1

Respectfully submitted,

FREDERICK L. DOUCETT
THOMAS MacDonald
LEWIS W. PEASE

Board of Health

REPORT OF COMMITTEE ON GASOLINE LICENSES

(Appointed under Article 19 of 1938 Town Warrant)

After considering the articles mentioned and having in mind that if these articles were accepted some types of mercantile establishments which would help to lower the tax rate in the Town may be stopped from locating here; also that the Zoning Laws are coming up for acceptance and, if accepted, would take care of such matters, the Committee recommends no action.

T. G. McCARTHY,
Chief of Fire Department

DEPUTY CHIEF WEBB
ANDREW T. MOORE
Building Inspector.

REPORT OF PLUMBING INSPECTOR

December 29, 1938
Weymouth, Mass.

Board of Health, Town of Weymouth:

I herewith submit my report for the year ending December 31, 1938.

During the year there have been issued 470 permits for plumbing requiring 511 inspections. Received for permits, \$852.

There has been installed in old and new buildings the following fixtures:

168 Bathtubs	244 Sinks and wash trays
229 Lavatories	33 Automatic water heaters
248 Toilets	163 Range boilers
3 Urinals	5 Showers

making a total of 1,093; the estimated value of which is \$75,753.

The number of old and new buildings in which plumbing was installed are as follows:

63 New one-family houses	275 Old one-family houses
5 New gas stations	61 Old two-family houses
1 New theatre and apartment building	9 Old apartments
1 New diner	34 Old business blocks and offices
4 Old clubs and halls	1 Old church

Respectfully submitted,

GEORGE MARSHALL

Inspector of Plumbing

REPORT OF THE COMMITTEE FOR NEVIN SCHOOL ADDITION

January 11, 1939

To the Citizens of Weymouth:

The Committee for the Addition to the Edward B. Nevin School make the following preliminary report:

Plans for an auditorium-gymnasium of similar type and size to that at the Bicknell School have been prepared in conjunction with four classrooms connected to the north wing of the Nevin School. Two of the rooms are immediately needed for classroom instruction; the other two will be used for lunchroom purposes until they are required for classrooms. Bids for construction and for heating and ventilating will be at hand and will be submitted to the Annual Town Meeting.

A complete report of your Committee will be made, therefore, at the Annual Town Meeting.

Respectfully submitted,

JOHN W. CAMPBELL, Chairman
WALLACE H. DRAKE
J. HERBERT LIBBEY
CLAYTON L. NASH
PARKER T. PEARSON
WILLIAM F. SHIELDS
ETHEL G. TAYLOR
PRINCE H. TIRRELL
ALICE E. MOXON, Secretary

REPORT OF THE DENTAL CLINIC

December 21, 1938

Weymouth, Mass.

Board of Health, Weymouth, Mass.

Gentlemen:

January 1, 1938, to January 1, 1939:

2,198 children were examined.

1,534 were in need of dental care.

644 were in good condition.

From January 1, 1938, to January 1, 1939, there have been ninetythree (93) clinic days, with a total of two hundred and seventeen and one-half (217½) hours.

Summary of work done:

Number of patients	464
Number of visits	640
Fillings	
Temporary teeth	120
Permanent teeth	612
Total	732
Extraction	
Temporary teeth	372
Permanent teeth	129
Total	501
Cleanings	205

We wish, at this time, to express once more our appreciation to the following dentists who have co-operated with us to make this work possible:

Dr. A. F. Danehy, South Weymouth
 Dr. J. W. Gourley, East Weymouth
 Dr. G. A. Jenkins, North Weymouth
 Dr. H. M. Myles, East Weymouth
 Dr. D. B. Nye, South Weymouth
 Dr. William O'Halloran, East Weymouth
 Dr. H. M. Stetson, East Weymouth.

We wish also to thank the principals, teachers, and janitors who have transported the children to and from the clinic.

Respectfully submitted,

VIRGINIA F. LORING

Dental Hygienist

REPORT OF THE COMMITTEE FOR THE OBSERVANCE OF MEMORIAL DAY

To the Citizens of the Town of Weymouth:

At the Annual Town Meeting held on March 7th, 1938, it was voted under article 1, item 34, that the committee be enlarged to twelve members, over nine of previous years, same to be appointed by the Moderator from the various Veteran and Heredity organizations, in accordance with the provisions of General Laws (Tercentenary Ed.) Chapter 40, Section 5, Clause 12.

The following committee was appointed:

Henry B. Vogel, Commander Reynolds Post, No. 58, Grand Army of the Republic. (Honorary Chairman.)

Arthur A. Cicchese, Commander Post No. 79 American Legion. (Chairman).

Arthur Reed, Commander Post No. 1399 Veterans of Foreign Wars.

Louis Cipulo, Commander Chapter 36 Disabled War Veterans.

Warren F. Fowler, Sen. Vice Commander Post No. 79 American Legion.

Everett T. Gardner, Jr. Vice Commander Post 79 American Legion.

Roy H. Rosewell, Acting S. V. Commander Chapter 36 Disabled War Veterans.

John Clifford, S. V. Commander, Post No. 1399 Veterans of Foreign Wars.

Ernest A. Smith, Commander, Camp No. 36 Sons of Union Veterans.

Warren E. Miller, S. V. Commander, Camp No. 36 Sons of Union Veterans.

Mrs. Harriet Fern, President Tent No. 32 Daughters of Union Veterans.

Mrs. Maud Nickerson, Jr. Vice President Tent No. 32 Daughters of Union Veterans.

The first meeting was held at the Town Hall, East Weymouth, on May 5th, 1938. Ernest A. Smith was elected as Secretary of the committee. Several additional meetings were held during the month of May, at which your committee purchased supplies and perfected plans for the observance of Memorial Day. Meetings were well attended, and extremely harmonious.

At a meeting held Thursday, May 12th, our Chairman, Arthur A. Cicchese, Commander of Weymouth Post No. 79 American Legion, was selected to act as Chief Marshall, and Henry B. Vogel, Commander of Reynolds Post No. 58 Grand Army of the Republic, was named Honorary Chief Marshall, and the General orders to be issued in the name of Post No. 58 G. A. R. as usual.

The program of the day was as follows:

General rendezvous at Hurley Square (Thomas Corner) North Weymouth, at 7:45 A.M. Monday May 30th. Parade was formed for march to the Old North Cemetery where the graves of Veterans of all Wars were decorated and salute to the dead was fired by the American Legion firing squad from the Soldiers' Monument. Coaches were then taken for the Civic Center where Memorial exercises were held according to general orders from Post No. 58 G. A. R. After the exercises the parade proceeded by coaches to the following cemeteries where Memorial services were held, Village Cemetery, Weymouth Landing; St. Francis Xavier, Weymouth Center; Highland, South Weymouth; Lake View, South Weymouth; Elmwood, Union Street; Mount Hope, Oak Street; and Fairmount at East Weymouth.

At the home of Commander Vogel of the Grand Army of the Republic, the parade was reviewed by him, and a beautiful bouquet of flowers was presented by the Chief Marshall.

At Commercial Square, East Weymouth, the parade was formed for a march up Broad Street, to the Central Fire Station where the parade was dismissed.

Music was furnished by the Weymouth Post 79 Legion Band, and the Canadian Legion Band. Also in line were the Fife and Drum Corps of the Sacred Heart Church, and the Boy Scouts.

Flags and potted plants were placed on the grave of each Veteran. Public Squares and monuments were decorated with wreaths and flags. The public schools were visited on the Friday before Memorial Day by Veterans, where patriotic exercises were held by the pupils.

The Committee desires to express their appreciation to the teachers, who spent so many patient hours in preparing the children to deliver the sort of entertainment that was witnessed.

To Company K. 101st Infantry, National Guard, in Command of Capt. McLeod, we extend our thanks for the escort provided by them.

To the Veteran and Heredity organizations and their Auxiliaries, the Police and Fire Departments, and all others who helped to make the Sacred Day observance possible, the Committee extend their thanks.

Respectfully submitted,

ERNEST A. SMITH,
Secretary Memorial Day Committee

REPORT OF SHELLFISH CONSTABLE

Weymouth, Mass. December 31, 1938

Honorable Board of Selectmen,
Weymouth, Massachusetts:

Gentlemen:

August 15, 1938 your Board appointed me Shellfish Constable and supplied me with books setting forth regulations as per chap. 130 of the Mass. General Laws via chap. 329, etc.

In the enforcement of this act it was necessary for me to first notify and supply all citizens (who dig clams and worms also who fish eels) with a book on the regulations and then watch the clam flats and water ways for violators.

I was never given any record of permits granted by your Board and it was necessary for me at times to stop citizens from digging clams until they obtained one. I also drove a large number of non-citizens from our shores who were not aware of the law.

Grape Island Flats gave me most of my trouble as the caretaker of the Island kept complaining to me of night clam diggings by bootleg commercial diggers which came from Quincy and it was necessary for me to cover the Island a number of nights to drive them away.

I hereby suggest signs to be erected along our waterfront and islands notifying the public of the law which I am to enforce and that I be given records of permits granted by your Board to date and in the future.

Respectfully submitted,

A. S. VEADER,
Shellfish Constable of Weymouth

REPORT OF THE PLANNING BOARD

The March 1938 election found a prominent member of our Committee not seeking re-election. To Daniel Cummings, the Board is thankful for his kind and courteous and co-operative interest during the past year. In his place, the voters chose an individual whose record of public service is lengthy and diversified. We feel that Roy H. Rosewell, our new member, has been and will continue to be an asset and that his efforts will be as fruitful and as energetic as his predecessor's.

To all other departments of the town with whom we have had dealings this year, we extend our generous thanks for loyal co-operation and competent advice. We look forward to continuing these friendships and trust that the coming year will more than fulfill our expectations.

While our meetings during the past 12 months have not been as numerous as in previous years, they have been just as productive of new thoughts. Nearly all of them were well attended. Frequent discussion arose from the activities of the W.P.A. in the Town, and it was generally agreed that the projects in existence and those completed were for the greater protection and pleasure of the people, and the progressive advancement of the Town into a more modern and attractive community for suburbanites.

The Board, however, wishes to emphasize, as it has for the last four years, that a continued expenditure on sidewalks and curbing should be a prime policy of the Town. We therefore heartily recommend and endorse the appropriation of \$25,000. for this work during 1939. At the risk of being charged with undue repetition, we state once again that sidewalks and curbing trim the Town and give it a dignified and orderly appearance; that sidewalks tend to eliminate traffic accidents and provide a position of safety for pedestrians; that curbings define the traveled part of the highway, assist and facilitate drainage, and reduce to a minimum the cost of maintaining highways.

A survey of Town buildings indicates that not only are they well preserved but they display that care which good stewards exercise over their property. The parks and playgrounds are still in the process of alteration and although work seems to be interminable at these places, they are now in such a condition that their chaotic appearance has resolved itself into orderly development. The highways are in better condition than ever before and show the effects of studied application. The building laws have long since indicated their value and with a group now studying and recommending changes that are necessary, they should further prove their efficacy in a more pronounced manner.

There are several well developed and well conceived sub-divisions going on throughout the Town which should be of immense financial value to the Town in a tax way. Substantial residential extensions as these, are the back-bone of a real median tax structure and if building laws do not care for their growth sufficiently, then perhaps zoning laws should be closely inquired into.

At the present time there is a proposed zoning ordinance on which hearings are to held during January 1939 after which the Planning Board will make recommendations, as required by law, to the March, 1939 Town Meeting. In many of our recent yearly summations we have stated our position rather clearly, but this year we pass the subject choosing rather to report directly to the Town Meeting. Our previous reports

have urged consideration of this matter and to facilitate the proper dissemination of zoning information, hearings are being arranged for in all sections of the Town.

A recapitulation of what happened to our recommendations of last year would perhaps be in order. Stella Tirrell Playground has rapidly assumed proportions and with the same amount of industry and consideration by the local W.P.A. authorities, we feel it shall be, by the end of 1939, almost finished. The development of the sidewalk and curbing program did not go as far as we hoped for, but it made appreciable strides. Once again we advocate, for no action was taken last year, the relocation of Pleasant Street by the Police Station to eliminate a dangerous curve. Now that the State Fish and Game Board is to expend money on the Herring Brook adjacent to this area, the two projects could well be worked together to improve that community. No action has been taken on placing the Planning Board under Chapter 211 of the Acts of 1936, and we once again recommend such action. The March 1938 Town Meeting acted in accord with our thought that all streets up for acceptance should be inspected for conformance with the by-laws. A continuance of this policy is, as demonstrated last year, likely to be reflected in reduced unnecessary outlays by the Town.

For the coming year we feel that in addition to the above-mentioned matter, the citizens should concern themselves with the problem of an auditorium and gymnasium at the Nevins School which is a local need; that skating facilities should be provided in each section of the Town in its parks or playgrounds; that sewage disposal is not a dead issue but one that is to become increasingly prominent as well as expensive; that a real drainage survey should be undertaken; and that a modern Town Barn under P.W.A. auspices be constructed.

In conclusion it is to be noticed that sidewalk and street petitions which heretofore came in abundance to our Board have this year been lacking. Every street and sidewalk we recommended in previous reports will be completed this year, and we feel that to a great extent our interest has been responsible for it. We are pleased to accept the burden of introducing to the Town such new construction because that is our province, but we could not submit a report without wondering why we had no petitions before us on December 31, 1938.

Respectfully submitted,

CHARLES GRIFFIN, Chairman
HARRY SARGENT, Secretary
CHARLES JORDAN
RUSSELL WHITING
THOMAS KELLEY
RAYMOND HOLLIS
ROY ROSEWELL

REPORT OF THE SUPERINTENDENT OF STREET

January 10, 1939

To the Honorable Board of Selectmen:

Gentlemen:

In previous annual reports, stress was placed on surface drainage along many streets throughout the Town and through private property where open ditches carry off the water from swamps and streets. There is so much drainage work to be done that considerable time and money will be required to adequately relieve the unsanitary and unhealthy conditions now existing.

With limited funds each year and a persistent demand for better street maintenance and drainage, it is obvious that without an exceedingly high expenditure, only gradually and over a long period of time, will better conditions be accomplished. However, effort is being made to correct some of the many unsatisfactory low areas.

As streets are accepted the maintenance cost increases. Streets accepted this year were Newbert Avenue, Keating Circle and a part of Gibbens Street. Sidewalks and curbing were done in large part by W.P.A.

On September 21, 1938, devastating in proportion, but without loss of life, the hurricane, with its destructive wind and storm, caused considerable damage to property, up-rooted and blew down at least 600 trees, many of which blocked the highways, blew down poles, electric transformers and wires, and destroyed sidewalks and curbing in many places. Work clearing the highways, removing trees and stumps, filling holes and repairing sidewalks, streets and curbing, and cleaning debris was immediately undertaken. The results were noteworthy. South Weymouth and Weymouth Landing were more seriously affected than the other sections of the Town. From funds of \$35,950.00 received under Chapter 500, \$19,917.81 was spent for hurricane work.

Chapter 90 work consisted of reconstruction of Commercial Street on King Oak Hill and a section of North Street. It is planned to continue North Street during 1939.

After long and faithful service, James J. Higgins, Francis M. McGuire and Hugh C. Gilker were retired during the year.

The co-operation of the Board of Selectmen and the Police Department was greatly appreciated.

Respectfully submitted,

THOMAS J. KELLY,

Superintendent of Streets

REPORT OF TOWN ENGINEER

To the Honorable Board of Selectmen of the Town of Weymouth:

Gentlemen:

I submit my thirty-second annual report on surveying and engineering work for the Town during 1938.

Each report is of necessity more or less a duplication of former reports covering as it does definite surveying or engineering requirements common to every municipality, varying somewhat from year to year in the amount of work needed or perhaps changed in part by the addition of special work incident to the Town or to the particular year considered.

In general the major items are the preparation of Assessors maps; street surveys; takings and easements; lines and grades given; stone bounds set; etc.

During the past few years the work has been augmented by the preparation of many project plans; the staking and giving of grades for construction work done by the W.P.A. on many projects that were accepted; and the past year a conditional grant for the partial construction of a sewerage system in Weymouth was obtained from the Federal government and submitted to the voters at a special meeting in September last.

The preparation of Assessors' maps (65 sheets) the past year including the usual work at the Registry of Deeds, at the Probate Registry, and at the Land Court; the surveys, locations and measurements needed; the numbering of new streets on the maps; the replacement of sheets worn out by use; and all other work necessary to correct all sheets to January 1, 1939.

The aggregate new buildings; additions and alterations; including buildings removed from the sheets show a decrease of about $2\frac{1}{2}\%$ from the year 1937.

What might be called supplementary to the work on the Assessors' maps was the publication in 1938 of an atlas of Weymouth; this is the first complete atlas of the Town of Weymouth that has ever been published and is an exact duplication on a smaller scale of the Assessors sheets revised to January 1, 1938 (showing all street numbers), with the addition of an index map and a complete list of present street names alphabetically arranged with the old street names also shown in smaller type on the sheets and cross-indexed on the street list.

Due to the constant use of the Assessors sheets by the Assessors and also by outside parties, it was found necessary to supply them with cloth prints the past year; also each of the Assessors and all of the Town departments were furnished with a copy of the atlas and others were sold by the Town to banks and private parties.

The importance of promptly recording all legal documents affecting ownership of property is again urged, as failure to do so often results in a substantial expense to the owner or his heirs.

Of the necessary surveying ordered by your Board or by those in charge of town departments or of Town projects, the major items are briefly listed at the end of this report.

47 new stone bounds were set in 1938, several old bounds reset and others tested; there should be a greater number set the coming year.

I would recommend an appropriation of \$5,500. for the engineering department to cover the town survey, bound work and work ordered

by the Board of Selectmen in 1939, the above budget to include all the labor, supplies and expenses charged to the above appropriation including automobile or other transportation.

I would also recommend that the lithograph map first published in 1915 and later revised and re-published in 1929 be brought up to date and again re-published in 1939; this would require an additional appropriation of \$1,600. of which estimated amount about \$700. or \$800. would be paid to the lithographers.

A brief list of other work done in 1938 is appended herewith:—47 new bound stones as noted above were set on 11 different streets; many street lines and some with grades were given; street layouts; lines and grades for W.P.A. curb and walk projects given on 23 different streets; lines and grades for other W.P.A. projects such as: tennis courts, etc. at the Stella L. Tirrell playground; walls at Lambert Ave., at the Humphrey School, at the North Weymouth Fire Station, and at Pierce Road; grading, W.P.A. project at the Pratt School; W.P.A. grading at Great Hill Road and at Gibbens Street; W.P.A. work on Forest Street; W.P.A. project plan for a wall at Hunt School, and project plan for work around Weymouth Great Pond; staking, surveys, profiles, and descriptions of easements for drainage purposes; surveys and plans for takings or for lands to be deeded to the Town; staking and grades for street construction and curb work done by the street department; topographical plan of Nevin school grounds; surveys and measuring the cubical contents of various buildings in different parts of the Town for the use of the Assessors; and preparing and having published 500 small street maps of Weymouth. The above in general covers briefly the work of the engineering department during 1938.

I wish in closing to thank your Board, all other Town officials, and many citizens for the continued courtesy shown throughout the Town to me and to my assistants.

Respectfully submitted,

RUSSELL H. WHITING,

Civil Engineer

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

January 3, 1939

The Honorable Board of Selectmen,
Town Office, East Weymouth, Massachusetts.

Dear Sirs:

I respectfully submit my annual report of the activities of the Fire Department during the year ending December 31, 1938.

The Department responded to four hundred and fifty-nine alarms.

Dwellings	74
Chimneys	21
Manufacturing Plants	6
Automobiles	25
Barns	9
Apartments	2
Garages	5
Rubbish	19
Hen Houses	4
Sheds	5
Restaurants	5
Stores	7
Trucks	2
Dumps	18
Oil Burners	6
Gas Stations	1
Cement Mixer	1
Coal and Grain Co.	1
Post Office	2
Transformer	1
Drownings	3
Motor Boat tipped over ..	1
Church	1
Lost People	2
Bus hit fire alarm box ..	1
Inhalator	3
Emergency Calls	8
Woods and Grass	209
False Alarms	17

The apparatus is in good condition with the exception of some repairs that can be taken of by the Mechanic. Engine Three must have the pump overhauled and a new clutch; Engine Five must be repacked; Engine Two and Ladder Two have been painted by the members of the Department which was a saving to the Town. More of the apparatus will be painted during 1939.

The stations are in good condition except for a few minor repairs at Stations Two and Three.

I wish to thank the officers and members of my Department; and to those who have assisted the department in any way, I wish to extend my sincere appreciation.

Respectfully submitted,

TIMOTHY G. McCARTHY,

Chief of the Fire Department

ANNUAL REPORT OF THE COLLECTOR OF TAXES

To the Honorable Board of Selectmen of the Town of Weymouth:

I am pleased to submit to you, and through you, to the Citizens of Weymouth, my annual report of the Taxes, Interest and Charges collected by me, as Collector of Taxes, during the year 1938. These collections, as made and paid over to the Town Treasurer, apply to the several lists as committed to me for the years 1936, 1937, and 1938, and include assessments of Real and Personal Property, Moth, Polls, Motor Vehicle Excise and Water Liens.

1936 TAXES

Balance Outstanding January 1, 1938		\$37,878.80
(Includes all outstanding 1936 Taxes)		
Add Interest and Demands charged and Collected during 1938:		
Personal and Real Estate	\$ 2,217.31	
Motor Vehicle Excise	16.28	
Polls - Interest	.70	
Polls - Demands	2.10	
		2,236.39
Add for Tax Title Disclaimers:		
Linn	\$ 5.10	
Sunny Lea Incorporated	484.50	
		489.60
	Total	\$ 40,604.88
Less Collections of 1936 Taxes:		
Personal and Real Estate	\$ 34,767.70	
Moth	58.50	
Motor Vehicle Excise	84.45	
Polls	12.00	
Interest and Demands on above	2,236.39	
	Total	\$ 37,159.04
Less Abatements and Tax Title Credits of 1936 Taxes:		
Personal and Real Estate Abatements	\$ 2,054.06	
Moth Abatements	1.50	
Real Estate Tax Title Credits	1,252.46	
Moth Tax Title Credits	1.25	
Motor Vehicle Excise Abatements	122.57	
Poll Abatements	14.00	
	Total	\$ 3,445.84
Total Collections, Abatements and Tax Title Credits		\$ 40,604.88
Balance Outstanding December 31, 1938		None

1937 TAXES

Balance Outstanding January 1, 1938		\$ 249,303.93
(Includes all outstanding 1937 Taxes)		
Add Interest and Demands charged and collected during 1938:		
Personal	\$ 101.18	
Real Estate	6,144.56	
Tax Title Disclaimer (Sunny Lea Inc.)	6.31	
Motor Vehicle Excise	235.30	
Polls — Interest	24.74	
Polls — Demands	221.90	
Water Liens	6.85

REPORT OF THE BOARD OF ASSESSORS

January 14, 1939

To the Honorable Board of Selectmen:

Gentlemen:

We have assessed upon the polls, motor vehicle excise, water liens and estates of all persons liable to taxation, the sum of \$1,275,012.12 and have committed the same to Frank W. Holbrook, Esq., the duly elected Collector of Taxes, with our warrants in due form of law, for the collections and payments, in accordance with the votes of the Town and warrants of the County of Norfolk and the Commonwealth of Massachusetts.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report for the year 1938. The sealing fees amounting to \$335.02.

In the matter of fuel oil meters on tank trucks there has been required by the state to be installed on these devices this year a new type of selector valve or an approved air release which will further safeguard the quantity to be delivered through these meters.

My general work for the year is as follows:

Tested and sealed 3,346 weighing and measuring devices
 Not sealed 116 weighing and measuring devices
 Condemned 18 weighing and measuring devices
 Reweighing 489 food packages

Respectfully submitted,

CHARLES W. BURGESS,
 Sealer of Weights and Measures

REPORT OF THE ELECTRIC LIGHTING COMMITTEE

Weymouth, Massachusetts

December 31, 1938

To the Honorable Board of Selectmen:

The Appropriation Committee recommended and the Town Meeting voted \$35,673. for the use of this Committee. This amount was barely enough to maintain the service of lights in use. We therefore renewed our contract with the Weymouth Light and Power Company and were obliged to turn down all requests for improved lighting.

In October, we obtained permission from the Appropriation Committee to install ten new 60 C. P. Lamps, principally on town streets where there had been extensive building during the year and on two town ways which had never been lighted.

We have an unexpended balance of \$314.97 due mostly to credit for lights out of use following the September hurricane.

We are asking for 1939 \$35,820.72 to maintain our existing service together with our unexpended balance from 1938 which will take care of streets proposed for acceptance and for improved service about town.

Respectfully submitted,

JOSEPH KELLEY, Chairman
 ALFRED S. TIRRELL
 WALTER R. FIELD
 DANIEL REIDY
 J. HERBERT LIBBEY, Clerk

REPORT OF THE PARK COMMISSIONERS

January 18, 1939

To the Honorable Board of Selectmen,
Town Hall, Weymouth Mass.

Gentlemen:

The Park Commissioners submit the following report for the year ending December 31, 1938.

During recent years people have become concerned with the recreational side of life and insist more than in the past upon easy access to sports and other leisure time diversions of a widely varied nature.

Along with this unparalled development of park recreational facilities there has been an increasing tendency to build up a program of recreational activities designed to facilitate the widest possible use of parks.

In Weymouth we are very fortunate in having an understanding citizenry who really believe in progress.

All of our new construction has been carried on by the W.P.A. Committee. Work has been carried on at Great Hill, Webb Park and Weston Park.

Progress has been made on the Stella Tirrell Park this year and plans are being made to open it to the public next summer. The athletic field has been completed and the foundations for three tennis courts laid. These will be completed in the early spring. Swings and sandboxes for the children will be ready for the summer playground.

Greens at the intersection of streets have been cared for and gardens planted wherever possible.

Two of our parks were badly damaged by the recent hurricane. Weston Park lost forty-six of its beautiful old trees and Bradford Hawes lost thirty trees, mostly pine.

North Weymouth Beach is still very popular.

Leary and Bauer Meadow on Ralph Talbot Street has given the people of South Weymouth an excellent place to skate. The pond has been kept clear so that all might enjoy it.

At this time the Park Commissioners wish to thank all who co-operated in carrying out our program and the newspapers who gave generously of paper space.

Respectfully submitted,

EVERETT J. McINTOSH, Chairman
CHARLES W. BURGESS, Clerk
ARTHUR I. NEGUS

WEYMOUTH PLAYGROUND REPORT FOR 1938

The seven playgrounds of Weymouth were opened Tuesday, July 5, for a period of six weeks, ending on Friday, August 12, 1938. The personnel:

Bicknell Park	Miss Elizabeth Leseneschal
Bradford Hawes	Miss Agnes Galligan
Pond Plain	Miss Meredith Bragg
Webb Park (3 weeks)	Miss Katherine Gunville
(3 weeks)	Miss Marion Spencer

Stetson Field	Miss Rita Murphy
Weston Park (3 weeks)	Miss Rose Leonard
(3 weeks)	Miss Marie Keohan
Lake Street (1 week)	Mr. William Caruso
(5 weeks)	Mr. Felix Carracilo
Handwork Supervisor	Miss Barbara Cleaves

Co-ordination was carried on by Charles Wintermeyer, Albert De Lorenzo (3 weeks) and Burton Tisdale (3 weeks). They were assisted in the handling of tournaments by Martin Mahoney, who was stationed at Weston Park during the final two weeks of the playground season. The co-ordinators coached the boys' baseball teams, distributed and collected equipment, managed sports contests between the playground, provided transportation for inter-playground activities, held tournaments and aided instructors at the different parks.

Equipment for the following activities were supplied: Baseball, Basketball, Punchball, Volleyball, Paddle Tennis, Dodgeball, Quoits, Horseshoes, Croquet, Ring Toss, and Shuffleboard.

ATTENDANCE

The average attendance at each park was as follows:

Bicknell	55	Lake Street	125
Bradford Hawes	85	Stetson Field	75
Pond Plain	75	Webb Park	55
Weston			130

COMPETITION

More inter-playground contests were fostered this year, especially in baseball and volleyball (girls) and punchball (girls). In baseball, the Weymouth Playground League was formed during the first week and played a five-week schedule. This League had two divisions, one for boys under 12 years (called the Midgets) and one for boys under 15 years (called the Juniors). The Senior Division was discontinued this year because there weren't enough boys of this age in regular attendance at the parks. In addition, the smaller boys seemed to have much greater need for coaching.

The final League standings were as follows:

MIDGETS under 12 (30 games schedule)

	Won	Lost	Percent
Bradford Hawes	8	2	.800
Weston	8	3	.729
Lake	6	3	.667
Stetson	4	6	.400
Bicknell	2	4	.333
Pond	2	6	.250
Webb	0	6	.000

JUNIORS Under 15 (12 games schedule)

Stetson	3	1	.750
Bicknell	2	1	.667
Weston	3	3	.500
Bradford Hawes	3	3	.500
Webb	1	1	.500
Pond	0	1	.000
Lake	0	2	.000

The boys were very enthusiastic towards the league and eagerly followed the standings as published each week by the Weymouth Gazette, the Weymouth Truth and the Quincy Patriot Ledger. There was also keen interest exhibited in the individual batting and pitching championships. George Rand of Westons, won a new "Babe Ruth" autographed baseball bat, symbolic of the batting championship. His average was .387, edging out his team-mate, Tommy Locke, who had an average of .375. Benny Delvacchio of Lake St. received a new official league baseball, symbolic of his rating as the pitcher with the best record for the five-week season. He won five games, while losing one.

The members of the championship teams are:

Bradford Hawes (Midgets)

Stetson Field (Juniors)

TOURNAMENTS

The last three days of the final week were contest days. Tournaments were held at the various parks, Bradford Hawes park was the scene of the shuffleboard playoffs; Bicknell Park was the scene of the volleyball playoffs; Stetson Field was the scene of the punchball, baseball and the paddle-tennis playoffs; and Weston Park was the scene of the Horseshoe playoffs.

Each of the parks had its own entrants taken to the park where the playoffs were taking place by the co-ordinators.

The contests revealed the following boys and girls as the champions of the Town for 1938:

Event	Winners	Park
Horseshoes—		
Midgets: G. Townsend, B. Cameron		Weston
Juniors: C. Desmond, J. Sullivan		Weston
Seniors: V. Farrer, G. Sheppard		Lake Street

Shuffleboard—

Midgets: G. Sterling, D. Purcell	Weston
Juniors: E. Ruttila, B. Boyle	Bradford Hawes
Seniors: E. Locke, R. Cavanaugh	Weston

Paddle Tennis — Girls

Juniors: R. Howe, M. Blenis	Stetson
Seniors: M. Gagnon, B. Desmond	Weston

Paddle Tennis — Boys

Midgets: M. Gorman, A. Boettcher	Weston
Juniors: R. Cavanaugh, E. Locke	Weston
Seniors: R. Mahoney, J. Sullivan	Weston

Volleyball — Girls

Bicknell

Marie and Eileen Kezer, Beverly and Barbara Stearns, Betty Clark, Lucille Sheppard, Joan Madden, Eleanor Simonds, Lorraine Cheverie, Kathleen and Geraldine Mahoney, and Janet Smith.

Dodgeball Baseball — Girls

Stetson

Rose Marie Howe, Mabel Blenis, Dorothy Corey, June Kenn, Winifred Caldwell, Shirley Joyce, Florence Bearce, Mary Corridan, Jane Bacon and Helen Buitenhuis.

Special mention should be made of the "Ragweed Riddance" campaign. All the children of all the parks united in uprooting the ragweed before its flowering in August because the pollen of the flower causes hay-fever. Several children picked and destroyed over 10,000 plants among whom were Patricia Tormey, Irene Vickery, Nancy Cochrane and Franklin Smith.

HANDWORK

Miss Barbara Cleaves was in charge of the handwork this year. Among the projects completed at each park under her supervision were: hot dish mats, plaster placques, sandals, and door-stops using the "Seven Dwarfs" as models.

GENERAL ACTIVITIES

Once each week, usually Thursday, a special event was held at each playground. These special events included the following: horrible parades, character parades, doll carriage parades, track and field events, amateur hours, bicycle and foot races, cold drink sales, weenie roasts, treasure hunts, sand modeling contests, soap bubble contests, parties, plays, costume parties, recitations, art gallery exhibitions, one-act plays, hobby shows, stunt contests and "Open House" day.

The anual playground picnics were held at Wessagusett beach, Webb, Weston, and Bicknell parks went on Monday, August 8 and Pond, Stetson and Bradford Hawes on Tuesday, August 9. Swimming, games and refreshments were enjoyed by more than 600 children and parents attending. Buses transported the children from the parks at ten A.M. and returned them to the parks at three-thirty P.M.

INFORMATION

Hours: Main Library 9 A.M. to 9 P.M. daily. Children's Room 2.30 to 6 P.M. daily; Saturday 9 A.M. to 6 P.M.

Summer hours: July and August 9 A.M. to 6 P.M. Saturday 9 A.M. to 9 P.M.

Branches: 2 to 5 and 7 to 8 P.M. daily except Wednesday.

Weymouth Heights Station: 2.30 to 6 and 7 to 8 P.M. Monday.

10.30 to 6 and 7 to 8 P.M. Thursday.

Lovell's Corner Station: 2.30 to 6 and 7 to 8 P.M. Tuesday.

Nash's Corner Station: 2.30 to 6 and 7 to 8 P.M. Tuesday.

The Library and the Branches are not open Sundays, legal holidays, nor the 17th of June.

The Library is for the use of all residents of Weymouth. Temporary residents are entitled to the same privileges as permanent residents.

Each card issued to an adult entitles the holder to one book of recent fiction (a book published within the last year), one current periodical, and any reasonable number of other books.

Children under Senior High School age are entitled to a card if the application is signed by a parent or guardian. Cards issued to children entitle the holders to two books, only one of which may be fiction.

All books from the circulating department, except the new fiction, may be kept for 14 days. At the request of the borrower any book not in demand will be charged for one month, subject to recall after two weeks if requested by other borrowers. Fiction published within the last calendar year, and recent numbers of magazines are limited to seven days with no renewal privilege.

The vacation privilege allows a borrower to take books which are not recent publications for an extended time.

A book cannot be transferred from one card to another, but any 14-day book may be renewed at the library, by mail or by telephone (*), unless another borrower has asked to have the book reserved. The date due, the author and title of the book, and the borrower's number should be stated when the request for renewal is made.

Any book will be reserved at the request of a borrower, who will be notified as soon as the book is available. A charge of one cent is made for this service.

A fine of two cents a day will be incurred for each day's detention of a book after it is due. When a book is sent for by the librarian it will be at the expense of the borrower.

For the convenience of residents living in different parts of the town books are exchanged through the Stations as follows:

Lovell's Corner, Pratt School	Tuesday
South Weymouth, Fogg Memorial Library	Tuesday
Nash's Corner, 3 West Street	Tuesday
East Weymouth, East Weymouth Branch	Thursday
North Weymouth, North Weymouth Branch	Thursday
Weymouth Heights, Adams School	Thursday

(*) Telephone: Main Library, Weymouth 1402.

East Weymouth Branch, Weymouth 1920-W.

TUFTS LIBRARY SERVICE FOR THE ENTIRE TOWN OF WEYMOUTH

In addition to the Branches and Stations shown above
Books are distributed through eleven schools

SIXTIETH ANNUAL REPORT OF THE TUFTS LIBRARY

Mile Posts In Library Service

With the close of 1938 the Tufts Library has completed six decades of service to the people of Weymouth. This has been a growing service as the town has grown. The increase in the circulation of books at each ten year mile-post is evidence of the growth. The final year—1938—records the largest circulation in the history of the library. For this, our peak year of service, the trustees submit their annual report.

The Place Of The Library In The World Today

It is significant that the circulation of books from a public library should over-reach that of former years now, when the world is challenged by new and grave problems in inter-national and national affairs, and by local problems affecting the thinking and the living of every individual. It is evidence that people are finding some help in their thinking, as well as some recreational escape from their problems through books. These are both proper functions of a public library.

The circulation of books in the Tufts Library for 1938 was 194,608, or a gain of 17,649 over the previous year. Figures can talk;—and here are a few of the things that they tell us:

More Weymouth citizens were library borrowers in 1938 than in any former year. The library has 8,378 active borrowers.

The Significance Of Figures

More books were borrowed from the library in 1938 than ever before.

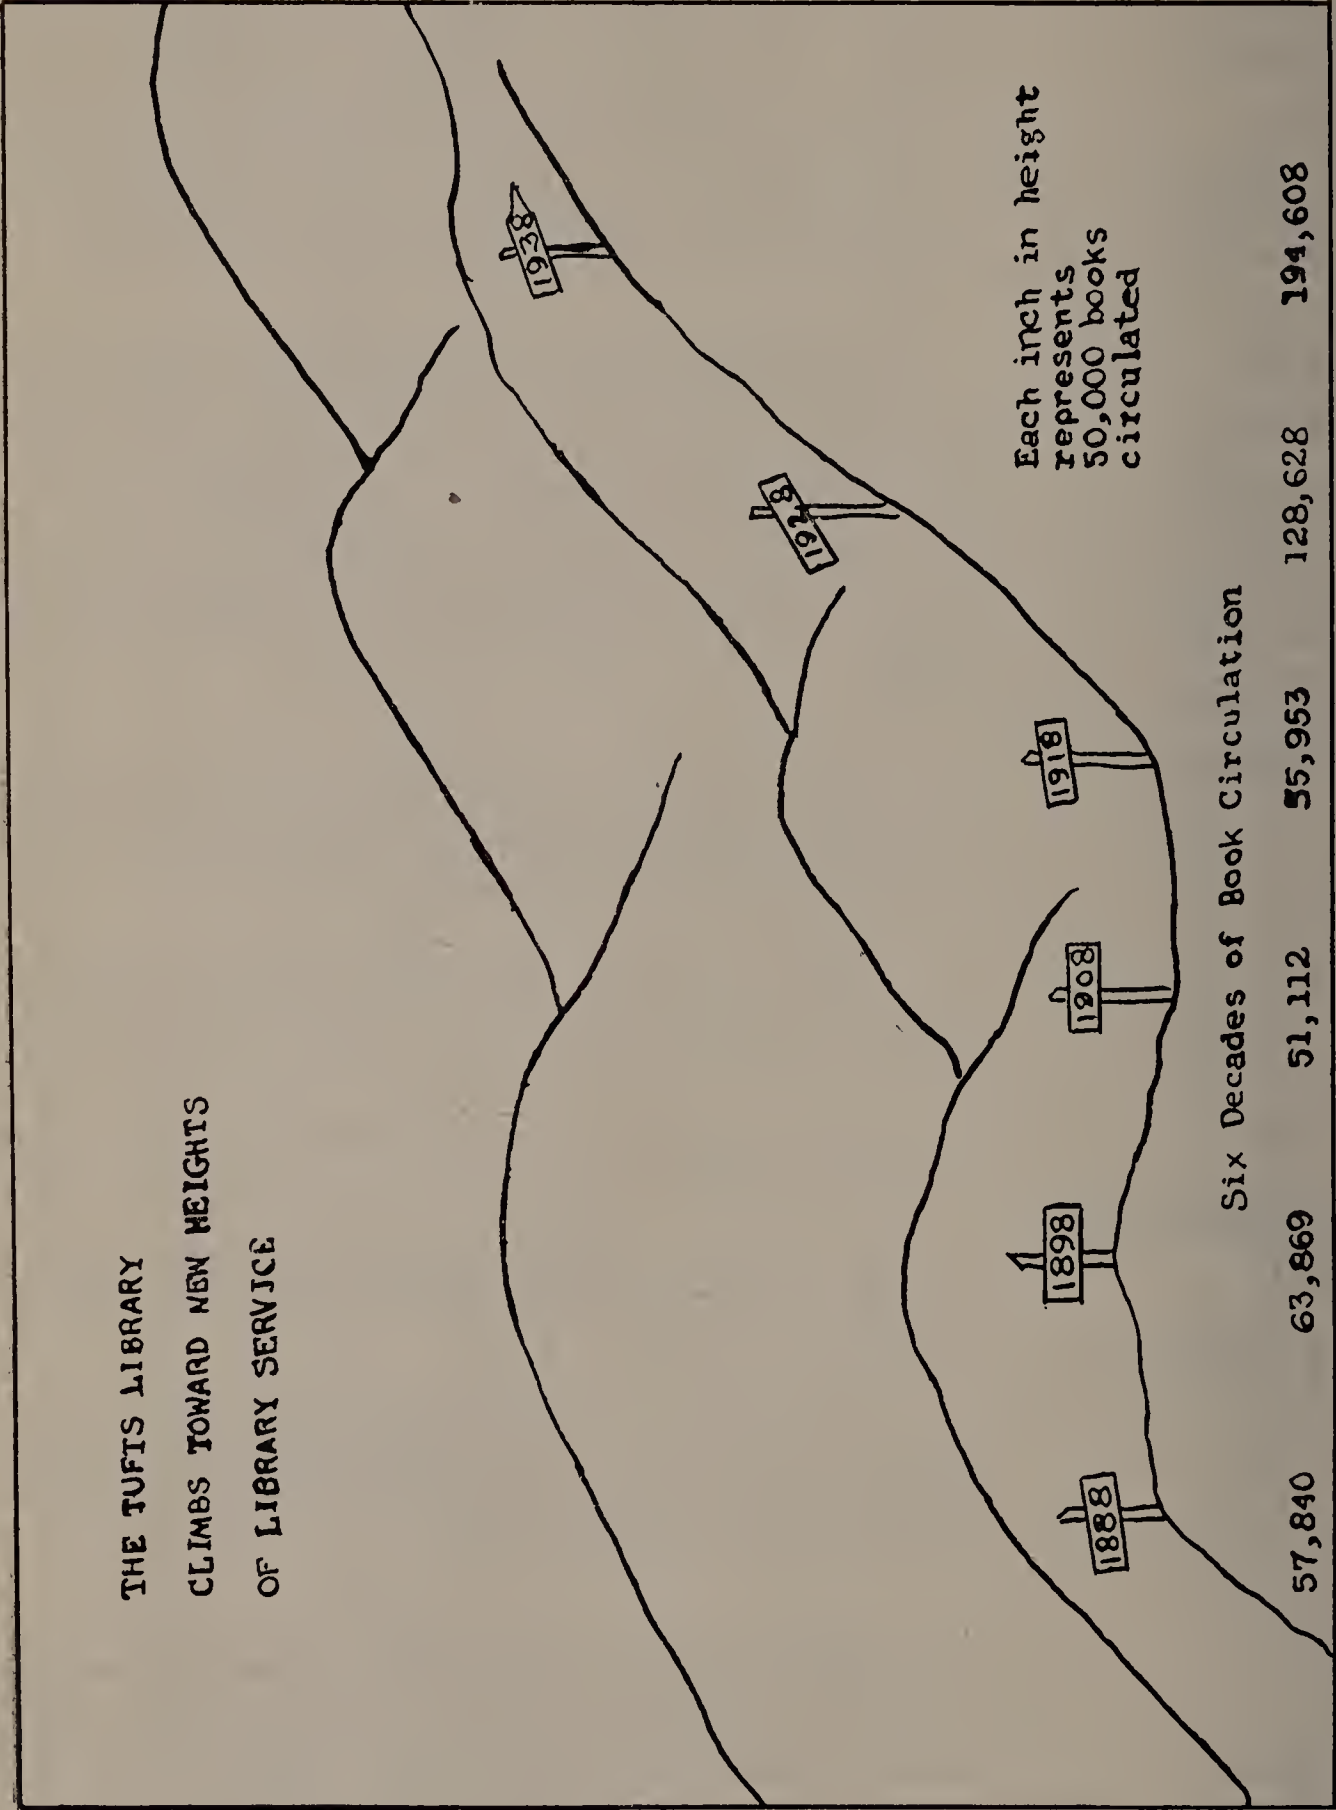

Better books are being read: biographies, books of travel, the arts, the problems of the times are increasingly popular.

The children constitute almost one third of the library's patronage,—a very important third, for they are the readers of the future and the library is helping to form their reading tastes.

New Books Are Appreciated

More new books were put into circulation in 1938. The library had a somewhat larger book appropriation and the effect upon circulation was immediate. North Weymouth Branch, in spite of crowded conditions and a 10% circulation loss in 1937, jumped to a 10% gain in 1938. New books are appreciated in North Weymouth. And new books are also appreciated in East Weymouth. The East Weymouth Branch had a circulation in 1938 of 52,501 books, a gain of 23.6% over 1937. Such figures tell more than a story of books read. They tell of an attractive branch library and of intelligent and enthusiastic service on the part of the branch assistants.

THE TUFTS LIBRARY
CLIMBS TOWARD NEW HEIGHTS
OF LIBRARY SERVICE

Growth In Vision Of Service

As we look backward at the mile-posts marking our six decades of service, we see more than the growth of circulation figures. We see a growing vision of service. First there was a little library in one room; then baskets of books were sent to remote parts of the town. Some years later a new building was erected; and still later the stacks were opened to the public.

A tall mile-post marks the starting of a branch library in North Weymouth, followed in two years by one at East Weymouth. Only ten years ago a room was made available in the Main Library where the children might come into the magic world of books, be transported into fairyland, follow high quests with the knights of the Round Table, and walk with heroes down the ages. The Children's Room reached out into the schools, with class room libraries and reading groups.

Another mile-post was passed in 1933 when the weekly basket of books sent to Weymouth Heights gave place to an attractive little Deposit Station in the Adams School; a station that tripled its book circulation in a year. And now, this last year, Weymouth Heights has a second day of library service every week, and two new stations have been opened, one at Nash's Corner and one at Lovell's Corner.

At Weymouth Heights the book circulation has increased 18% in 1938. At Nash's Corner, open for one day a week, 1,727 books have been borrowed since the station started on July 5th. At Lovell Corner, where the station was only opened the middle of October, there has been a circulation of 1,476. In both cases the service has far exceeded that of the basket delivery of books and it is rapidly growing.

Today the library is reaching almost all parts of the town. It is serving Weymouth through

Service For All

One Delivery Station
Twelve Schools

The Children's Room

1938 marks the tenth anniversary of the opening of the Children's Room. The boys and girls who thronged to that opening to listen to our first story hour, are young men and women today. Today the room is central in the life of the library. How far its influence may spread, we cannot know. We do know that the sunny room, with its book lined walls, its low tables and chairs, its lovely pictures and ever changing exhibits, belongs to the children. They have made it their own. They have read its books, 26,908 of them in the past year. They have gathered for story hours, they have traveled to far lands and followed gypsy trails, all within its walls and through the pages of its books.

**Work
With
Schools**

And the Children's Room has reached out to the schools. Books have been loaned to the High School and class room deposits have been placed in eleven elementary schools, including the two parochial schools. 2,105 books have been borrowed 8,931 times through these school stations. The teachers have welcomed these books and used them with the children, and the library has awarded 538 state certificates and 49 honor certificates for library books read and reported on from the graded lists issued by our Massachusetts Library Division.

Visits have been made to class rooms by the children's librarian, with book talks for the older grades and stories for the small children, as follows:

Junior High School Annex	2 visits
Adams School	Grade 6
Bicknell School	Grades 4, 5, 7 & 8
Hunt School	Grades 4 & 5
Nevin School	Grades 3, 5, & 6
Pond School	Grades 5, 6, & 8
Shaw School	Grades 3, 6, 7 & 8

Exhibits

The library is grateful for the loan of many interesting and valuable exhibits. These are of educational value and stimulate wholesome interests in the boys and girls. The trustees acknowledge the following loans with sincere appreciation.

- Compositions and drawings of book covers.
Grade 7 Sacred Heart School.
- Model airplanes, locomotive and ship. Kenneth Chubbuck, Grade 7, Hunt School.
- Ivory Soap Sculptures. Proctor & Gamble Co.
- Campfire handicraft exhibit. Tayanita Camp Fire Girls.
- Girl Scout handicraft exhibit. Girl Scouts Troop 2.
- Mural of Snow White and the seven dwarfs. Grade 8 Adams School.
- Mural of Mother Goose. Milton Public Library.
- Jewelry, leather work, weaving, cloisonne, and other crafts. Craft Center School.
- A model log cabin. Grade 7 Nevin School.

The library is especially pleased to have so many exhibits that are made by the children themselves.

The trustees wish to express their appreciation for the help given through the W.P.A. in 1938 toward the up-keep of the library property. A painting project brightened and freshened, and changed the aspect of the library building. It was greatly needed.

**Mainte-
nance**

Other maintenance of the building includes a thorough overhauling of the heating system and a

connection of the water supply with the heater, so that hot water has been made available in the library. The floor of the main room has been re-finished, and a small amount of new shelving added in the Children's Room and at the East Weymouth Branch. Several leaks have had to be repaired in the plumbing, and the time is not distant when much of the old lead piping will have to be replaced with brass pipes.

Personnel

There has been one resignation from the staff of the library in 1938, that of Ruth B. Litchfield on October first. Miss Barbara Pearson and Miss Marjorie Bentley joined the staff as summer workers. Miss Pearson has started the four year course in Library Science at Simmons College and Miss Bentley is a student at Bridgewater Normal School.

The library cooperated with the High School again during the spring by taking one of the seniors in the business course for a week of practice work.

Professional Contacts

The librarian has given several book talks in various sections of the town during 1938, and both she and some of the assistants have attended and participated in professional library meetings. This year the librarian is president of the Old Colony Library Club, a group comprising the libraries in our own section of the state.

The Boston Herald Book Fair, which occurred in November during Good Book Week, offered unusual opportunities to hear and see outstanding authors and book exhibits. As far as possible the members of the staff took advantage of these opportunities.

In Memoriam

On July 16th Miss Martha J. Hawes, librarian of the East Weymouth Branch from its founding in 1924 to May 1936, died. This was the close of a lifetime of devoted and happy service in the town of Weymouth. Miss Hawes' kindly spirit was reflected in the atmosphere of the library, which was like a second home to her. During her active years she embodied the spirit of community service which is the ideal of the public library. In her honor the branch was closed during the hour of her funeral.

As the year drew to its close another former worker in the Tufts Library passed from our circle. Mrs. Edwin R. Senior helped at the library desk from 1924 to 1930, and those who worked with her enjoyed her companionship and appreciated her cooperation. It is with sorrow that we record her passing.

The library has received a unique gift this past year. An old Civil War flag, with the original thirteen stars, is the gift of Mrs. Harriet Baker Batchelder. Such a gift has historical significance for Weymouth and we wish that we had better facilities for displaying it.

Gifts

The trustees are grateful for the many books which have been given to the library, especially for the large collections given by Mr. Thomas Allen of North Weymouth, and from the estate of Miss Martha J. Hawes. These and other gifts of books are listed at the close of this report and are gratefully acknowledged.

The Tufts Library stands at the sixth of its ten year mile posts. It has taken account of stock and it looks forward to the future. Today the whole world stands at a crossroad. Grave problems confront us upon all sides and affect the lives and fortunes of all our citizens. We need the wisdom of past experience and the knowledge of present happenings. We need information to help us interpret the issues of today, and our young people need knowledge to help them find their places in the economic life of tomorrow. The treasure house of books is a vast reservoir of such information. Its pages lie open to the public through the services of the library. Public libraries have never been luxuries. They are more necessary to the economic well-being of the people today than ever before. It is the earnest purpose of the Trustees of the Tufts Library to make increasingly available to the people of Weymouth the recreational and educational facilities that lie within the world of books.

Respectfully submitted,

CLARANCE P. WHITTLE,

President.

By order and in behalf of the Trustees.

GENERAL ANNOUNCEMENTS

MEETINGS OF THE COMMITTEE

Regular meetings of the School Committee are held on the first Tuesday of each month at the High School Building at 8 p.m.

ENTRANCE AGE

No child shall be admitted to school in September unless he has reached the age of five years on or before the first day of April preceding. Children entering for the first time will be admitted only during the first two weeks of school.

BIRTH CERTIFICATES

A birth certificate is required for entrance to the first grade.

VACCINATION

No child shall be allowed to enter the first grade without a certificate of successful vaccination.

Quotation from State Law, Chapter 76, Section 15: "An unvaccinated child shall not be admitted to a public school except upon presentation of a certificate like the physician's certificate required by Section 182 of Chapter 3."

EMPLOYMENT CERTIFICATES

No child between the ages of fourteen and sixteen shall be allowed to leave school until a signed promise of employment card has been presented to the principal of the building in which he is attending school. Employment certificates and educational certificates are issued at the office of the Superintendent of Schools in the High School Building from 9 to 10 a.m. every week day except Saturday.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Weymouth:

The School Committee herewith submits its report for the year 1938, together with the report of the Superintendent of Schools, and reports of the several departments, all of which are made a part hereof.

A year ago we were compelled to record the death of Frederick W. Hilton, who had served as principal of the High School for twenty-six years; and at the same time we announced the appointment of Wallace L. Whittle as principal of the High School to fill the resulting vacancy. Mr. Whittle has now for more than a year filled such position, and the Committee wishes here to affirm that our confidence in him has been justified.

During the past year a new course was added to the Vocational School through the means provided by the George-Deen Fund, so-called. This course embraces various types of sheet metal work, together with the related subjects of drafting and blueprint reading. The printing department also was enlarged at the same time. To fulfill the requirements for enlarging these courses, considerable new equipment was purchased.

It became necessary to make room for these enlarged courses; and for increased attendance at the High and Vocational Schools, new classrooms were needed. One new classroom was created in the basement of the Jefferson School; and a new manual training room, in the location of the old lunch room in the High School. Other emergency work consisted of repairing damage done by the hurricane, which was considerable.

School attendance seems to be increasing in a slight degree, but this increase is confirmed almost entirely to the High School. Attendance in the grades has been and is practically stationary. No substantial decrease in school attendance is expected, and the probability is that there will be a slow but steady increase.

Last year's appropriation did not permit the regular increases in the salaries of those teachers who were under the established maximum rates on September 1, although the budget as presented in the annual report did provide for these increases. In fairness to the younger teachers we believe that the appropriation to be made in March should make such allowance. The amount of money involved, as and from September next, will amount to \$5,920.00. There are now one hundred and eighty-nine regularly employed teachers, of whom eighty-seven are below the maximum salary rate.

There is a present opportunity for enlarging the premises of the Edward B. Nevin School by securing nearly an acre and a half in the rear of the school yard bordering on Nevin Road. This land will be needed in years to come, and we recommend that it be now purchased.

Herewith follow our estimates of expenses for the coming year with comparative expenditures for last year:

	Expenditures 1938	Estimates 1939
Superintendent	\$ 6,500.00	\$ 6,500.00
Other General Salaries	3,513.00	3,550.00
Other General Expense	1,390.21	1,500.00
Teachers' Salaries	280,098.51	287,050.00
Textbooks and Supplies	14,559.42	15,000.00
Transportation	17,600.00	17,700.00
Support of Truants		300.00
Tuition	355.50	300.00
Janitors	29,517.00	29,600.00
Fuel	10,008.75	11,100.00
Light and Power	4,279.17	4,000.00
Maintenance	26,966.96	25,000.00
Other Expense	1,297.31	1,200.00
Day Household Arts	4,503.55	6,000.00
Day Industrial	25,750.57	26,000.00
Total Expenditures	\$ 426,339.95	
Total Estimates		\$ 434,800.00

Respectfully submitted,

PRINCE H. TIRRELL, Chairman

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Members of the School Committee:

I herewith submit my thirtieth report, the same being fifty-third in the series of annual reports of superintendents of this town. The special activities are covered in separate reports which are included.

ACCOMPLISHMENTS

1. Seventh grade room built in basement of Jefferson School
2. New manual training room in basement of High School, to make space for a sheet metal shop in the Vocational School
3. Sheet metal shop constructed and equipped in basement of Vocational School
4. Two teachers employed for sheet metal work, and one teacher for extension of work in printing, under provision of the George-Deen Fund
5. Ornamental fence completed around Legion Memorial Field
6. Public address system installed in High and Vocational Schools
7. High School Band equipped with new uniforms
8. Thirty-five lindens planted on Hunt School grounds, to replace trees damaged by hurricane
9. Motion pictures of High and Vocational School activities
(These pictures taken by Frances E. Whipple, Director of the Vocational School, have been presented 124 times: in Weymouth, 22; on Cape, 32; at Brockton Fair, 66; in other towns, 4

RECOMMENDATIONS

1. Construction of a hall and four classrooms at the Edward B. Nevin School, according to plans which have been prepared, and estimates, which will be presented at the Annual Town Meeting
2. Purchase of such land as is available at the rear of the Edward B. Nevin School from Mrs. Bessie T. Nevin, this land to be used for a playground for the small children in the building
3. Construction of additional seating accommodations in the grandstand at Legion Memorial Field, together with shower baths and dressing rooms
Note:
Plans have been prepared for this work, to be done under the W.P.A., provided money is appropriated from the Rhines Fund to cover the cost of material.
4. Bicknell School
 - (a) Re-grading of the entire ball field together with fence and retaining wall to enclose same.
 - (b) Leveling of the depression in front of the building, with provision for four tennis courts, to be asphalted in such a manner that the area may be used for a skating rink in winter. This work may also be done under the W.P.A. Plans have already been prepared and presented for the approval of government officials at Washington.

- 5. Attention is again called to the fact that the toilets in the old Pratt School need to be remodeled in order to give suitable accomodations for the pupils.
- 6. Leveling of the area across the road from the High School: the higher area to be used for a hockey field; and the lower area, for a skating rink. This work should interfere in no way with the erection of an additional building which must be built on that plot in the near future.

ITEMS OF INTEREST

- 1. There are no illiterate minors of record in this town
- 2. Fifty-seven truancy cases from an aggregate attendance of 804,259. Cost of truancy to town—\$13.00
- 3. Per cent of attendance:
Weymouth 94.27 — State 94.05
- 4. No pupils in state schools organized for correction of truancy or school delinquency
- 5. Cost of education per pupil in average membership:
Weymouth \$88.45 — State \$100.41
- 6. Increase in school population since 1924:

Enrollment	High	Elementary	Total
June, 1938	1,576	3,235	4,811
June, 1924	550	2,671	3,221
Increase	1,026-186%	564-21%	1,590-49%

(Graphic charts are given later).

- 7. Sixty-one of last year's High School graduates known to be attending teachers' or liberal arts colleges
- 8. No pupil who has been certified to college in 25 years has been reported as failing. Many have obtained honors and scholarships
- 9. Musical Conclave for 1939 of Mayflower Festival Association will be held at Weymouth High School on May 6
- 10. Credits to be deducted from school appropriation to determine net cost to town.

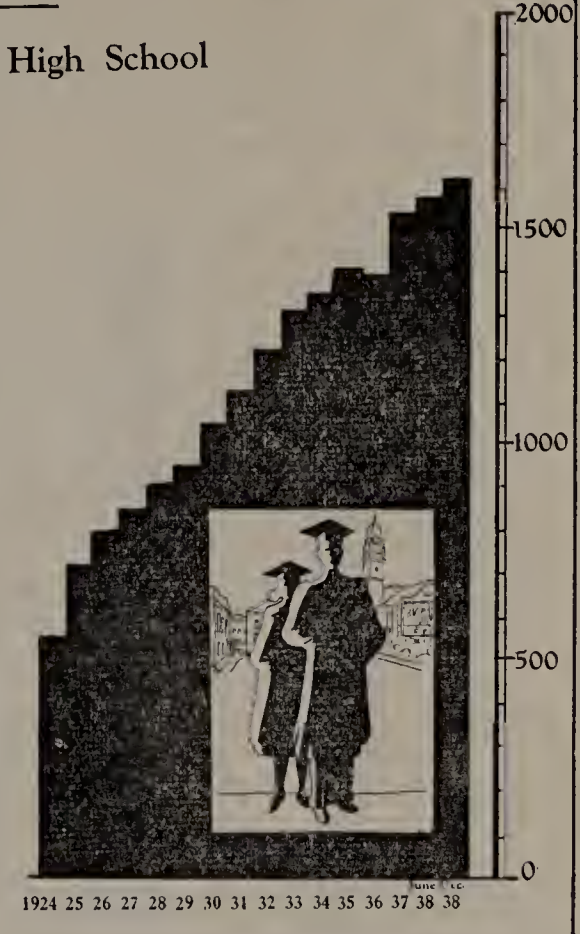

Graphic Record of School Population

(Fifteen Years)

All Schools

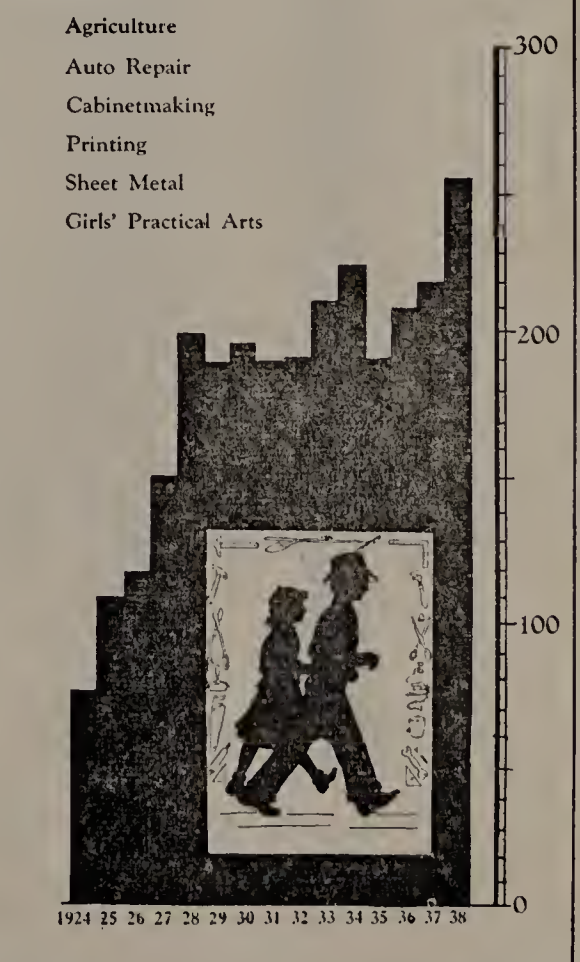

High School

Elementary Schools

Vocational Schools

- Agriculture
- Auto Repair
- Cabinetmaking
- Printing
- Sheet Metal
- Girls' Practical Arts

The enrollment figures in the graphic charts cover a fifteen-year period from 1924 through 1938. This period is chosen intentionally, as within that space of time occurs the introduction of all vocational education, with the exception of agriculture which was started in 1916. From 1924 to the present time carpentry, cabinetmaking, printing, shoemaking, automobile repair, and sheet metal work have been added to the regular courses in the High School. Carpentry and shoemaking have been discontinued, owing to lack of demand for this type of training. The shrinkage caused by these changes is shown in the graph.

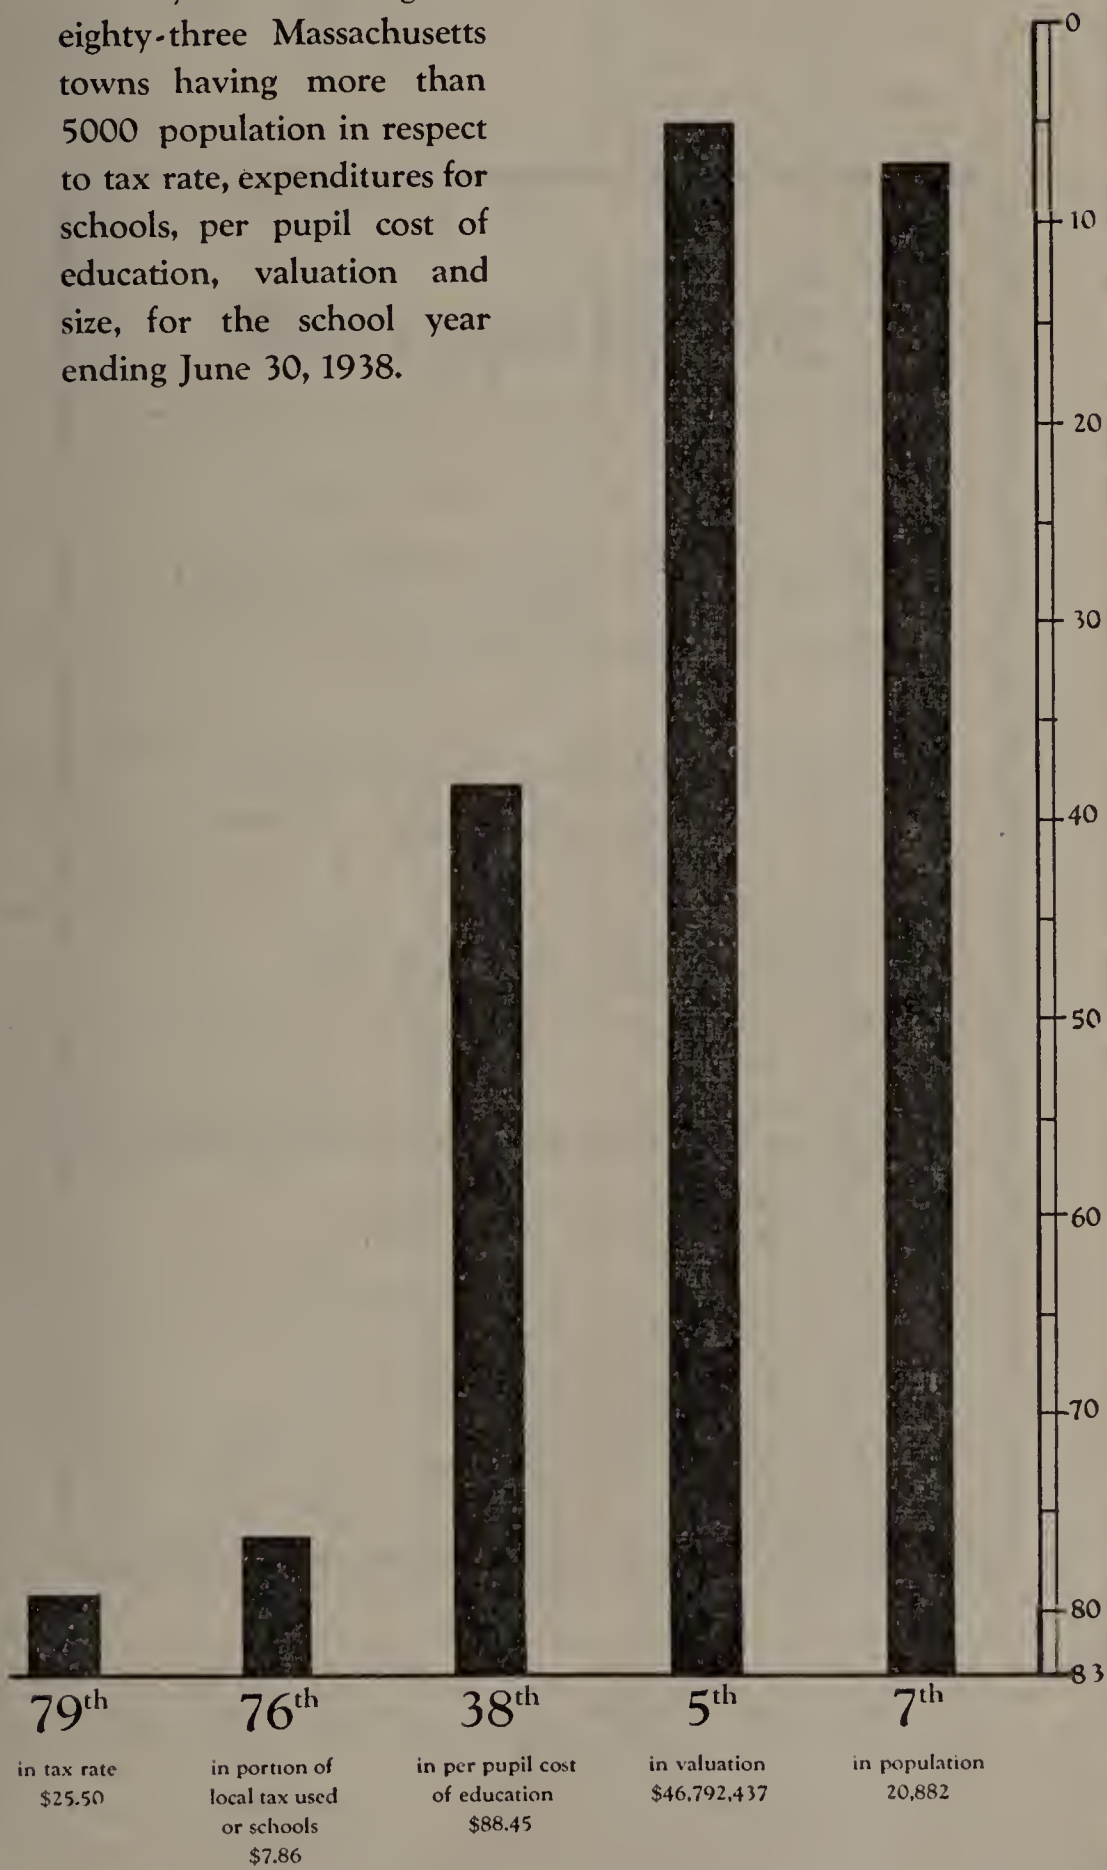

The High School is showing a very rapid increase, with nearly three times as many pupils as there were fifteen years ago. The modern set-up of society, with its elimination of youth from industry and business, has brought a heavy load upon the upper grades of our public school system. Only a few years ago boys and girls between the ages of fourteen and sixteen were employed extensively in the shoe industry. At one time the George E. Keith Company employed them to such an extent that there were practically half as many pupils in the eighth grade of the James Humphrey School as there were in the seventh, a large number of children over fourteen having left to work in the factory. At the present time there is a tendency to employ very few under the age of eighteen; and only a few between the ages of eighteen and twenty.

If society is so organized that it is becoming increasingly difficult for those between the ages of fourteen and twenty to get work, then the schools should be so organized as to make provision for the education of this older group for the positions which they must occupy when they leave school. With this in mind, the industrial work was undertaken and broadened until today there is a large and increasing group, as shown in the graph. That the work started nearly fifteen years ago was along the right line for the solution of the problem is evidenced by the fact that at the present time there is a growing movement throughout this and other counties of the state to start industrial schools, state and county supported, for the benefit of those who wish to prepare for practical lines of work.

The graph for the schools as a whole shows a tendency to flatten out, indicating that the peak of the enrollment is practically reached, unless the pupil load is increased by new building construction, of which there is considerable throughout the town.

The elementary grades show a marked reduction, with the highest point of enrollment occurring in 1933 and the lowest point, in 1938; but with a marked increase during the fall months, indicated in the last column. This decrease is in keeping with a like shrinkage in the number of elementary pupils all over the country. A recent survey showed a decrease of nearly 8% for the country as a whole. Weymouth's is not quite so large as that. The state report for 1937-1938 records in the census of children from five to seven years a decrease of 18% in ten years; from seven to fourteen years, a decrease of 8%.

THIS chart shows the rank of Weymouth among the eighty-three Massachusetts towns having more than 5000 population in respect to tax rate, expenditures for schools, per pupil cost of education, valuation and size, for the school year ending June 30, 1938.

The total number of teachers prior to 1938 who have retired under the provisions of the Massachusetts Teachers' Retirement Act is twelve. Of these three have passed away. The largest number listed previously in any single year is three. During 1938 five have retired.

Miss Crotty, Miss Conroy, and Miss Tucker have been co-workers during the entire period of my service in Weymouth, nearly thirty years. Their leaving is a keen personal loss, as their interest, co-operation, loyalty, and support have always been a source of the deepest satisfaction.

Miss Crotty began her teaching at the old Tufts School in 1887, first in Grade I, and from 1892 in Grade III. She was transferred to the New Hunt School in 1916 and taught a third grade until last June. Miss Crotty will be missed by the children, teachers, and parents of Weymouth Landing. She always maintained the same energy and enthusiasm with which she commenced her life work, and it has been said by many that her last year of teaching was one of her best.

Miss Conroy taught in East Weymouth from 1892 until last June. Many pupils will remember her for drill work and for her ability to leave a lasting impression of the knowledge which she wished to impart. The best wishes of pupils, associates, and the community follow Miss Conroy in her retirement.

Miss Tucker was appointed as Supervisor of Manual Training in 1913, having been employed during her first years by the women's clubs of the town. Her success in bringing out the best in a boy was unusual. She was affectionately known by the boys of the town as the "boss carpenter." Through manual training she has started many on the road to an interesting use of leisure in adult life, as well as instilled in their hearts the value of honesty, accuracy, co-operation, and other desirable qualities.

Miss McGreevy came to the Hunt School in 1916 from a teaching position in Whitman, and continued in that building until October. She has been a conscientious and successful teacher, and has the good will of all with whom she has come in contact during the period of her teaching.

Miss Williams was recommended by the State Department of Education for a clothing position in the Day Household Arts Department at the High School in 1924, at a time when the scope of this department was broadened. She has carried on her work systematically and well. Children under her charge have had excellent instruction in the valuable art of sewing.

Through allotments from federal money called the George-Deen Fund, it has been possible to add three teachers to the force at the Vocational School: one needed in the printing department, which has become so popular that there are now more than forty pupils enrolled; and two, for a new sheet metal department. Details will be found in the report of the Director of the Vocational School.

An extra commercial teacher was added to the High School faculty in September.

At the Jefferson School, it was necessary to double up in the first three grades to make room for a seventh grade to be transferred from the Junior Annex at the High School. An assistant has been placed in the first and second grade room to relieve the situation for the balance of the year. An assistant has been placed in the Shaw School, in which there is an overcrowded first and second grade.

CONTRIBUTORY RETIREMENT ASSOCIATION

Last year three janitors who were over seventy years of age retired under the provision of the Contributory Retirement Act. This year Fred

W. Stoddard, janitor at the Athens School, was retired for disability on June 1.

MAINTENANCE AND OUTLAY

Several items under the expenditures for maintenance were unexpected at the time the appropriation was made.

1. Classroom at Jefferson School

The removal of the seventh grades from the High School made necessary the use of a part of the basement at the Jefferson School for a classroom. A large portion of the outside brick wall was removed and windows placed therein. A corridor connecting with the upstairs rooms and an exit were built. The entire floor had to be recovered, the walls and ceilings re-surfaced and heavy beams inserted in order to do away with the piers and give floor area free from obstructions. This room is heated, lighted and ventilated as well as any of the rooms in our modern buildings, and is very attractive in design. In order to provide for even heat throughout the building at all times, a stoker was placed in the boiler room. The total cost of the work, including the stoker, was \$3,300.00.

2. Manual training room at High School

A new manual training room was constructed in the basement of the old building, utilizing the space formerly occupied by the boiler room, and accommodating about 20 pupils. Approximate cost, \$700.00.

3. Hurricane damage

Hurricane damage, for which we asked and expected no assistance from the town, brought an additional expense of about \$1,200.00.

Our newer buildings have now reached such an age that the miscellaneous items of repair are growing steadily more numerous and more costly. They have necessitated the employment of one man on full time during the entire year, together with additional labor. There is almost constant demand for work to be done on window cords, parting beads, shades, doors, locks, fastenings of all kinds, faucets, plumbing, steam fittings, etc. The larger items of miscellaneous repairs included:

Athens School:—	Chimneys capped; brick work pointed
Washington School:—	Two sets cement steps; complete replacement of window cords and parting beads
Hunt School:—	Cement steps repaired or replaced
High, Nevin, Pond,	
Adams Schools:—	Bicycle racks
General:—	The usual scraping, varnishing, and repairing of desks

Under maintenance should be listed painting done under the Works Progress Administration. Mr. Charles H. Burkett, who has supervised the work, reports the following projects at a cost of \$2,740.37:

Painting

Inside and outside	Abigail Adams School
	Athens School
	Shaw School
	Vocational School and Garage
Outside	Edward B. Nevin School
Inside	High School, left wing

ATHLETICS

The annual banquet in honor of the football team was held in December under the auspices of the Athletic Council. Raymond Stein, the president of the association, officiated as toastmaster. The High School Cafeteria was well filled with enthusiastic fathers, mothers, and those interested in athletics. Ten sweaters were presented to letter men of the senior class, sweaters for the other sports having been presented to letter men in June. The Oscar L. Horton trophy for excelling in sportsmanship, athletics, and school work was presented to Louis Lysakowski; and an anonymous trophy for showing the most improvement during the football season, to Robert Crawford. At the close of the banquet John W. Thorp, an enthusiastic supporter of football, showed motion pictures of the more important of the season's games.

The record of games and contests for all sports is as follows:

January 1, 1938 to December 31, 1938

	Won	Lost	Tied
Football	5	2	2
Baseball	6	4	0
Basketball	14	2	0
Track	3	7	0
Wrestling	9	2	0

The basketball team was invited to participate in the Massachusetts Institute of Technology tournament.

The wrestling team came out second in the State Tournament, Class A; and first in the State Tournament, Class B.

HIGH SCHOOL

(Report of Mr. Wallace L. Whittle, Principal)

In my report for 1937, some space was devoted to habits of study and program selection. I feel that there is still much room for improvement in these fields. Because of this, I am again suggesting that the parents constantly keep in closer touch with the pupils' work, so that any difficulties may be straightened out before it is too late.

We are continually besieged by requests to change the programs of pupils after school has opened. Our feeling is that much more thought should be given to the selection of courses at the proper time. A change of program during the year always is difficult for the student and many times is impossible for us to make once the program is under way. I am, therefore, appealing again to the parents to consider very carefully the choice of program so that all concerned may benefit to the greatest possible extent.

We have a course of study which is much broader than is found in most schools, thus giving the pupil a wider range of subjects from which to choose. In addition to the college preparatory courses, we offer business, general, practical arts, agricultural courses, and also various trades in our vocational school. This variety allows considerable flexibility, so that practically every pupil may select subjects to fit his needs. I should like to have the parents feel free to consult the teachers or the office at any time in regard to the subject matter of the courses.

The distribution of pupils at the end of the first marking period is as follows:

Enrollment	Boys	Girls	Total
Freshmen	306	221	527
Sophomores	237	210	447
Juniors	143	193	336
Seniors	128	146	274
Postgraduates	19	14	33
	833	784	1617

By Courses	Freshmen	Sophomores	Juniors	Seniors	Postgraduates	Total
Classical	115	118	78	48	5	364
Technical	60	38	30	24	12	164
Business	210	191	176	143	9	729
General	17	18	33	26	4	98
Agricultural	14	14	10	4	0	42
Practical Arts	21	22	9	4	0	56
Vocational	90	46	0	25	3	164
	527	447	336	274	33	1617

Sources of Freshmen

Abigail Adams	23
Bicknell	87
Junior Annex	89
Hunt	69
Pratt	29
Shaw	22
Edward B. Nevin	39
Pond	31
Other Schools	107
Repeaters	31
	527

Due to an anticipated increase in enrollment, two more rooms were taken from the Junior Annex section of our building for the High School. While, because of several factors ,the increase has not been quite so large as expected, the extra space is needed and fully used. It might be interesting to note that there were seventeen seniors and twelve juniors who did not return as expected. Most of these gave as a reason that they had accepted outside positions. Whether or not this is any indication of future trends is, at the present time, problematical.

In spite of the fact that the number of pupils per teacher has gradually increased, thus lessening the individual attention to each pupil, reports from higher institutions of learning and business concerns show that our graduates are doing creditable work. In order to give our business students some idea of their work under actual working conditions, we send as many as possible for one or more weeks each spring to some local business concern. Here they do various types of work, including clerical and secretarial. We feel that this training is of great help to them, and we fully appreciate the co-operation given us by the local business men.

We are constantly trying to make the transition from grammar school to high school as easy as possible. In order to get a more definite check on further developments along this line, we are making a survey to determine the type of work done by the graduates of the various grammar schools. If discrepancies are found, they may be remedied through the co-operation of the high school and the Director of Courses of Study in the grades.

Our extracurricular activities continue as usual, with the several clubs meeting regularly. Our basketball team was outstanding in this section and played in the Massachusetts Institute of Technology championship tournament. Although they did not win the tournament, they performed well, and we were proud of them. All sports are completely equipped at present, for the first time in the history of the school. Our band, which has added color to our football games, appeared at the Thanksgiving Day game in new uniforms which are greatly appreciated.

Two members of our faculty, Mr. John Ghiorse and Mr. Norman Loud, have written an alma mater song and a football song for Weymouth High School. The music is exceptionally good and the words appropriate. These men are to be complimented on their interest in the school and its morale, which is sure to be raised by their efforts.

We still receive aid from the Government for needy pupils. The amount obtained cannot exceed \$6.00 per month, but this sum is very helpful.

This year for the first time the Alumni Association has presented a new scholarship in honor of our former principal, Frederick W. Hilton. This award is the only one given in which the financial need of the recipient is not considered. The qualifications are character, personality, scholarship, and service rendered to the school. We are very glad to accept this new award perpetuating the memory of Mr. Hilton.

As usual, we have received scholarships from various sources for our students, for which we are very thankful. We should like to thank the following donors and congratulate the recipients:

Weymouth Teachers' Association	Anthony Caccavale
Weymouth Teachers' Association	Thomas Lockary
Weymouth Teachers' Association	Frank MacDougal
Weymouth Teachers' Association	Carmella Fogarty
Weymouth High School Alumni Association	Florence Condrick
Weymouth High School Alumni Association	James O'Neil
Weymouth High School Alumni Association	Donald Montgomery
Alice W. Dwyer Scholarship	Martha Chipman
Frederick W. Hilton Scholarship	Mary Berry
The Monday Club of Weymouth	Irene Meyer
Maude A. Hunt Scholarship	Geraldine Colligan

In conclusion, the co-operation of the School Committee, the Superintendent of Schools, and the faculty has helped to keep the standards of the school high, and I wish to express my appreciation to them for their sincere efforts.

AGRICULTURE

(Report of Mr. Hilmer S. Nelson, Agricultural Instructor in charge of the Weymouth Branch of the Norfolk County Agricultural School)

In the securing of new students, much preliminary work has to be done in the spring and summer before their entrance in the fall. In order to enlighten such applicants, a "prospectus" is distributed, so that the parent and the student may know more clearly the requirements of the department. A few sections taken from this "prospectus" may be of interest.

1. Applicants for Admission

The applicant must be at least 14 years of age, of good morals, a graduate of a grammar school, and have a primary interest in agriculture as a vocation. The summer season before entering in the fall must be devoted to some form of agriculture, the nature of which must be approved by the agricultural instructor.

2. Aim of Course

This course is designed primarily to give practical training for a career in one or more kinds of agricultural enterprises.

3. The Home Project

Practical work in agriculture is secured in part through the "home project." This may consist of raising poultry, developing a home garden or orchard, raising a dairy calf, etc., with accurate records and accounts of same.

4. Daily Work on the Project

During days when school is in session, boys in this course will do the work required by their projects and jobs outside of school hours.

5. Summer Supervised Work

If the home project is not of sufficient size to keep the boy profitably and economically occupied at least half a day, some "supervised farm work" must be found where the boy can secure practical work on some commercial agricultural enterprise, such as a dairy farm, poultry farm, market garden farm, nursery, greenhouse, etc. The instructors will co-operate with the parents and the boy in securing suitable work. This type of supervised training may be continued after school hours, on Saturdays and holidays, and during vacations when arrangements can be made satisfactorily with the employer. Each spring many agricultural jobs are brought to the attention of the department; boys are selected for these jobs according to merit, ability, and need.

School opened in September with a continuing agricultural teaching program in its 22nd year. The growth has been healthy, with the following yearly total enrollment since 1925 as follows:

1938	42	1933	26	1928	23
1937	42	1932	21	1927	20
1936	38	1931	26	1926	20
1935	35	1930	27	1925	17
1934	29	1929	23		

During the past ten years we find this yearly enrollment divided according to classes as follows:

	1938	1937	1936	1935	1934	1933	1932	1931	1930	1929
Seniors	4	8	8	1	4	6	7	3	5	1
Juniors	10	10	9	8	3	5	6	8	3	8
Sophomores	14	9	9	12	9	6	5	7	11	4
Freshmen	14	15	12	14	13	9	3	8	8	9
Special										1
Total	42	42	38	35	29	26	21	26	27	23

The acquisition in 1934 of an additional instructor made it possible to increase our enrollment, which resulted from natural expansion. Again will be noted the smaller senior class resulting from a much larger freshman class. This is to be expected, as only those vitally interested in the work are able to continue; many times financial conditions in the home necessitate the boy's leaving school before his senior year.

Our 1938 graduating class of eight seniors were as follows:

Herbert L. Bauer
 Alfred Cavallo
 George C. Costello
 Alfred L. Hunt
 Lloyd W. Lovell (Hingham)
 Kevin P. McGlynn
 Warren D. Metcalf
 Dwight E. Wardlaw

The home ownership projects from necessity have become fewer since our last report. We can account for this reduction in numbers from the fact that the boys are coming from homes where the facilities to carry out satisfactory projects are very much limited by the lack of funds and land area. Their desire to have projects of their own is keen, but circumstances prevent further action. As a result, many must seek agricultural experience elsewhere. Even if small ownership projects could be conducted at home, they might not be of sufficient size and capacity to be economically profitable; therefore, we do not encourage small home projects too strenuously, except possibly in the freshman group. Good practical experience on some well-conducted farm is much to be preferred to the experience gained from a small ownership project. Consequently, we strive each year to encourage the students to secure their required training under actual farm conditions. We desire to assist the boy and parent in securing a job, but feel it best for him to go out and get the job himself, thus gaining that responsibility which is so necessary in a successful life.

Our annual project year closed on October 15, with 12 boys reporting 18 ownership projects, consisting of 14 poultry projects, 3 garden projects, and 1 dairy goat project. The poultry projects totalled 307 adult birds and 547 chicks, with all but 22 of the adult birds of the Rhode Island Red breed. The actual receipts from these 18 projects were \$2,407.18, with actual expenses, excluding student labor, \$1,296.43, leaving a balance profit of \$1,110.75. We believe most sincerely in the home project method of teaching, and trust that the future will provide greater opportunities for those desiring this type of training.

During this past project year, in supervised farm practice work 42 students reported 34,794 hours, with a value of \$6,880.86. This farm work is vital to the success of many of the boys who must depend upon this type of practice for actual experience.

Much of the success of our field work depends upon those who have so generously given of their time in assisting the department in many ways. This practical "digging in the soil" has been of real value. To the following we wish to extend our thanks and appreciation:

Mr. Albert H. Kress, Hingham	Dairy
Mr. Paul E. Kress, Hingham	Market garden
Arnold Brothers, Braintree	Market garden
Mr. William Ralph, South Weymouth	Greenhouse
Mr. E. A. Hirt, South Weymouth	Poultry
Mr. William Monto, Norwell	Poultry
Mr. Norman E. Belcher, East Weymouth	Poultry

Individuals and teams representing the department have been very successful in the various judging contests throughout the State. Two senior boys have done outstanding work in judging, and I wish to give them due credit. James E. McFarland, as a reward for his efforts in poultry judging during the past two years, won highest individual honors in the National 4-H Poultry Judging Contest recently held in New York City; James was also a member of the Massachusetts 4-H team which also won highest honors. John F. Herlihy, through his consistent work and study in vegetable judging, was awarded a trip to Detroit as a member of the vocational agricultural team representing Massachusetts at this national contest. James and John are to be congratulated.

What is one man's loss is another's gain. The resignation of Mr. John B. Farrar, our instructor in horticulture, brought to a close a period of splendid co-operation and constructive work; we wish him every success in his new work as instructor in charge of horticulture at the Bristol County Agricultural School at Segreganset, Massachusetts. The appointment of Mr. Jack Sturtevant was apropos, and to him I owe many thanks for his kindly assistance, close co-operation, and constructive ability. Mr. Sturtevant is a 1936 graduate of the Massachusetts State College and of Essex County Agricultural School in 1932.

To Mr. Parker T. Pearson, Superintendent of Schools, and to the School Committee, to Mr. Wallace L. Whittle, Principal of the High School, and to Mr. Francis E. Whipple, Director of the Weymouth Vocational School, may we extend our thanks and appreciation for the splendid co-operation received. It is very aptly expressed in one of the recent bulletins issued by the State Department of Education, as follows: "Relationships could not have been happier than have been those between the agricultural instructors and the superintendent of schools and the high school principal at Weymouth."

To Mr. Charles W. Kemp, Director of the Norfolk County Agricultural School at Walpole (of which this department is a branch), may we extend our thanks for the timely assistance and co-operation that we have enjoyed.

VOCATIONAL SCHOOL

(Report of Mr. Francis E. Whipple, Director)

During the past year, several changes tending toward extension and improvement of the vocational program in Weymouth have been instituted. Through the allotment of money from the Federal George-Deen Fund, it has been possible to create an entirely new department in sheet metal work, to increase the instruction in printing by hiring a new teacher in that field, and to allow a member of the faculty to devote a part of his time directly to finding employment for graduates and former members of the school.

The operation of the George-Deen Fund is interesting. For two years, the whole salary of teachers appointed under its aid is paid from the allotment. Beginning with the third year, the grant is reduced by twenty-five per cent each year, until at the end of the fifth year the town is carrying the whole cost.

In April, when these funds first became available, ten boys from the High School and seven from the Vocational School were accepted for the new sheet metal department. These boys were taken only if their previous records were satisfactory, and most of them were allowed to go on to the second year in September upon doing satisfactory work here. The enrollment in this course, which apparently will be very popular, is already high. Both teachers are men of considerable experience, and promise to be valuable additions to the staff.

This fall a new Miehle Vertical automatic printing press was installed. This equipment goes far toward bringing the printing department up to present industrial standards. One boy who was graduated in 1936 found his progress in the industry impeded by his lack of experience on automatic equipment and has returned to school for supplementary instruction. He expects to have his earnings greatly increased when he is able to run this type of press.

Other new equipment includes completely outfitting the sheet metal shop for twenty boys, the usual replacement of tools in the automobile and cabinetmaking departments, and some type replacement in printing. The buildings have been painted inside and out by the Works Progress Administration. The exterior of the main building was painted for the first time since it was built, a tribute to the sanded finish used at that time and repeated now.

The first report of the placement work shows that 212 employer contacts were made, either by personal visit, mail, or telephone. Twenty-eight boys were placed in jobs by the school. Out of eighteen graduates last June, twelve entered the trade trained for, three are in postgraduate work here or elsewhere, two are in other trades, and one is unaccounted for. Jobs were found for eleven graduates of other years and for three non-graduates.

From these placement calls, several facts in relation to our training program appear. First, the demand for printers is good, and at times we have had more jobs than there were boys available to fill them. Woodworkers of all kinds are not particularly in demand, but our class in that line is small, and the better boys are gradually absorbed into the trade. Demand for automobile mechanics as such is slow at the present time, but the field is unlimited for body and fender repairmen, welders, and spray painters. Sheet metal men seem to be enthusiastic about taking graduates when they are available, but here we must beware of allowing this department to become so big that there is an oversupply of boys for the available jobs.

A study of individual problem cases and failures shows a great need for thoughtful, intelligent advice on the part of teachers in the elementary schools and for a real interest on the part of the parent in the course the boy elects when coming from the eighth grade. Very frequently the most substantial reason for choosing one of these courses is that the boy next door is doing it. Too often boys are pushed into this or other trade courses when they are not even mechanically inclined. Before allowing boys to elect these courses, tests should be given to determine the extent of their mechanical ability as a guide to their probable future success in a trade.

The annual exhibition and open house on May 6 was very well attended, with the buildings crowded with visitors from 7:30 to well after 9 o'clock. Earlier that evening, the first meeting of the Weymouth Vocational School Alumni Association was held in the girls' gymnasium, with a banquet and speakers. Mr. Charles R. Setterland '36 is president of this group. At the same time, the Norfolk County School Committeemen's Association met in the cafeteria and later visited the exhibition.

In April, at the request of the State Department of Education, the motion pictures of the school activities were shown in every town on Cape Cod, as part of a survey being made in Barnstable County to determine the need for a trade school in that territory.

At the opening of school in September, two classrooms previously used for other purposes were added to the home room list, and the seventh

grade which used one of them was moved to another building. The manual training room in the basement was moved into the High School and that area opened up for an extension of the sheet metal shop.

At the moment it appears that, counting the seniors about to graduate and allowing some loss of membership during the balance of the year, there will be about fifty seats available for an entering class next year. This year the whole number of freshmen was 96, with a maximum figure at one time of 88. If the entering class next September should reach that figure, there would be a shortage of about 38 seats. When three rooms were added to the High School two years ago, it was thought that they might be made available to the Vocational School. The need for this may be no further away than next fall.

Another urgent need, as far as space is concerned, is for a suitable drawing room. At present the regular drawing room is used jointly by the Vocational School and the High School. Eight sheet metal drawing classes use pupils' desks in another classroom to support large drawing boards. This situation is not conclusive to good teaching nor to good drawing.

Plans should be made to replace the window shades throughout the building. Every one has been turned end for end to expose a fresh portion, but age and sun have done their damage, and new ones are the only solution. The lighting in the composing room section of the printing shop needs serious consideration. If windows were placed along the solid section of the wall, much eyestrain on the part of the pupils could be avoided. In line with a demand found to exist in the automobile industry, better and safer facilities should be provided for automobile spray painting, and more attention should be given to automobile body and fender work. In connection with this work and with sheet metal work, improved welding facilities are needed.

Another dangerous situation exists with respect to automobiles parked at the garage, because of the incinerator used for burning rubbish nearby. It is the source of many woods and grass fires, and might well be the cause of destroying an automobile.

The enrollment figures up to December 23 are shown in the following table:

	I	II	III	P. G.	Total
Auto Repair	39	16	12	1	68
Cabinetmaking	11	4	5	2	22
Printing	19	15	8	0	42
Sheet Metal	27	14	1	0	42
	—	—	—	—	—
	96	49	26	3	174

These figures show an increase of 49 over the corresponding period of last year and an increase of 53 over the same period two years ago. Of the 96 freshmen, 8 were admitted on a special basis without having completed the eighth grade, 5 were repeaters, and 40 had attended high school for varying periods from a few weeks up through graduation. Fifty-four came from towns outside of Weymouth, as follows:

Abington	2	Hull	4
Boston	1	Kingston	1
Braintree	19	Pembroke	1
Cohasset	2	Quincy	1
Duxbury	1	Rockland	10
Hanover	1	Whitman	2
Hingham	7	State Wards	2

I should like to express my appreciation of the confidence, co-operation, and support which have been given by all with whom I have come in contact during the year.

COURSES OF STUDY

(Report of Flora Haviland McGrath, Director of Courses of Study)

A well-articulated educational program is designed to give the child that which he needs academically and as much as his mental capacity can absorb; in addition, the program must make provision for the development of those less tangible qualities which contribute to the making of the well-integrated personality,—good habits, right attitudes, and high ideals.

The new courses of study completed in 1936 and 1937 attempt to fulfill the requirements of a rich academic and ethical program. In keeping with progressive supervision, these courses will be revised and reorganized as soon as it has been determined what changes are necessary.

Science

As this program is now only in its second year, no plans for revision are being made for 1939.

Character Education

This outline which was completed in 1937 is in the process of revision for the following reason:

During the past year, the office has received numerous requests from various educational institutions throughout the country for copies of the course. A few of these requests have already been filled, but because of the expense involved in donating these courses, this practice has been discontinued. Therefore, it is planned to have the course printed and to charge sufficient to cover costs, as is the custom in other public school systems where there is a demand for their courses of study.

Arithmetic and English — Measure of Pupil Progress

A testing program has been carried on throughout the year 1938 in order to measure pupil progress in English and in arithmetic.

April and May 1938 — Medians

Arithmetic — Grades II through VIII

100 classes tested (A, B, C groups in grades VII and VIII included)

68 classes — median 80 to 100

24 classes — median 70 to 80

8 classes — median below 70

English — Grades IV through VIII

(Tests included correct usage for grade IV, with the addition of punctuation and grammar for all other grades.)

65 classes tested

61 classes — median 70 to 100

4 classes — median below 70 (C division)

Testing was repeated in September and in December. The December testing included an experimental survey with 100 pupils in grade II.

Remedial Reading

Following considerable study in the field of remedial reading, the writer is convinced that, for the present at least, there is no need for serious alarm in the Weymouth public school system. Good teaching, in most

cases, means good reading. However, where there is a marked reading disability, the case is given individual attention.

Boston University conducted a brief survey here during the early part of February 1938. The tachistoscope was used with approximately 100 children in grade II, and it was found, in the majority of cases, that the children had excellent word-mastery powers.

In December 1938, a survey was conducted by means of the Metropolitan Achievement Tests. The results showed the pupils to be approximately four months above the national reading norms.

Reading

In order to further increase reading efficiency in the lower grades, a study is now being made of basal reading materials.

General Supervision

Approximately 26 new teachers have been placed in the lower grades during the past two years. This calls for increased activity in general supervision in order to establish those methods which will produce that type of work in keeping with the present standards. Constant general supervision cannot be successfully combined with the planning and creating of new courses of study. Therefore, during the past year, no new courses have been completed.

Extracurricular

In addition to the above program, the usual coaching has been carried on. This year, three plays have been presented, requiring eighteen weeks of evening coaching: two plays for the Weymouth Teachers' Association, one in February and one in November; and one for the senior class of 1938. The funds obtained from the Teachers' plays are used for scholarships. One has already been given to the 1938 class, and the other will be used by the class of 1939. The total amount received from the Teachers' plays was \$540.81.

In Conclusion

To Mr. Pearson, Superintendent of Schools, I wish to express my appreciation for his understanding and help, and to the principals and teachers, I extend my thanks and continued appreciation.

DRAWING

(Report of Miss Evelyn Silvester, Supervisor of Drawing)

The Art Department during 1938, as in each previous year, has been filled with enthusiasm and interest in its work. We are all sincerely interested in the deep and lasting pleasure and usefulness of this work for the child's sake: first, because to draw and make designs is one of the most instinctive expressions of a child's life, a universal language which needs no translator from child to child; second, because providing the time and place for drawing, with guidance, gives the child pride in good work and helps eliminate the careless and destructive marking of public and private property; and third, but no less important, it aims to teach good taste by instinct, and as the child grows in general knowledge, to provide reasons for the instinctive choices.

The subject of picture appreciation has been referred to from time to time in these reports, and its correlation with English and literature. The gradual expansion of this work, giving the child a knowledge and so a standard of fine painting of the ages, is of a very positive cultural value.

One of the outstanding problems given in the intermediate grades has been the making of "murals;" that is, pictures on strips of paper from nine to fifteen feet in length. The subject matter is usually taken from some regular academic subject, like a story in literature; a commercial geography subject, such as lumbering in the United States, or shipping; or it may be of an historical nature. Whatever the teacher and children believe most interesting to them is used.

The first step after the subject is selected is for each child to draw his own story-telling picture as interestingly as possible, in small size. These papers are put up where all can see them, and the children select the best one, to be enlarged. In making the large one, every child has some part in the work. We have found that this makes a very powerful appeal to each child to do only his very best work, and the results have been most gratifying.

One of the finest murals came from the class of Miss Lambe at the James Humphrey School; it depicted a story of knighthood, and was most colorful and dramatic. Another fine one was of scenes in Holland which showed the life and customs of the Dutch people; this was made by the sixth grade at the Pratt School under Miss Upton. At the Hunt School, Miss Tracy's sixth grade made an interesting one of the French perfume industry. The above are only a few of a long list of excellent murals.

The High School puppet group last February gave a repeat performance of the last show that we staged, "A Night in Fairyland," by Virginia Howe. This was given by request of the Monday Club for their Children's Day program. It was the first time we had used an amplifying system in a puppet show, and it made the voice control very much easier. Mr. F. E. Whipple kindly worked out that part of the equipment for us and handled the controls. The puppetry work has been a feature wholly outside of regular work and has earned money to be used for art school scholarships for deserving students.

Every fall our drawing and design problems build up to Christmas time, which is always "applied design time." This year the things made are briefly as follows: freshmen, marble paper wastebaskets with applied colored paper designs; sophomores, thin metal plaques or trays, showing the decorative use of copper and brass foil; juniors and seniors, clay modeling and cast making, wood carving, batik hangings.

The Practical Arts freshmen and sophomores stenciled many useful articles, such as luncheon sets, holders, chair sets, runners, handkerchief monograms, and many other articles. All these things were made of used material or unbleached cotton.

These problems of applied design help the child to make a decorative as well as practical use of many odds and ends at very small cost and sometimes at no cost at all.

Art work should teach the students that they can have beauty in their lives by a little thought, effort, and skill, and at almost no cost.

Once again Miss Ray, Miss Freeman, and I wish to thank the School Committee, Superintendent, and teachers for their combined co-operation in making our work here in Weymouth a pleasure. We hope that that pleasure is shared by the children of the town. The evidences of happiness on the faces of the children when "drawing time" comes makes us believe it is so.

MUSIC

(Report of Mr. Vance W. Monroe, Supervisor of Music)

Education exists solely for the sake of life. No knowledge is worth anything at all, merely for the sake of having it. A subject must live in the learner's life. To capture, express, and render the human values of music is an enterprise which should command the enthusiasm of every teacher. The consistent successes in open competition with the best in the State justify these convictions.

We point with real pride to last year's accomplishments. The National Educators' Conference presented our grade group with the award in "Class C," the first high school division. This could be done, however, only by the heartiest co-operation of the school committee, superintendent, teachers, and pupils.

Our work at the Mayflower Song Festival in Middleboro was highly praised by Prof. R. A. Cooke of Harvard University.

(Report of Mr. John M. Lyons, Assistant Supervisor of Music)

The music classes in the high and grade schools under my supervision have progressed satisfactorily during the past year. There has been a marked increase in music reading ability in the grade schools due to the individual work now required of each child in the course of study.

The annual Bicknell School operetta was presented on April 28 and 29 before capacity audiences. Mr. Leo Madden, Mr. Preston DePlacido, and the Misses Josephine Caruso and Elizabeth Murphy had important parts in the preparation of this operatta.

The High School glee club presented a revue and the one-act operetta "Trial by Jury" before large audiences on May 20 and 21. Miss Ernestine Canning, Miss Helen Lyons, Mr. Norman Loud, and Mr. James Calderwood assisted in coaching this production.

On the evening of June 16, the High School glee club attended a performance of the Boston "Pops" orchestra in Symphony Hall. They were thrilled at the performance and also at the appearance of "The Weymouth High School Glee Club" listed on the program as occupying a block of seats. The members enjoyed this experience so thoroughly that it is my intention to have them attend a "Pops" concert each year.

The senior class sang "Land of Hope and Glory" and "Roses of Picardy" at their graduation, accompanied by the High School Band; and gave a very creditable performance.

A concert by the High School glee Club was presented in October before a large audience of members of the Weymouth Monday Club in Clapp Memorial Hall, and was well received.

The operetta "Chimes of Normandy" is now in rehearsal by the High School glee club, to be presented in January, 1939. Another operetta is also planned for the Bicknell School, to be presented in March or April of 1939.

The violin classes, begun some years ago by Mr. Guido Antonelli, have shown their great value. Some of those children who started in the first class are now playing in the High School orchestra. Members of last year's class performed at the Memorial Day exercises at the Adams School.

The value of such classes to build up the music units of the High School cannot be overemphasized. The class this year, although small, is making good progress under Mr. Antonelli's guidance, and it is hoped that these classes will be extended to other schools in the Town in the near future.

In closing, I wish to thank the Superintendent, principals, and teachers for their helpful co-operation.

MANUAL TRAINING

(Report of Mr. A. Edward Haviland, Supervisor of Manual Training)

Since September nearly 450 boys in seventh and eighth grades throughout the town have received instruction in manual training.

In the seventh grade the boys were instructed in the use of tools and simple working drawings. With this information, they proceeded to make articles of a simple nature so selected as to provide exercises in surface planing, edge planing, spokeshaving, block planing, and using the backsaw.

The eighth grade work embraced a wide variety of interesting projects, the most popular of which was a table lamp. In addition to the usual woodworking, this project involved work on small pipe and making electrical connections for socket and attachment plugs. This new field of interest added stimulus to the work.

Other articles made were book-trough end tables, occasional tables, magazine racks, modern bookends, boat models, footstools, and costumers.

In closing this report, it is pleasant to add that this department has received co-operation of the highest order from the entire school unit.

SEWING

(Report of Miss Harriet S. Berry, Supervisor of Sewing)

The main purpose of this course is not to make dressmakers of the girls, but to teach them to be accurate, careful, and neat; and to give them the fundamental points in the care and use of materials, workmanship, and clothing.

As most of the seventh grade students are beginners in sewing, they first make a sewing bag, which calls into use all of the stitches necessary for plain sewing. These bags are made entirely by hand and decorated with cross-stitch monograms. The child is then taught the care and use of the machine. After she has mastered the machine, she may make either a slip or a pair of pajamas. The next step is to make a house coat or simple dress.

The girls of the eighth grade are given a complete review and taught the use of a commercial pattern. They are then ready to start on woolen skirts. Most of the girls prefer the use of the zipper to the placket for the openings in their skirts. The girls then make either a blouse or a house coat. At the completion of this article, they make an intricate dress.

A few lessons are devoted by both grades to the making of Christmas gifts. This year the girls made peasant belts, neckties, and all types of embroidery. Since most of the family sewing is repairing, all spare time is spent on patching and darning.

This year two exhibits were planned for, one in the fall and one in the spring. The fall exhibits, which were held in all the schools in December, were a great success; and I wish to thank the parents and friends for the splendid co-operation and interest shown.

SCHOOL GARDENS

(Report of Miss Sarah E. Brassill, Supervisor of School Gardens and Clubs)

Lessons have been given in the seventh and eighth grades, beginning with plotting and planning the garden during the winter months and ending in the fall with harvesting and a study of the results. The lessons are supplemented by visits to the gardens during the growing season.

No attempt is made to give a formal or scientific garden course. Relying on the pupil's interest, and working with each one individually according to his present experience, information, and environment, all are given an opportunity to learn a few facts about seeds and soil. They learn by failures as well as by successes that, given certain conditions, certain results will follow, thus learning also to provide the right conditions. Poor seeds carelessly planted will not germinate well. Poorly prepared soil will not produce fine plants.

Lessons are given to all pupils. Owning and caring for a garden is optional. There have been two hundred gardens listed this year, one hundred fifty of which were of size and quality to be entered as 4-H Club Gardens. Owners of club gardens try to meet the requirements in size and quality of the Extension Service of the Massachusetts Department of Agriculture. From these gardens, exhibits were sent to the children's exhibit at Horticultural Hall in Boston, to the Norfolk County Fair at Walpole, and to the children's department at the Brockton Fair. In each case the awards received were creditable. No local exhibits were held this year.

Produce from the gardens, whether flowers or vegetables, was used in the homes or sold by the owners, or in some cases canned for winter use. Each garden owner handed in a written report of his year's work. In spite of weather conditions, the gardens prospered.

Other activities supervised included projects in poultry, canning, food, home furnishing, and conservation. Pupils especially interested in one of these activities organized as 4-H clubs, subject to the requirements of such clubs in Massachusetts, and undertook to do at least a certain prescribed amount of work. The canning group exhibited at Walpole and at Brockton. The poultry group sent exhibits to the Eastern States Exposition at Springfield and brought back several awards. The conservation club had a part in the same exhibit.

As in past years, all pupils have interested themselves in community projects. Their work in the early spring campaign to help control the tent caterpillar was outstanding. Later in the year they interested themselves in the effort to eliminate ragweed. During July and August they were helped and encouraged in this by the supervisors in charge of the playgrounds. Pupils are also taking active part in the development of the Bradford Torrey Reservation, urged thereto by the Weymouth Garden Club. One public-spirited merchant offered substantial prizes for well-made birdhouses to be placed in the reservation. Thirty-five entries were made. A representative of the Audubon Society acted as judge. Prize-winning entries are already in place on the reservation, and others, after suggested alterations have been made, will be set up. A feeding station and suet bags have also been placed.

The amount of work involved in all this could be accomplished only with the help of volunteer assistants in the clubs — teachers, friends, and the older students. All such help is hereby gratefully acknowledged.

SCHOOL NURSE

(Report of Miss Anna A. MacDavitt, School Nurse)

This is the seventeenth annual report submitted by the present school nurse. It is difficult to make a report of this kind interesting, because the number of activities are limited and one must necessarily repeat much that has been said before. However, there are many interesting incidents too intimate to be discussed, which make it possible to accomplish so much in this field.

There are five active clinics in our schools. In the tuberculosis clinic of the Norfolk County Hospital the pupils of the seventh, ninth, and eleventh grades are examined, since it has been found that during this period of a child's life he is more susceptible to this disease. This clinic and the Chadwick Tuberculosis Clinic have been merged this year, as the number of children remaining on the Chadwick list is small.

In January 1938, Dr. Mary Hammond, State Psychiatrist, examined twenty children who were retarded. Dr. Hammond recommended that six of these children be placed in the Junior Manual Arts Class. Two entered upon advice of their own physician, and three entered from other towns, making the total enrollment forty-two.

The eye clinic sponsored by the Lions' Club cared for several cases during the year.

In June, the school physicians examined 305 children whose tonsils were enlarged or diseased. As a result, 293 notices were sent to parents advising them of this condition. Several cases were referred to the Rotary Club clinic held during the summer vacation.

On November 29 a toxin-antitoxin clinic was held under the direction of the Board of Health in the various schools, the school physicians serving in their respective buildings. One hundred forty-one pre-school age children and 462 grade school children were given the three inoculations necessary to cause immunity from diphtheria.

The following list of routine work may be of interest:

General inspections	4479
Weighed and measured	1809
Assisted doctors with examinations	1007
Home visits	630
Dressings in school	280
Sent to doctor	114
Taken home	84
Dressings in home	26
Taken to hospital	11

Excluded for:

Colds and sore throats	130
Whooping cough	14
Ringworm	6
Impetigo	11
Pediculosis	15
Measles	38
Chicken pox	21

ODE TO THE CLASS OF 1938

Anne Irene Meyer

The sails are set, the wind is right,
The pilot boat is standing by.
A voice from heav'n, a beam of light—
"So on! sail on! with banner high."

With crew and captain, strong and bold,
Let our hearts forever keep
The store of hope within the hold!
And on! sail on! through channel deep.

Though storms of life may drive us far,
May rend the sails, and snap the mast,
A hidden reef may leave its scar,
Sail on! sail on! till storms are past.

Beyond the clouds the light shows through,
The sea is calm, the waves recede;
For wisdom leads us straight and true.
So on! sail on! with truth our creed.

STATISTICS FROM REGISTERS FOR SCHOOL YEAR 1937 - 1938

Respectfully submitted,

GEORGE E. CURTIN,
Collector

REPORT OF THE TOWN ACCOUNTANT

East Weymouth, Mass.
January 20, 1939

To the Board of Water Commissioners:
Gentlemen:

Herewith is submitted the thirty-seventh annual report of the Accounting Department which sets forth the major financial transactions of the Water Department for the year ending December 31, 1938.

It should be noted at this time that the situation relative to the outstanding water accounts has shown continued improvement and that the condition to which I called attention a few years back has been alleviated. The efficient work of the office personnel is mainly responsible for this improvement. The books of the department are now kept in such a manner as to enable this office to make an analysis with much satisfaction and a greater degree of assurance that the accounts are correct.

The customary verification of accounts disclosed no discrepancies and the cash balances have been found correct when reconciled monthly.

The net result of the years activity has increased the Surplus Revenue of the department to \$110,219.56 while the Net Debt has been reduced to \$116,000.00.

My contention has always been that Water Revenue should be used for water purposes only. The amount now in Surplus Revenue has caused a belief among some that a portion should be used to reduce the taxes on Real Estate. This proceeding, while perfectly legal, does not benefit the water consumer, whose money it is, as directly as a reduction in rates.

Should any of this surplus be applied to reduce the real estate tax a generous balance should be left to provide for such major improvements in the system as may be found necessary in the years just ahead as well as provide for such reduction in rates as seems advisable.

I appreciate the effort and co-operation of your department.

Respectfully yours,

EMERSON R. DIZER,
Town Accountant

WATER DEPARTMENT

Respectfully submitted,

GEORGE E. CURTIN,
Treasurer of the Water Department

Weymouth, Mass. January 21, 1939

I have examined the accounts of George E. Curtin, Treasurer and Collector of the Weymouth Water Department, and find them correct. The records of the Collector's Department have been checked with the Treasurer at least once each month during the year, and I am satisfied that both reports are correct.

EMERSON R. DIZER,
Town Accountant

REPORT OF THE SUPERINTENDENT

To the Board of Water Commissioners:

The following tables and summaries, covering in detail the work of the department for the year ending December 31, 1938 are respectfully submitted:

WILLIAM H. MURPHY,
Acting Superintendent

SUMMARY OF STATISTICS

Year Ending December 31, 1938

In form recommended by New England Waterworks Association
Weymouth Waterworks, Weymouth, Mass.

Population 1932: Winter 20,000, Summer 24,000.

Date of construction: 1885.

By whom owned: Town of Weymouth.

Source of supply: Weymouth Great Pond.

Mode of supply: Pumping to reservoir and gravity.

Capacity of reservoirs: 2,120,000 gallons.

PUMPING STATISTICS

1. Pumping Machinery:

LOW LIFT

No. 1. De Laval Single Stage Pump, 10 H. P. G. E. Motor.

No. 2 De Laval Single Stage Pump, 10 H. P. G. E. Motor.

No. 3 De Laval Single Stage Pump, 15 H. P. G. E. Motor.

HIGH LIFT

No. 4 De Laval Single Stage Pump, 60 H. P. G. E. Motor.

No. 5. De Laval Single Stage Pump, 75 H. P. G. E. Motor.

No. 6. De Laval Single Stage Pump, 100 H. P. G. E. Motor.

No. 7. Allis-Chalmers Single Stage Pump, 70 H. P. G. E. Motor (Reserve Station).

No. 8. Worthington Two Stage Pump, 70 H. P. G. E. Motor (Reserve Station).

No. 9. De Laval Single Stage Pump, 150 H. P. Sterling Engine, (Emergency).

2. Capacity of Pumps:

No. 1. 1,500,000 gallons per 24 hours.

No. 2. 1,800,000 gallons per 24 hours.

No. 3. 2,200,000 gallons per 24 hours.

No. 4. 1,500,000 gallons per 24 hours.

No. 5. 1,800,000 gallons per 24 hours.

No. 6. 2,200,000 gallons per 24 hours.

No. 7. 1,700,000 gallons per 24 hours.

No. 8. 1,400,000 gallons per 24 hours.

No. 9. 2,600,000 gallons per 24 hours.

3. Electric current used K. W. H., 238,930.

4. Total pumpage for year, 206,735,000.

5. Average Static lift of pumps 114 feet.

6. Average total lift of pumps, 164 feet.

7. Cost of current per million gallons, \$23.25.

8. Cost per million gallons raised one foot, \$0.141.

RELATING TO DISTRIBUTION MAINS

1. Kind of Pipe: Cast iron, wrought iron and lead.

2. Sizes: From one inch to fourteen inches.

3. Extended: 817 feet.

4. Replaced small wrought iron with cast iron, 1,020 feet.

5. Total now in use, 107.61 miles.

6. Length of pipes less than 4 inches in diameter: 20.8 (Mostly summer lines).

7. Number of hydrants added during year: 5.

8. Number of hydrants now in use: 614.

9. Number of stop-gates added during year: 9.

10. Number of stop-gates now in use: 892.
11. Number of stop-gates smaller than 4 inches: 159.
12. Number of blow-offs: 54.
13. Range of static pressure on mains: 18 to 105 pounds.

SERVICES

14. Kind of pipe: Cast iron, cement lined, wrought iron, lead and lead lined.
15. Sizes: $\frac{3}{4}$ to 8 inches.
16. Extended: 1,775 feet.
17. Discontinued: None.
18. Total in use: 29,189.
19. Number of services added: 87.
20. Total services December 31, 1938: 7,155.
21. Average length of services added during year: 20.4 feet.
22. Number of meters added: 199.
23. Number of meters now in use: 5,943.
24. Percentage of service metered: 83.1 %.

STATISTICS OF CONSUMPTION

1. Population: Winter, 20,000; Summer:, 24,000, average, 22,000.
2. Total consumption for 1938: 422,370,000 gallons.
3. Average daily consumption: 115,700,000 gallons.
4. Gallons per day per capita: 50.3 gallons.
5. Total through commercial meters: 106,957,500 gallons.
6. *Domestic consumption (2) — (5): 315,412,500 gallons.
7. Gallons per day per capita based on (6): 37.6 gallons.
8. Total through meters: 305,314,500 gallons.
9. Per cent accounted for by meters: 72.3.

*Includes all unmetered water.

REPORT OF THE TOWN ACCOUNTANT

East Weymouth, Mass.

January 26, 1939

To the Board of Selectmen:

Gentlemen:

Herewith is submitted the thirty-seventh annual report of the Accounting Department. This report can set forth only general information regarding the financial transactions. Any person, who so desires, may call at the office where detailed information is available regarding all transactions of a financial nature.

The accounts of the several town officers have been examined regularly, all cash balances verified frequently and the cash and securities of the town found properly accounted for.

An audit of the books by the Division of Accounts of the Department of Corporations and Taxations of the Commonwealth was made during the year. Such audits, while they temporarily disrupt the regular routine are, "Good for the Soul". I trust that the satisfactory condition of this town may always be as concluded by the examiners when they reported that, "The balance sheet indicates that the town is in good financial condition. The records of the town treasurer, tax collector and town accountant have been neatly and accurately kept, the work of the audit being facilitated thereby". Regardless of this report every effort should be made to further improve all branches of municipal activity and this department welcomes any helpful criticism.

The Relief problem is still paramount and the consolidation of all relief activities under a director has no doubt improved the local situation.

The outlook for 1939 is none too promising regarding the tax rate. It is well to call attention to the fact that every item of expense that would materially increase the gross levy is brought about through items over which the town and its officials have no control. During the last seven or eight years the appropriations for General Government have varied only to the extent that would be in keeping with the growth of the town.

The Surplus Revenue as of December 31, 1938 is \$102,670.20. This shows a material decrease from that of a year ago. By vote of town meeting the sum of \$98,500.00 was used during the year for current expenses and were it not for the fact that, pending the outcome of an appeal for abatement, about \$60,000.00 due the town from the Commonwealth as its share of the Corporation Taxes has not been received the Surplus Revenue would now be approximately \$162,000.00.

The Net Debt of \$444,000.00 is less than it has been for twelve years while the Tax Titles held by the town represent \$56,234.85, approximately the same as last year.

I gratefully acknowledge the efforts of all who have in many helpful ways made possible whatever of value this office may have accomplished during 1938.

Respectfully yours,

EMERSON R. DIZER,

Town Accountant

Respectfully submitted,

GEORGE E. CURTIN,
Treasurer of the Town of Weymouth

Weymouth, Mass.

I have examined the accounts of George E. Curtin, Treasurer of the Town of Weymouth, and find them correct. The securities of the Town were examined and found to be as stated in the report of the Town Treasurer.

EMERSON R. DIZER,
Town Accountant
